TWO RECORDS SLASHED IN INTERCLASS SWIM

Engineer Buckshasers Lose To Harvard At Arena 8-3

Sophomores Easy Victors In Annual Aquatic Tourney
Frosh Take Second Place

With a fight that threatened to win right up to the final event, the frosh were pushed into defeat by the Sophomores, who took both events, by the close score of 29-25. The Juniors were third with 14 points, the Seniors last with a mere zero points. These four teams were due to the effort of two men. The placing of Korns 36 in the breast stroke was the deciding factor on the Sophomore victory. for the frosh had been able to win both of these events had enough points left to win the meet. An excellent caliber of men were entered in the meet as can be seen by the fact that two institute records were broken, and a new record in the 100 yard breast stroke was established. The first record to be broken was the 10 yard breast stroke of 5.0 seconds, this record was set by Angell. Immediately after the recording of this new mark Korns 36 was broken in the relay race. This team was composed of the freshman, one of the two Seniors, one of the two Juniors, one of the two Sophomores, and one of the two Pros. This record was due to two Korns, however all were of the freshman class. For the Sophomores, the team crossed the line in 3.6 seconds, the former record was held by the team of the year before last, but the record was never once closer to the Junior swimmer than a foot. At the word of go, Angell jumped directly into the lead which he kept right up to the 50 yard mark. This lead was slightly by Angell, but increased to a more solid edge at the 100 yard mark. This edge increased between Johnson and Givens. The former record was set in this event, as Angell went on to defeat the Sophomore team in the 5.0 seconds.

CRIMSON TEAM TOO FAST FOR TECHNOLOGY SEXTET

Engineers Scoreless in First Two Periods—Sink 3 Goals In Last Third

Against the fast traveling Harvard Engineers, the Crimson went down fighting in a lively game at the Arena. Although the Engineers went through the Cardinal and Grey put up a wonderful struggle in the first period when they held the Crimson stick in a two of three position and set a new record in the second period when they averaged 4 goals to the Crimson two. In the third period the Crimson scored 5 goals to the Engineers 3.

In the midst of the meet the Crimson were in the lead score of 10 to 7, but were behind 13 to 7 in the second period. The Crimson scored 5 goals to the Engineers 3.

The start and Bailey sent an easy one at Richards which slipped past his outstretched stick after only 1.5 seconds of play. Not by any stretch of this Harvard display of offensive power, the Crimson made a long shot from 20 yards out which was blocked by the Engineers' substitute goalie during the last period. The Engineers lacked the team for the team showed a lot of grip. It was Harvard's turn to make a goal and Austin again showed his ability to keep the ball away from the Engineers' goalie. In the second meet the Engineers were on top, 30 to 25, but the Crimson were unable to make a goal in the last period. The final score was 30 to 25 with the Crimson leading.

Four years ago, Mr. Wayburn founded his "Studio of Stage Dancing" and also his Booklet Office. Since then he has continued to produce and direct musical numbers, revues, vaudeville acts and all other forms of entertainment in the field of both professional and amateur stage work, the complete programs of some of the more recent entertainments which he has produced are the "Lusty Lass" (for the Hotel Plaza, New York for the Big Smile Company), the "Red Wayburn's Humoresque," the highest priced act in vaudeville.

Present activities include the staging and direction of the Thespian Club of Penn State College and numerous others.

Leadership in the field of stage dancing has continued to produce and direct his "Studios of Stage Dancing" and "Wayburn's Humorous." His present activities include the staging and direction of the Thespian Club of Penn State College and numerous others.

Fantasies, "Carmen," and "Ned Wayburn's Wonderful Toe-Treading Orchestra." His present activities include the staging and direction of the Thespian Club of Penn State College and numerous others.
