Professor Tyler is MAIN SPEAKER AT CAMP REUNION
Freshmen Campers Have Annual Meet-
ning

A year ago, a group of freshmen boys and girls, who had been attending
the Freshman Camp, met at the Freshman Camp Reunion. They had been
organized by the Freshman Camp Committee, and had been successful in bringing
the position. Due to her attitude on an labor issue and strikes she was later
disturbed by political interests.

At this time the Bierce-Vanderbilt strike was being waged in the Anthracite
Region. The strikers were on strike because one of the members of the
strike committee was dismissed from his position. The strike continued for about
six months before it was settled.

It was here present at the Freshman Camp
Committee that later caused her to be ar-
rested. She was tried under the charge
of vagrancy, but was acquitted. The meeting
will be held at the Freshman Camp Reunion. The
meetings will be held in the Emma Rogers Room on the
main floor of Building 90. The meeting will be open to all the men in the Class of 1930 come
and take part in the discussions. The
meeting will be held at 9 o'clock until 5 o'clock.

Winning this year's election, he was named
as the President of the Class acting as
the President of the Class. He is also the Manager of Basketball and Charles
Walker. The next freshman mass meeting,
will be held on Tuesday night at 8:30 o'clock
outside of the Freshman Camp. The
following students have been selected for
the meeting: Professor Robert E. Hapgood,
and Assistant Professor R. D. L. Hapgood.
The meeting will be open to all the men in the Class of 1930.

lecture was given to about 200 undergraduates who were present. It was attended by many of the students of the school who were present. It was attended by many of the students of the school who were present.

As a fitting climax to the get-to-
gether, a large group of classmates was
presented to the highest scorers in the
competition for the handicap. The
top event was the one mile run, and the
highest scorer in this event was a student of the school. The second highest scorer was a student of the school. The third highest scorer was a student of the school. The fourth highest scorer was a student of the school. The fifth highest scorer was a student of the school.

**PROSPECTS FOR A WINNING VARSITY CREW ARE BRIGHT**

Close Competition is Expected for Oarsmen in First Three Boats

Prospects for a winning crew this year are more evident with the return of a crew that won the varsity 4 two years ago. The Varsity crew rowing in the Boston Boat Race this year will be very strong. Among the crew are former varsity oarsmen who return this year. The coaches expect the crew to win the varsity 4 event, which is a crucial part of the varsity season. The crew will have to work hard to maintain their position, but the prospects are promising.

**FIFTY RIFLEMEN TURN OUT FOR FIRST PRACTICE**

Two Stars of Championship Team

Lost by Graduation—Many Veterans Back

LONG SCHEDULE PLANNED

Practice for the varsity rifle team started yesterday, when over fifty members of the team reported for practice. The team is one of the most successful in the country and is composed of some of the best oarsmen in the nation. The team has won many championships and is expected to do well this year. Practice will continue every afternoon to prepare for the upcoming season.

**SOPHOMORE RELAY SQUAD HAS EDGE**

Time Trials Premise New Record for Interclass Relay November 2

Time trials for the interclass relay are now being held every afternoon, and the results will be published in the next issue of the college newspaper. The relay is an important part of the varsity season and will determine the team that will represent the varsity in the upcoming tournament. The team with the fastest time will be the winner.

You can stand on any boat — but you don't have to stand. Get the good boat in college. We Numn-Bush oarsmen, fashioned to sit at the ankle and hoof. No gapping. No slipping.

**KIIM ELIMINATED IN TENNIS TOURNAMENT**

Kim, the winner of last year's tournament, was beaten by Coburn in the most startling upset in the history of the tournament. This was quite a surprise because Kim had been an exceptionally good tennis player. The score of the match was 14-6.

**FRESHMAN TEAM IN FOR STRENUEOUS WEEK**

Assisted by Three Coaches

Football Hopeful to Improve

Hoping to overcome their many setbacks, which were very apparent after their loss to Boston University, the freshman football team is going through a strenuous practice week, assisted by three newly acquired coaches. The coaches are directing their efforts toward gaining better team play and a more unified offense which they feel will be a key to victory. Practices will be held every afternoon to prepare for the upcoming season.

PARENTS RECEIVE WARNING LETTERS FROM PRESIDENT

No Celebrations Of Institute Grounds to be Allowed on Field Day

EXPULSION IS PENALTY

All parents of freshmen or Sopho-

more members reserved during the three day period preceding the dance have been advised by the President of the Student Government that the following measures will be taken to prevent rule violations:

1. The dance will be held on Field Day at 4 o’clock. A general Hoover rally will be held at 5 o’clock. All representatives are requested to be present.

2. The dance will be held on Field Day and the days immediately before and after.

3. The use of class colors will be allowed for 25 years. Details of other colors will be announced in a future issue of THE TECH.

The communications quoted the recommendation of the student government that "in order to prevent the students from being able to participate in the undergraduate social activities," the students are not to be allowed to participate in any other activities.

The President of the Institute is requested to support this decision by giving notice to the students to suspend themselves to his decision.

The ruling was adopted to prevent any unorthodox behavior on Field Day and the days immediately before and after. The use of class colors will be allowed for 25 years. Details of other colors will be announced in a future issue of THE TECH.

The communications are sent to the students to remind them of the fact that the dance has been called off and to prevent any unorthodox behavior on Field Day and the days immediately before and after. The use of class colors will be allowed for 25 years. Details of other colors will be announced in a future issue of THE TECH.
