AWARDS MADE AT ADVISORY COUNCIL MONTHLY MEETING

Total Of Five Straight T's Awarded To Cross-Country Runners

A. A. SPIRIT IS PRIZED

Northwesterns Fair Play Shown By Boys In Soccer Game

At the regular monthly meeting of the M. T. S. Scholarship Council, held last evening at the Blake Infirmary, the members considered several matters of interest to the members of the various cross-country teams and to the cross-country team.

A call was made to the chairman of the Intercollegiate Cross-Country Team Committee, in which he expressed appreciation of the efforts of the M. T. S. Scholarship Council for its support of the cross-country team.

Naval Air Course Begins Tomorrow

Lieutenant Richard Thomas, U. S. Naval Reserve, will be on hand at 10 o'clock tomorrow morning to give instructions to the men who have been selected to represent the Navy in the upcoming Navy Air Course. The course will last for three weeks and will consist of instruction in flight training and ground school work. This includes an intensive study of the latest theories and developments in aviation.

New Year's Day...
THE TECH
As We Like It

SUNNY HIGH

The charge is sometimes made that the players are not the same every year, that their graduates are limited in skill, and that their productions are performed in places where they may be explored, and that the audience is not aware that the players have even a dramaturgical education. This is a topic for discussion.

THE WILD DUCK

At the University of Rochester, "The Wild Duck," by Ibsen, has been presented in a way that is both remarkable and unique. The director has been able to present the play in a manner that is both humorous and thought-provoking.

THE SPORT OF KINGS

Very cleverly done in true English style is "The Sport of Kings" as presented at the Cosmos Theatre.

A Touring Tuxedo

The young fellows have multiplied the functions of the typical individual, for they are able to fill many roles, including those of students, partiers, also Club dancers, they are indispensable.

An innovation will be made this winter in Technology boxing prac-
tices by Coach Cowen when he secures matches in and around Boston
for several of his men. These bouts will be solely with amateurs
and will be a great aid in not only conditioning the men but also
in giving them valuable experience and testing some of the points of
the game which should prove valuable in their inter-

Coach Haines Urges
New Men To Report
Any man who has intentions of going out for crew at the start
of the season on the water and who have had no previous ex-
perience in rowing must report to Bill Haines at the boathouse
as soon as possible, because after
the right eye gets on the Charles,
Coach Haines will not have any
time for individual instruction
for new men.

STEEL TREATERS TO VISIT LOCAL PLANTS

Students Invited To See Steel Mills With Steel Tractors

Meadow-Morrison Co. and Gillett Mfg. Co. will be visited Friday after noon by the Boston Chapter of the American Society of Steel Treatment.

The tour is restricted to members of both plants and the Society will have dinner at the lunchroom. Thursday, January 28th, at 6 p.m.

A Technical Address will be given by Mr. Gillett on "Casting for Steel Tractors." The tour will be conducted by Mr. Dr. R. D. Stewart, manager of the Meadow-Morrison Co. and Mr. Gillett of the Gillett Mfg. Co. plant.

The tour will depart from the Meadow-Morrison Co. plant, take the Boston Elevated train, change at Matt- erick Square, taking Gladstone Street car to Prescott Street.

BOAT CLUB TO HOLD CREW BENEFIT DANCE

Friday, January 15 is the date set for the first Boat Club dance of the year. The venue will be the new Social Room at Walker Memorial from 8 to 12. Music will be furnished by B.B. Boyle's Opera Orchestra.

The dance is to be a crew benefit dance, the proceeds being used for rowing equipment and scholarships for the crew. Tickets are being sold by all crew men, or may be obtained from any member of the Boat Club.
