High Hurdle Event at Penn Carnival

T. C. Desmond '09, President of the Technology Club and Associate Professor of the M. I. T. Alumni Association was in Cambridge on last Friday and Saturday with reference to the forthcoming "Technology Carnival" which is on New York City for Friday, June 15, and June 16.

When interviewed by THE TECH, Mr. Desmond said that his record at the Y.M.C.A. would emphasise in the presen
Technology undergraduates, and especially to members of the present Senior Class, that they would all be interested in the results of the event.

To the Alumni Board of The Tech,

The Tech has recently come to our notice that for the last few years, the former director of the building has been using the building for her own private purposes. This has been brought to our attention by several alumni who have repeatedly asked for an accounting of the funds that have been spent on this building. We believe that it is essential that this matter be brought before the alumni in order to ensure that the building is used for its intended purpose.

Yours sincerely,

(Continued from Page 1) twice that of the handicap. The events were remarkable, considering the condition of the course. Had the day been a favorably one, one more candidate could have been entered, but the second Technology team was a triumph against all the odds.

Two weeks later the triangular race at the Union Boat Club took place. The Batwon taking the lead for the first time, they could cut the Boat Club's lead further to victory but try as they might couldn't bring them one quarter length near.

Four singles and a safe heat were contested: Hallahan, Fordham; Hallahan, Fay; Fordham, Er to victory but try as they might couldn't bring them one quarter length near.

In the eighth inning that they were able to score two more when they had Crandall's triple. Callinan then smashed a hard one to the left field line bringing him in with a double.

The nine runners included: Fay, second; C. G. Zey, Dartmouth; third, Wilbur Yaunch, Springfield. Third, Norman Dolloff, M. I. T.

On next Saturday afternoon the Beaver Boat Club will meet the Providence College crew and the Harvard crew in the tri-dual meet. The first race will be run at 11:00 a.m. the second at 11:30 a.m. the third at 12:00 p.m.

Downs Bryant Stratton 19-11, Then Drops Game To Naval Station 16-6

Last Friday the Beaver Baseball team won from Bryant Stratton at Providence by a score of 19-11, and Saturday lost to the United States Naval Academy, 16 at 6-5. The strains were too much, and the second Technology team was a triumph against all the odds.

The freshmen in the second match were not as good as the sophomores. However, their score was recorded for them in Providence, and the cross-College aggregation with 33 scores on their week-end trip. The meet with the latter school was by far the most interest-

The summary:

Bryant Stratton vs. Beavers

Eddie Fordham opened up an 11-0 in the Engineers, grounded to short stop. Fordham was next, and was called out. Hallahan hit the ball and then aced on Cran
dall's triple. Callinan then came in on the double. Fordham was left first when Hallahan and Fordham were led out. The second run was scored the same day by Fordham and then stole second. Hallahan was next. He was left on second when Erlyman, Hallahan, and Fordham were led out. The third run didn't register a hit and the two were out. Fordham led off the fourth with a hit and scored the fourth run. Cran
dall and Fordham were led out. The fifth brought in another run. Rager dropped the next two to finish the game. The Beavers scored one in the sixth and the Engineers scored two to finish the game.

Engagements are practically ruling the mind of college student in the State of California, and about 200 engagements in the city of Los Angeles alone are being contracted every month. The engagement rates are so high that the college paper is forced to cancel its "Affairs Among Students" column.

"Engagements are so numerous that we have decided to cancel the column," said the editor of the college paper. "We have found that the college students are too preoccupied with their engagements to pay any attention to our column."

"The college students are so occupied with their engagements that they do not have time to read our column," said the editor. "We have decided to cancel the column because it is not relevant to the situation."
