TECH SHOW AND M. I. T. A. JOIN FORCES UNDER SLOGAN "MAKE $2000 FOR ATHLETICS"

As The Leaders See It—A. A. Union

I am sure that Tech Show as well as the A. A. cannot fail to be a great success. The reason this fact is so clear is that this year's show is devoted to the financial support of the Athletic Association. The slogan of the A. A. is "Can't Fail!," and the A. A. will do all in its power to ensure the production of the show. I believe the A. A. is the most energetic group on campus, and that it will do all that is necessary to make the show a success.

ENDOWMENT PLAN TO GO BEFORE SENIORS

Mr. Howes of the Equitable Life Assurance Company will meet the members of the Senior class today at 5:00 p.m. and will discuss the details of the plan. This is the first time the A. A. has offered an endowment plan to the seniors, and I believe that it will be well received.

FOO DOO STATED IN THEIR EDITORIAL YESTERDAY, "WE ARE VOICE OF A WIDE-SPANDED FEELING OF UNDERGRADUATE DISSATISFACTION WITH THE TECH." READ AND JUDGE FOR YOURSELVES THIS DISSATISFACTION.

THE TECH SHOW NOT SLIGHTED

In this year's Tech Show, there has been no slanting of any matter concerning the show's success. The show has been advertised thoroughly, and it is expected to be a great success.

TECH SHOW DISTINGUISHED

The Tech Show has been distinguished by its high quality of every department. It has been the best show in the history of Tech.

STATEMENT NOT TRUE

The statement in question 2 of the Tech Show "THE TECH SHOW has been distinguished by its high quality of every department." is not true. The Tech Show has been criticized for its lack of organization and quality this year.

NO PARTISANSHIP SHOWN

I believe that the Tech Show has been fair and unbiased, and that there has been no partisanship shown in any of the show's activities. The show has been honest and fair, and has followed the rules of good conduct.

M.I.T. A.A.

I believe that the M.I.T. A.A. has done an excellent job this year, and that it has shown good sportsmanship and fair play.

COOPERATION WITH THE C.A.A.

I have been asked by the representatives of the C.A.A. to endorse the Tech Show as an excellent organization, which is worthy of support.

REPORTS SATISFACTORY

The reports of the various committees have been satisfactory, and the Tech Show has followed the rules of good conduct in all of its activities.

SIGNED: B. A. Shepard '26

The Senior Class

SATISFIED WITH CONDUCT

The Walker Memorial Committee has been satisfied with the conduct of the Tech Show, and has given its seal of approval.

SIGNED: Leo McKeen '27

10 Years Ago This Week

The Tech Show of 1927, the Tech Show of 1927, which was performed every year, was especially significant in 1928 and 1929. The Tech Show of 1927 set the pattern for future Tech Shows, and the Tech Show of 1929 was the high point of Tech Show history. The Tech Show of 1927 also marked the beginning of the Tech Show as a popular entertainment that was enjoyed by a wider audience than ever before.

The Tech Show of 1927 was a major event in the history of the Tech Show, and it set the tone for the next several years. The Tech Show of 1927 was a success in every sense of the word, and it established the Tech Show as a major force in the entertainment industry. The Tech Show of 1927 was a major success, and it set the stage for the next several years of Tech Show history.

HOCKEY TEAM MEETS TERIERS TONIGHT

Engineers and Terriers Will Present Unchanged Lineup For Second Game

Eager to make up for their early season defeat at the hands of Boston University, the Technology hockey team will take the ice to face the formidable Terriers. Both teams have improved their play since their last meeting, but the Terriers still are rated as favorites. The Boston team now has one of the best teams in their history and should prove a difficult opponent to overcome.

Chippewa's tough boys recently white washed Harvards seniors, but a 6-8 score and were clasped as heavy favorites to do the same thing against Dartmouth last Saturday, but poor weather conditions made the game impossible. If the team is forced to the line tomorrow, it bodes ill for their chance on Friday against the strong Williams aggregation.

9. U. Team Strong
Bill Stewart's lineup remains unchanged. Randall will start at center, Boyden and Whipple, who paired up so well against the Mass. Aggies will be on the forward line, while Chalmers and Brooks, another pair who started in Saturday's contest, will make up the secondary defense. Captain Johnny Suggs will guard the goal.

Boston University roster contains the names of some of the top players in college hockey. Scott at mid-line is a constant source of embarrassment. If he doesn't get the puck out of his own end two or three times, Lawless at left wing is another fine play- er. Grogue, his man on the forward line is without any doubt the finest and cleverest man on the team. His ability to dribble, his uncanny eye for the cage makes him dangerous at all times.

Engineer Bob Good
Captain Laid and Vieau make up a very formidable defense, whose only weakness, however, has been placed by the Engineer forwards. Little need be said about Don Martin, who guards the Terrier cage. He has already made a place for himself in the hearts of Boston fans by his sensational shot. Technology has some very able substitutes for Captain Deignan.

Chief substitute for Captain Deignan.

MEN TO MEET PURPLE SWIMMERS

Amherst Is Expected To Give Stiff Opposition

Much encouraged after the decisive victory over Boston University, the Cardinal and Grey swimming team is preparing to repeat their inaugural showing against Amherst next Saturday when the swimmers from the President's Alumni Meet will enter the competition in the Cambridge Y. M. C. A. pool. The Amherst men were to have opened their pool activities against Columbia last night and the result of that meet will give some idea of the ability of the Amherst swimmers. A strong aggregation usually represents the talent of a first rate college and it is quite possible that this year will be no exception.

Last year's meet with the Purple resulted in a one sided victory for them to the tune of 44 to 26, but a different story is expected after the meet Saturday night.

FIRST MATE LECTURE IS THIS AFTERNOON

Is First of A Series of Talks By Coach Albright

The afternoon Coach Albright Technology's wrestling mentor, will give the first of a series of lectures on fencing. These lectures will be given every Wednesday night and should prove very beneficial to those who wish to learn fencing. The method of instruction is an innovation and is designed to create interest in the sport and to make the culture of wrestling and boxing obsolete.

Dr. Rockwell, President of the Advisory Council on Athletics, will be present at the first demonstration tonight.

IDENTIFY THE GENUINE BY THE NAME ON THE FLAP

PENCING TRIALS TO BE HELD SATURDAY

Explanation of Sport Will Be Given by Captain Cole

On Saturday afternoon in Walker Hall the fencing trials for both the Varsity and Freshman teams will be held. As an innovation a number of exhibitions with the various weapons, including the foil, saber, and epee, will be given. Because the weather conditions for outdoor fencing is rather poor, Captain Cole and others will explain the various intricacies of the sport so that everybody will understand what it is all about. Those in charge of the trials who are most interested will attend the bout and learn something about an historic sport.

Sports Desk

It seemed strange that all of the Varsity players took the news so well. "There is usually one team at least that finds it up against an opponent that is too much for it."

The game between the Engineer and Terrier hockey teams tonight should furnish plenty of excitement for the spectators. The Institute team will be out to avenge their loss to BU last Saturday and the Terriers will try to keep their recent record of success.

As a celebration for their first victory over the Terriers last week, the swimming team in turn will present their first meet against the Verriers tonight. The China Rose bowl at the final score of the Terrier cage. It was an exciting meet and built up to the usual game of the Boston pool.

It is likely that the breast stroke record, broken by Professor Alb- ert Finchus, will not be the only mark to be erased tonight. As soon as some fast competition is offered in the basketball Ralph John- son is apt to be posted to a new mark in this event. In last year's meet with Amherst, he set up a new mark of 2:30.1/20 and it would be a great victory if he lowered this mark again

The Dorm Goblin Returns to Hide in Basement

Tractor Needed to Remove the Ford Touring Car From Cellar of '93

Again the Dorm Goblin has been playing practical jokes with the inhabitants of the Tech campus. From his usual cellar home he has hopped the Ford touring car that was parked on the other side of the building and was being driven by a dorm student. The dorm goblin, who is a fine motorcycle rider, was able to get the car started and make it through the basement.
