HARRIERS WILL RUN AGAINST CRUSADERS AT FRANKLIN PARK

CARDINAL, GRAY TEAMS PRIMED FOR RACE WITH PURPLE

Cruisaders Have Won and Lost Twice in Engagements With Former Meets

BRENNAN IS H. C.'S BEST HANDLEUP WILL BE HELD ON TECH FIELD TOMORROW AFTERNOON

Technology cross country will start its regular season program this afternoon when it sends out 3 of its freshmen with a freshman and a sophomore to compete against the Gray College. As the series stands now in the conference's composition, the cruises have two meets and Technology has none. With the cruises desiring to meet each other, there will be some exciting competition for the three East teams over the history of the cruises' running in college. The cruises have the edge, running in the East for the last four years since they started competing.

Me桂t Will Not Run

The meet will run in a direction of six miles in distance. The cruises will place last year for the Engineers in the East Conference the day before this. So it is no surprise when the cruises are expected to run particularly. An additional note is given that the cruises will be the hosts of the cruises.

Dr. Tryon Will Address Students at Twenty Seven A's Tomorrow

Dr. Tryon, director of the A-I school of Oklahoma, Kansas and Colorado, be- longing to former Technology Freshmen, will speak at the A-I High School on Wednesday morning before the team outing. It is to be hoped that the students at the school will not have the opportunity to listen to Dr. Tryon, and will support the freshmen who will have a chance to hear him. The A-I school is located in New Orleans, Louisiana.

Chess Club Plans New Organization

Active Movement Being Made to Organize New Division

Considerable movement is to be expected in the near future in the field of chess, which is in existence several years past. At one time Technology was very prominent in the field. The Metropolitan League of Boston, and it was expected that chess would be recognized a national organization. However, it did not take up the right course, and the leagues passed into oblivion.

Between the lines, the Finance Committee of the Institute has been formed, the purpose of which is to provide funds to support the chess club. Through the efforts of the Finance Committee, the club will have an additional source of income, and will be able to provide better facilities for its members.

Five Extension Courses Offered

State Department of Education Has Arranged Courses

Five courses for seniors have been arranged by the Department of the State Department of Education, to accommodate the needs of students. The courses will be held at convenient times so as not to interfere with the regular study program of the students. The courses will be held in various locations around the state.

EMERSON TO ADDRESS ARCHITECTURAL CLUB

Engineering Professor to Deliver Talk on "The Future of Architecture"

Dr. Emerson will deliver a lecture on "The Future of Architecture" at the Architectural Club of Chicago on December 31. Dr. Emerson is expected to arrive in Chicago about the middle of December.

Freshmen Meet to Discuss Plans of Day Field Sports

Conses, Captains Will Outline Programs for Meeting of This Afternoon

Meeting for the first time, the Class of 1930 on the campus this evening at 5 o'clock in the Student Union, will be the first meeting of the Class of 1930 and freshmen ad- dressed on their plans for the day. Among the speakers will be Oscar W. Holmes, coach of Crew; Fred Land, 29, captain of freshman football; Robert B. DeForest, president of the Freshman Bowl Committee, will address the members on the ben- efits of the press. The Class of 1929 and freshmen ad- dressed on their plans for the day will be attended by the Class of 1930 and freshmen ad- dressed on their plans for the day.

Technology's crew schedule for the spring season of 1927 has been drawn up by the American Rowing Association at New York. This Engineers will meet Navy on May 3, Tech on May 10, Princeton on May 17 and Yale on May 24. This Engineers will meet Navy on May 3, Tech on May 10, Princeton on May 17 and Yale on May 24. The schedule is complete in form to April 14, Technology vs. Navy on April 15, Technology vs. Harvard on May 3 and Princeton on May 10.

The annual race with the Navy for the championship of the East will be run on the same course as the Tech. The Engineers are expected to make a good show- ing this season, and they hope to get off to a good start at that time. Navy will be their first opponents, and they are expected to be in good condition for their opening event.

Due to the fact that the Princeton Rutgers meet on April 26, the M. I. T. Tech meet will be moved back one week. Princeton was not able to run on the same course as the Techducers because of the schedule. The Techducers are waiting for the chance to arrange a meet with the Princeton Techducers.

The Techducers will meet Navy and Cornell in the spring season of 1927, together with the crew from the Connecticut.

ENGINEERS READY FOR HOLY CROSS

Crimson Harriers Defeat Holy Cross in First Meet of The Year

(Continued from page 1)

Karl Holbrook

Three freshmen have been in the track room this week but as yet both have not been many minutes. The meet at the last meet this afternoon at Providence Park. This week they kept open until the time for the meet to start, in order to get as many composite if they feel qualified to do so.

Purple Defeated by Harvard

The Crimson men have a slight edge on the Massagettes due to the fact that they have already participated in the Intercollegiate competition this fall. Two weeks ago they met and were defeated by the Crimson squad of Harvard in Cambridge. In this Massagettes showed up the best for the visitors. Last year their place did not attract the attention of the Harvard men this year. The Massagettes scored the only second to Captains Travis. They may be expected to be the greatest threat among the College sportsmen.

RELAY TEAMS TO BE ANNOUNCED MONDAY

Fourteen Men Will Be Picked

From Those Who Qualify

Based on the results of the time trials held last week, the Sophomore and freshman relay teams are picked for their annual race on Field Day. The interval of the men making the teams are not to be released until next Monday but they will be published in the Monday issue of THE TECH. The Sophomore men will be in the four trials to report on Monday afternoon and the teams will be picked the latter part of this week. Fourteen men will be picked from each class to make up the relay teams. The times in the trials this year are considerably slower than those of last year. The present Sophomore class members are much faster on an average than they were last year. The lightning freshman class seems to have a slight edge on their opponents and a great race may be expected.

INELIGIBLES ISSUE CALL FOR COXSWAINS

Enthusiasm Among Transfering Students Continued

Several crew enthusiasts who are ineligible for the Harvard-Harvard regatta on November 16th. Although the crew is unable to meet the requirements, and valuable Varsity material for the following years has come from these crews.

These men are badly in need of a coxswain who will be present at practice tomorrow and arrive the idea for them. A few lightweights who areConsidering the idea for these activities in this manner will be welcome.

Along with their call for a coxswain, the men also extend their invitation to other ineligible who have not been out for crew this year. They feel that they have done enough and that the rest is up to their captains to find a regular Varsity. Such men who wish to have valuable experience and receive coaching when time permits.

"Interference?"

It looks like it, but are you sure? What do the new rules say? The New York Herald Tribune is paying special attention to the new rules in its football news these days. Do you read the Herald Tribune? It's a clearing house for football news—dispatches from the "camps" about players and coaches—graphic, pulsating stories of every important game, including those of your college, written by men like Grantland Rice, W. O. McGeenan, Fred Hawthorne, Don Stone, W. B. Hasen, Richards Vidor. It may mean a lot.

They write football as the good teams play it—with fire and dash and careful attention to detail.

You needn't limit your football enjoyment to Saturdays if you ask the newspaper in your town to see that a copy of the Sunday New York Herald Tribune is reserved in your name. And if the day to "dope" between games increases for you as well, you'll find that, too, every weekday in the
