Several members of the Tech show staff who are planning to earn their dinner at the regular Monday night basketball game here at Tech tonight have reported that the game is expected to attract an immense crowd, and that extra seating arrangements will be made available. These arrangements will eliminate the usual inconvenience, and will provide a comfortable and enjoyable setting for the game.

Colloquium Will Discuss Problems About Telegraphy

A colloquium will be given on the subject of Telegraphic Engineering by C. Y. White on Monday and Tuesday in the main lobby of the Student Union. This colloquium will give the students an opportunity to discuss problems and solutions with the experts in the field. The colloquium will focus on the latest developments in telegraphy technology and its applications.

URGES INSTITUTE MUSEUM ADDITION

Carlson Declares Technology Has Admireable Nucleus For Exhibit

Quitting his position for the day, the director of the Institute Museum, Dr. E. C. Carlson, declared that the original nucleus provided for the exhibit has been admirable. He stated that the fact that such an exhibit would be of ultimate value to the student. Mr. Carlson feels that it has even a direct bearing on the future of the exhibit.

TICKET SALES CONTINUED

Several members of the Tech show staff have been stationed outside the Tech Auditorium to sell tickets. The staff is working hard to ensure that all tickets are sold before the show starts. It is suggested that in spite of this, reserved seats will be available for the show.

URGES INSTITUTE MUSEUM ADDITION

The exhibit at the Institute Museum is being expanded to include a larger number of exhibits. This expansion will provide more opportunities for the students to learn about the latest developments in technology.

FRESHMEN WILL HAVE NO DANCE THIS YEAR

Mistake In Dates Forces Frosh To Call Hall to Plans

"Due to the excitement of dates, the freshmen had no choice but to make changes in their plans. The party was originally announced for February 28, but it will now be held on March 14. We apologize for any inconvenience this may cause, but we felt that it was necessary to make this change."}

Phosphorous Promises Brilliant Debut

Phosphorous has exceeded his expectations in getting his order of business, and has been provided with an overnight makeup with art work. As a result, he is now ready to start work. He has already completed his initial assignment, and is expected to have his first batch ready by the end of the week.

WESTERN AWARDED MINE IN KEY cosy

For their work on the freshman football team, Western has been awarded a mine in the Key cosy. This is a special award given to the team that contributes the most to the morale of the freshmen. The mine will be a valuable addition to the team's collection, and will be displayed at the annual picnic.

Wanted: Way To Stop Book Disapparances

Unusually brisk trades in the second hardback book department conducted by the T. C. A. has been marred by a数目 of cases of book disappearance. Since the beginning of the term, a total of eighty-five books have been reported as stolen, and there is a possibility that more will be reported. It is possible that the situation can be remedied. One individual who has reported the theft of his book has requested to pay for the replacement. If anyone has information about the theft of a book, they are encouraged to come forward.
Failure for the Best  

A long and disheartening uphill struggle to be solved.  

The first opinion which the promoters of the occasion met was in the Institute Committee, where considerable discussion arose as to the financial capability of the class as a whole.  

The calendar?  

This year marked the first attempt to catalogue the dates

LACROSSE BEGINS YEAR WITH MASS MEETING MONDAY

Seven Games on Schedule For Varsity—Freshmen To Play Four

Lacrosse will inaugurate its third Varsity-Tournament season Monday night at five o'clock at the Hunger Club. The program will be held both tonight and tomorrow night, the finals starting at seven-thirty p.m. Saturday evening.

Two teams comprised of alumni from the Tech and the other from the freshman, on account of injuries. Then, V. I. has been wrestling in the 155-pound class with considerable success in his last meeting, in addition to a fenced art. At first, the 15th season to bolster this year's team, with a good prospect of his wrestling ability, and when the doctor cleared that up, the selection was made.

Captain Pritchard will be wrestling his last matches for the headquarters of the Tech, and we wish to see the Tech take its place in the Intercollegiate League. The following teams have taken part in previous matches:
