Music Clubs to Participate in Phantom Dinner—Alumni Hold Banquet on Saturday

Dwight W. Morrow Dr. Stratton and Dr. Herty Speak

Program Will Be Broadcast From WTAT—Includes A Recital By Organist

Show reunion Pictures

At a meeting to be given over to the Music Clubs of the Technology Alumni Association will be held at 6:15 o'clock next Friday evening at the Boston Chili Club. The meeting will be open to all who are interested, and it is hoped that this year there will be more pictures of the All Technology Choral Union. Detroit, Michigan will be represented by two groups of speakers, who will include President Stratton, who is at this time pre- senting the performance of the Choir in that city, and Dr. Herty, president of the Synthesis Chemical Society, who will give a talk on the subject of the alumnus. The program will be broadcast from WTAT, and will be heard in all parts of the country. The Boston Choral Union will also be heard on the air, and it is hoped that this year there will be more interest in the music of the alumnus.

If it is impossible to broadcast di- rectly from Boston, the Music Clubs will give their concert and rush down the radio bands. Plans have been completed by the radio society, and it is hoped that this year there will be more interest in the music of the alumnus.

To serve refreshments

If present plans materialize the works of the music clubs will be broadcast. The Music Clubs will also be invited to participate in the All Technology Choral Union banquet on Saturday.

Dwight W. Morrow, Dr. Stratton and Dr. Herty will be the speakers at the banquet, and will be heard on the radio bands. The program will be broadcast from WTAT, and will be heard in all parts of the country. The Boston Choral Union will also be heard on the air, and it is hoped that this year there will be more interest in the music of the alumnus.

To give series of University Extension Lectures

Tomorrow evening at 7:45 o'clock, the Boston University Extension School will present the first lecture in its series of University Extension Lectures. The lecture will be given by Dr. Charles Haydn, and will be entitled "The Literary Values in Recent Theories as to Shakespeare." The lecture will be broadcast from WTAT, and will be heard in all parts of the country.

Technology's Greatest Need

A joint meeting of the Executive Committee of the Corporation and the Board of Directors of the Alumni Association was held at 6:45 o'clock Monday evening at the Alumni Association House.

One of the fundamental duties of a real college is to educate its students. The question asked by parents today when sending their boy to college is: "Where and how will he live?"

Lack of dormitories for 200 students may be overcome and the situation can be cured by building. The chemistry of dormitories and of some of the older dormitories where the number of graduates is small, can be cured by building. The situation can be cured by building. The situation can be cured by building. The situation can be cured by building.

Land is available in the immediate proximity of Walker Memorial for additional dormitories. It is possible that additional dormitories may be the pressing need of Technology.

A plan has been made for a new college building that may be erected. The building will be erected in the immediate proximity of Walker Memorial.

THE "PHANTOM DINNER"

A SHORT time before the holiday recess, the Alumni Association of the Lawrence Scientific School, class of 1927, announced that an elaborate reunion and dinner would be held in the Waldorf-Astoria, New York City, on January 19. The announcement that this occasion would be held in the Waldorf-Astoria, New York City, on January 19. The announcement that this occasion would be called the "Phantom Dinner," as the Waldorf-Astoria is an elaborately equipped hotel in New York. The idea of the reunion was conceived in the minds of several of the principal radio broadcasting stations in the country, whereby the speakers of the evening would include prominent television executives, all without connection with a television station. At the time, the association undertook the task of planning and organizing the event, which is also called the "Phantom Dinner." These of the student body who were interested in the event were interested in the event were interested in the event were interested in the event. The New York event was the first step in the promotion of the "Phantom Dinner." It was the first step in the promotion of the "Phantom Dinner." It was the first step in the promotion of the "Phantom Dinner." It was the first step in the promotion of the "Phantom Dinner." It was the first step in the promotion of the "Phantom Dinner."

The results of the "Phantom Dinner" were most successful. The event was a great success, and the New York event was a great success, and the New York event was a great success, and the New York event was a great success, and the New York event was a great success.

GIVE AND TAKE

The old struggle with student fees for keeping up-to-date the student's record of the year is renewed as the "Phantom Dinner" becomes an actual "All-Technology" gathering of the Classes of 1926, 1927, 1928, and 1929, assembled in Walker Memorial.

The acting was as good as could be, and the students who were present enjoyed the proceedings at the New York event. The acting was as good as could be, and the students who were present enjoyed the proceedings at the New York event. The acting was as good as could be, and the students who were present enjoyed the proceedings at the New York event. The acting was as good as could be, and the students who were present enjoyed the proceedings at the New York event. The acting was as good as could be, and the students who were present enjoyed the proceedings at the New York event.

The "Phantom Dinner" was a great success, and the idea was quickly extended to other parts of the country.

Natuors Meet Terrier Swimmers In Hub YMCA  
For Inaugural Contest

With both the handy and freshm'an squad meeting their first opponents this season, the opening weekend marks the opening of the intercollegiate swimming season at the Institute.

The Terrier natuors will clash with the Harvard swimmers in the Boston Y. M. C. A. pool across the street from Harvard's, and some water gunfire is expected when the inevitable conflicts, the leaves and the Terrier, attempt to decide which will be the winner. The Harvard natuors already hold a slight lead in the championship, in addition to the first and second place finishes at the Boston Christmas meet and at the New York meet of the past season, so that this will be the first showdown of both. The Harvard team, also, is little known but highly efficient, and a very strong one.

The natuors, besides this, have had their training, and with Wallingtorn, Weis, and Ralph Johnson absent, the Harvard team was able to work up a big rush.
