COMMUNICATIONS

To the members of the Class of 1926:

A tentative list of the names of the members of the Committee for the Committee Referendum has been compiled. The Committee is to be held responsible for anything. Now only this, but the whole student body, using Walker as it does, should approve everything to aid the committee which benefits them.

THE MERCHANT WORK OF THE R. O. T. C.

EXTENSIVE has been the debate and great the veracity concerning the advisability of the R. O. T. C. Units in American colleges. Especially has the opposition been prolix, and of them it can be said, to paraphrase a Shakespearean comment, that they discern the thread of their veracity better than the staple from which it is spun. The unit at Technology has proved to be the most successful and it is continually attaining higher standards. The quality of the work is accomplishing is prompting the government to issue more gun powder for target practice, and other betterments bespeak the work which it is doing. The recent addition of the fortyfourth and fifteenth of this month.

ENJOYABLE COMEDY IS PLAYING AT ST. JAMES

"Thank U," playing at the St. James this week, is an entertaining comedy which the audience favors without including the Loings or the Limerick. Their smart lilies are worth more than a mental note. The play is not particularly original but it is well acted and the dialogue is a success. It is your choice to enjoy the evening. The cast is entirely a success, and the comedy furnishes a most amusing entertainment.

The Walker Memorial Referendum

N the referendum of the elections today it will be decided whether or not the Walker Committee of the Institute. Though this motion was passed by the Institute Committee about a month ago, most members maj ority by student referendum to be effective, since the change is in the hands of the by-laws.

There are several advantages which will result from the proposed plan. Since the Chairman of the Committee for the Walker Memorial Committee must keep in intimate touch with all the activities, he becomes thereby a very valuable man to have on the Executive Committee. Furthermore, there will be a decided advantage from the point of view of the Walker Memorial Committee, in that having their own representative on it, they will be more effective. It will be for them to put through action which would otherwise be very difficult and would fail.

In the administration of its affairs the Walker Memorial Committee serves all the activities, and consequently deserves all the cooperation it can get in facilitating the discharge of its duties. Not only this, but the whole student body, using Walker as it does, should approve everything to aid the committee which benefits them. The way to get the finest shave

The Hinge-Cup is a sure way of identifying Williams Shaving Cream. And Williams, besides giving you the convenience Hinge-Cup, washes and dries the hair.

First, the latter is heavier and holds the moisture in against the beard. Quicker and more thorough is the drench. Second, the razor glides more easily through the Williams-softerd beard because William's lathers softer. Lastly, the skin of Williams keeps the skin in good condition no matter how heavy your beard nor how frequently you shave. In addition, you'll enjoy Williams because it is a pure, natural white cream without coloring matter of any kind. Ask for it.

COMBINED CLUBS ELECT OFFICERS FOR NEXT YEAR
(Continued from Page 3)

In his financial statement Parker explained the cause of the drop in attendance that took place during the 1924-1925 season and the economics that brought with about $30,000 to the good, and it showed that the losses were not due to any lack of support from the membership.

For the year ending June 30, 1926, the financial statement was as follows:

FACIAL TREATMENTS
Individual attention.

BEAUTY TREATMENTS
Shrinking, toning, firming, cleansing, deodorizing, waxing.

CHEMISTS TO ELECT LEADERS TOMORROW
(Continued from Page 2)

The election of officers of the Technological Chemical Society for the current year will be held tomorrow.

The ballot box will be launched in front of Dr. E. G. Keyes residence at 8 A.M. It will be open for voting from 9 until 10 A.M. A president, vice-president, and treasurer will be elected at this time.

The newly elected officers will be announced at the meeting of the society, which will be held in room 301, on the evening of election day. Lagging in attendance due to the heavy demand, the society will consist of the United States and Provincial Section Committees; the Committee of "Experiments in Nutrition," the Committee of "Insects in Industry," and the Committee of "Chemistry in the Classroom.

The Committee of "Experiments in Nutrition" will be represented by S. S. S. R. Tandler 26 has been chosen as chairman and president of the Committee for the coming year and 1926. 1927, 1928 years. His work, the executive, the responsibilities, the committees, and the president, will be carried on under the direction of General Manager, who is in the Boylston Hospital with a broken leg. Dr. H. Freeman, who is President of the Boylston College, is to take charge of the new district.

The Committee of "Experiments in Nutrition" will have the greatest influence of all the committees and that it will make a good record for the Society.
