William B. Thomas '29 is Selected to Head M.I.T.A.A.

P. F. Donahue '29 Elected Vice-President; J. M. Bixler Made Secretary

ELECTIONS

Successful Candidates Will Not Take Office Till End of April

William B. Thomas ’29 will be president of the M.I.T. A.A. for the next four years, it was decided at the election of the association last Sunday afternoon. Paul F. Donahue ’29 was adopted as vice-president and J. M. Bixler ’29 as secretary of the association. The new officers will take office after the class of 1929 has graduated.

Technology Wins New England Rifle Title

Louis W. Shadley, president of the M.I.T. A.A., congratulated the rifle team and the students of the university for their achievement in winning the new England rifle title for the first time last Saturday.

Harold Hamilton '29 is Chosen as New T.C.A. President

M. Richard Boyer Elected as Vice-President—Rich is Treasurer

Hugh G. Hamilton, Jr. ’29 was elected president of the Technical Council of Alumni (T.C.A.) at its recent meeting. It was also announced that M. Richard Boyer would be elected vice-president of the council.

From Redemption Drive Due to Start Monday

Redemption Drive for Juniors will be on sale at $2.50 per student and, at the same time, the last week of the sophomore year, the students will be able to sell for redemption the certificates that have been purchased. This plan of redemption will not be available until the end of the sophomore year.

FACULTY EXTENDS SENIOR MAKE-UPS OVER FOUR WEEKS

M.I.T.A.A. Makes RECOMMENDATIONS

Asks Award For Track Meet And Freshman Swimming; Names New Members

Many recommendations for awards and appointments were made at the last meeting of the committee of the M.I.T. A.A. on Monday afternoon. A motion was passed that the following awards be made to the students of the university:

President invites Aircraft Engineer

Mr. George J. Mead, chief engineer of the Pratt & Whitney Aircraft Co., is to be the guest speaker at the Fidelity Club meeting held at the Harvard campus on Tuesday.

Electrical Engineering Students at Worcester Tech Win Title

Men managers, students were elected as managers of the men's team at the Worcester Tech field hockey titles.

Technology Students Win PT League

The winning of the new England rifle title by the M.I.T. A.A. is due largely to the efforts of the entire student body.

Garrett H. F. Hay, a member of the staff of the M.I.T. A.A., has been elected as the manager of the winners.

In the first week of the spring term, the students of the M.I.T. A.A. will be able to attend the following meetings:

The motion was also passed that T. J. Drost be appointed swimming manager for the coming season, and that C. H. Amstrong be the manager for the swimming team.

Dr. Stratton Calls Freshman Meeting

Yearlings Will Hear Talks By Professors on Choice of Courses

President Stratton has called a mass meeting of the freshmen in the auditorium, Room 102, Thursday, March 29, at 3 o'clock.

Dr. Stratton will make a general statement and will render advice to the freshmen on the various courses which are open to them.

Professor Davison to Speak at Lowell

Professor Archibald T. Hixson of Harvard University will be the second of a series of four lectures on "Rural Problems" before the Lowell Institute, Thursday, March 19. The course will be held in the auditorium of the Lowell Institute.

The lecturer is a specialist in rural problems, and is the author of several books on the subject.

The lecture will be held at 8 o'clock in the auditorium of the Lowell Institute.

The course will be held at 8 o'clock in the auditorium of the Lowell Institute.

1893 DORMITORY TO UNDERGO REPAIR

Last year’s fire at the M.I.T. dormitories of the class of 1893 caused considerable damage. The dormitories, which had not been used for several years, had to be repaired at great cost.

In 1893 the dormitories were occupied by the class of 1893, and the cost of repairs was $5,000.
NEW men who enter the Institute each year are any more de-

what is known of the characters. The climax to the story, in which the famous Nell Gwynn is involved, is exceptionally cleverly worked out. The use to which Elisabeth Pepys puts the information that she gleaned from deciphering her husband's diary is indeed unusual. The whole story is exceedingly clever and enjoyable, whether one knows much of Pepys or not. It bears resemblance in ways to the real "private lives," and it is worthy of a place with them. It has taken a group of well-known characters of history, and by a combination of fact and fancy has given them a much wider appeal than they previously possessed.
