After Year of Success in Basketball

In the last game of the season the Cardinal and Grey will meet the Tufts five in the Hangar Gym tonight to close their yearling season. The Vanady varsity game will encounter the Tufts freshman final game of the year.

Although the Woodsmen defeated the New Hampshire Wildcats handed them, the Engineers have been spending the past two days in ascribing to the game that they are ready for the Tufts aggregation. The two teams are known to fight their hardest to come through with a clean victory. They are likely to leave them unfettered on their home floor.

Tufts Has Strong Team

The Tufts team is an altogether different ball game from the Engineers, as the Missus boys have had a

M.I.T. and as the Medford boys have had a
time of it. Both of these men have been rated as two of the best basketball men in the East. Capt. Bernard Brocklemann is well known for his skillful play at the guard position and the ability to make his passes. At the same time the Advisory

MERMEN WILL MEET BROWN TONIGHT AT UNIVERSITY CLUB
Swimming Team Will Meet With Strongest Rivals of the Season

BROWN HAS STRONG TEAM

Tonight the swimming team meets Brown at the University Club in what promises to be the stiffest contest this year. The Brown team has the most powerful teams in the East, including the New York and West Point and Columbia.

The natators this year have one of the most powerful and well balanced teams ever assembled. Coach Russell Dean has been outclassed by the large number of new Technology rivals that have been broken. Nevertheless to outclass the Brown bears will be an almost insurmountable calibre.

Lory Is Best

Although the Cardinal and Gray is strong in nearly every event and both back stroke, the Forty yard medley, Captain Larry Luey is the best in the 100 yard freestyle. According to Luey, he now holds the New England meet championship. The old record was held by Brown of the University Club broke by Luey as the best in the meet with W. P. I. Captain Luey, a junior, has been on the Institute record, having taken the 100 yard free stroke medley. Mackay has shown up unusually well in the 125 yard medley relay, both in the individual swimming and in the three hundred yard medley relay. Despite the fact that he is only a Sophomore, he cut down the 100 yard back stroke by seventeen nineths at West Point.

Two More Meets Scheduled

At Brooklyn Tech grille made an excellent showing in the hundred yard freestyle, and in the 200 yard medley. He should undoubtedly put up a good fight in the meet with Brown relay. He should undoubtedly put up a good fight in the meet with Brown relay. Captain Chuck Dorsey, M.I.T., by time advantage of 1 min., 27 secs., defeated M. T. Z., by time advantage of 4 mins. 21 secs., in 21 mins. 45 secs., with a hammer travelling stroke and at least one or two other events.
