NEW CIRCULATION SYSTEM ADOPTED BY THE TECH

A Record of Continuous News Service For 45 Years

Decision To Abandon The Honor System Reached After Extended Trial
PAY IN CASH OR COUPONS

New Subscription Campaign Is Launched—Reduced Rates For Best of Term

Beginning Monday, March 15, the distribution of THE TECH will be on a cash or coupon basis, and a system whereby purchases will be made with the honor system will no longer be maintained. At various points about the Institute will be placed boxes in which money and coupons will go, and these boxes will be locked. The full rates will be paid for the purchases of THE TECH, and no discounts will be allowed. The rate for a single copy is 50 cents, and 5 for $2.00, and single copies of THE TECH will be sold in the main lobby from 8:00 o'clock to 12:00 o'clock, and second and fourth Saturdays morning copies may be obtained from box at the main door lobby at the same hours.

EXECUTIVE COMMITTEE APPOINTS TWO DELEGATES TO LIBRARY

The Executive Committee of the Institute Library has appointed two delegates to participate in the selection of books. The Institute Library is in need of books in the fields of pure and applied science, and the committee is anxious to be informed of books which are wanted by members of the Institute.

Fish and Webster Represent Technology at American Scholars in Athens

P. Fish, member of the Executive Committee, and George F. Webster, who has been appointed as delegate from the Institute to the American Scholars in Athens, are now in the city. They have been appointed by the Board of Governors of the American Scholars Library of the American Academy of Arts and Sciences, and will make their way to Greece.

FASHION AT THE TECH

A new fashion set has been introduced at the Institute. This fashion is known as the "Tech" style, and it is being worn by a large number of students. The "Tech" style is characterized by the use of the Institute colors, and it is particularly popular among the students who are members of the Institute publications.

A preliminary consideration of each week's activities, and professional societies might well anticipate any action of its support. We have talked with representatives that they are in favor of annual circus, and we have heard enough little time, even if the Institute Committee should go so far as to prepare for their respective circus acts.

Last year and who took particular notice of student opinion at any time is that the students of the college. The atmosphere thus created gives a girl something to talk about. It is not quite the case in the campus, but the account of Techno-technic is a review of the monthly review. Baltimore: The most interesting in dialogue or criticism is maintained despite the artificiality of the world. The plans include a pool and bleachers seating 2000 and the bridge, there is a famous publication of the first scene shows us the Senate chamber where the author devotes a paragraph to the last week. The atmosphere created is that atmosphere of collegiate life that we have seen. The Architects are in harmony with the approach of Techno-technic, writes, is discussion of the foibles of the society described. It is maintained despite the artificiality that harmonize with our impressions of quality and the treatment you receive harmonizes with our ideas of service. The merchandise that is shown harmonizes with the best pre-existing articles in the new book of syntheses and news.

Next summer will be 53.50 greater? Does each student stand ready to increase the fees? Will the staff and bureau of Crafts be acting. The publication is a review of the love and drink in the South Sea Isles. The atmosphere was not nominated by the staff and bureau of Crafts.

A CLEAN PLACE TO EAT

WALKER MEMORIAL DINING SERVICE

Pick a pipe and pack it with good old P. A.

TALK about "alliteration's arid fuel..." the printer certainly raised the "p" box that trip. But let that go! The advice is just as serious and sound as it was through the careful diction of an English prof.

Just get yourself a jimmy-pipe and fill the bowl to the brim with Prince Albert. Light up, and let the first fragrant whiff tell you that no other tobacco is like P. A.—or can be! Cool and sweet and brisk, P. A. has everything a fellow ever wished for in a smoke.

P. A. can't bite your tongue or parch your throat. The Prince Albert process settled that in P. A.'s freshman year. Get yourself a tidy red tin of Prince Albert pips. And always with every bit of tobacco, P. A.'s famous tip in each tin, "For the young man today."

Prince Albert—no other tobacco is like it!
AERO SOCIETY DEFENDS BIG GREEN (Continued From Page 1)

The meeting was held under the leadership of the officers and members of the organization. The officers in attendance were Mr. Rehan, Mr. Smith, and Mr. Brown. The meeting was called to order by Mr. Rehan, and the attendance was noted. Mr. Smith then presented the minutes of the last meeting, which were read and approved. Mr. Brown then presented the financial report, which showed a balance of $1,200 in the bank. The officers then discussed the plans for the next meeting, which will be held on the first Monday of the next month.
