FRESH TUG-OF-WAR TEAM LEADS SOPHS

With the big day only a week away the Fresh still hold the edge in their showing at tug-of-war practice although the second year men are beginning to show interest as Field Day approaches. Varisty Expacts Victory—Will Use Same Lineup as in Dartmouth Game

Both the Varisty and freshman soccer teams will have games on the Crop Field tomorrow, the Varisty taking on a strong Oxford team while the freshman battle Dartmouth at 2:30. The Oxford team is rated by the coaches as the equal of the frosh team. Dartmouth is coming off a good game against the Big Green and the frosh also had a close game against the Big Green.

Field Day Crews in Good Shape

Frosh Average Twenty-Five Pounds Per Man More Than Sophs

With the Field Day crew race only one away both the frosh and soph teams are working hard to get the finishing touches on this year's crew. At this time of the year both teams are putting in the last effort before the last big workout which is before the race.

The Frosh have bulked up more than the sophs. The Frosh have added to their weight and the Sophs have just about maintained the weight they had at the last workout. The Frosh are expected to break the record set last year.

Not a cough in a Film-ful" says Norma Talmadge after the Blindfold Test

"When you see my new United Artists' picture, "The Woman Disputed," you will notice that I smoke cigarettes in several scenes.

"Not wanting to show partiality to any one of the four leading brands, I decided to make my choice via the blindfold test, which I had heard of many times. Happily, I picked One Cotto.

"I found them smooth, mild and delightfully cool... Hereafter, when I am required to smoke I shall naturally insist on One Cotto. There's not a cough in a film-ful."
