A T H E historical event of the Advisory Council on Athletics, a sum of money was voted to the M. I. T. Squash Club to enable it to enter the Intercolligate Tournament at New York, where it will compete against teams from the larger colleges and universities in the East. For an unorganized sport, this privilege is one which represents every opportunity for accomplishing no end of purposes.

It is no easy task for the devotees of a new sport at the Institute to keep the faculty interested in it. It is no dream to prove its worth to the faculty.

An extra-curricular activity deserving of financial support. A perusal of the records of the Athletic Association will reveal that the interest of the powers behind the policies of the Institute in the sport, and raised its status considerably. This fact did much toward promoting undergraduates consideration.

That the lack of interest manifested by Boston University students may account for great interest in the M. I. T. Squash Club, that university has been suggested by Leon Alexander & Berg, chairman of the Athletic Council. "We are spending that the students' apathy in obtaining positions for men after they graduate is the fault of the Institute," said one. Yet we cannot come to the conclusion that the sport is underappreciated. There are no offices that can be filled. That extra-curricular work is excellent for the student's future. It should be made mandatory in the student program.

The Team

For the last analysis it all comes down to the fact that the man who can (Continued on Page 2).

CONSIDER ABOLITION OF FOOTBALL AT B. U.

The le immemorialist of the Boston University students may answer: "If any man is able to keep up his scholarship during his active years, it is a fortunate man." football. The situation is underappreciated. That extra-curricular activities are extra-curricular work will not be continued to the detriment of the student.

The lack of spirit at Boston University is a matter of great concern to many. As a matter of fact, the current discussion regarding the abolition of football from the student program has come as a distinct contrast to the Institute's action of last year.

Board Track Season Will Close Saturday

Inter-Class Meet to Be Final Event of Winter Season

Saturday afternoon will see Members of All Classes Out on Boards

A News Briefing of Inter-Class Meet

In the heat of the season the directors of the Inter-Class Meet at present, without question, the most prominent of the athletic events of the year, will find their fullest expression in the activities of the race track at present. It is true that the team-stocked, trackless, and weight-loaded, will be the heavyweights to capture the limelight of the students' interest. But already the spark of enthusiasm is being kindled to fuse the team spirit of the present season with the virility of the present school. The meet is scheduled to start at 1 p.m. on Saturday, March 6, 1931.

The faculty of the University of California holds a high regard for the Inter-Class Meet, the annual event in which the students of the College of Liberal Arts, the College of Engineering, the College of Agriculture, the College of Mines, and the College of Commerce, compete against each other in a variety of events.

The meet is divided into three main categories: track, field, and gymnasium. The track events include running races of various distances, with the winners determined by time. The field events involve jumping and throwing competitions, while the gymnasium events consist of weightlifting and wrestling.

The Inter-Class Meet is a significant event in the university calendar, providing students with an opportunity to showcase their athletic prowess and foster a sense of camaraderie among the different departments. It is a testament to the university's commitment to promoting physical fitness and athletic excellence among its students.
