LAURENCE ACADEMY DOWNS SOPHOMORES

Prep School Outfit Plays Heads-Up Football to Win Game

In their opening game of the season, the 1927 football squad went down to defeat before a remarkably powerful and well-trained Lawrence Academy team at Green last Saturday. The winners boasted a fast and heavy set of backs that knew how to carry the ball on straight football. The game early developed into a contest of breaks, with the prep school boys taking advantage of their opportunities.

Lawrence kicked off to the Bishops at the opening of the game, but soon returned to the same. After a few yards to the line, the Terriers started to resort to a forward passing game, but two or three of these passes were intercepted and the Bishops started to attempt to score the touchdown. Mccall, Soph halfback, picked the ball up almost under the goal posts, and ran it back nearly to the center of the field before he was brought down by the Terriers. It was practically the only time that the Bishops were able to gain a first down.

This first half was a see-saw affair, as the Bishops accomplished an astounding upset when Lawrence was held to a score of one. In the second half, the Terriers came into their own, and the score was increased to 15-0. With only 10 seconds left on the clock, the Bishops kicked off to the Terriers, and the latter started to carry the ball off the sidelines, but were brought down by Bob Smith. The Bishops then attempted to score the touchdown, but were stopped just short of the goal line.

In conclusion, the Bishops showed a good defense, which held the Terriers to one touchdown, and a good offense, which scored two touchdowns. The Bishops were not only the winners of the game, but also the victors of the season.

In conclusion, the Bishops showed a good team spirit, and their defense was superior to that of the Terriers. The offensive play was also improved, and the Bishops showed that they are a strong team.
