JOHN M. CARMODY TELLS MEMBERS OF CORPORATION XV LENIN IS GREATER INFLUENCE DEAD THAN HE WAS ALIVE

Prominent Management Engineer Who Spent Summer in Russia Tells of His Impressions and Experiences; More than Fifty Students and Faculty Members Responsive to Call for Attendance

speaking at the Corporation XV dinner meeting in the Union, John M. Carmody, editor and publishing director of the "Factory and Industrial Management," was appreciably more than the usual Society of Industrial Engineers, and his appearance at the dinner held in his honor on the occasion of his return from Russia was a signalized event for the present psychological basis seventy-five. At least two hundred is the number which met in baservant at the dinner, and now in his third term 301 at Meeting in Room 10-250.

Prominent Socialist Who Will Address Liberal Club

NORMAN THOMAS SPEAKS TODAY AT MEETING OF M.I.T. LIBERAL CLUB

CAUSES FOR WAR IN ECONOMIC INJUSTICE WILL BE HIS TOPIC

Prominent Socialist Leader Has Run For Many Offices During Career

SPEAKS IN ROOM 10-250

Norman Thomas, Socialist candidate for President of the U. S., in his book "The Road of War in Economic Injustice," in Room 10-250 at 3 o'clock today. The meeting will be held under the auspices of the M.I.T. Liberal Club.

Leader of minority party, Mr. Thomas has drawn large crowds from many of his opponents for his integrity, honesty and extensive knowledge of city government. In these November elections last year he was endorsed by brendon president of Mellon, of the Rockefeller Foundation, by George W. Wickersham, an outstanding member of the Republican Party.

A Princeton Graduate

Mr. Thomas was born in Cleveland, Ohio, the birthplace of late President Harding. After graduating from Princeton in 1904, he traveled extensively for a year. He then attended the Union Seminary, in New York City. Upon graduation in 1906, he became minister of the American Parish run by the Presbyterian Home Missionary Society. Here he became thoroughly acquainted with conditions among the poorer classes, as his congregation was composed of the Indian, Huguenot, and English-speaking elements of the East Side.

Leader of Socialists

During the war, Mr. Thomas became Secretary of the League for Industrial Democracy. He still holds this position, and since 1921 he has become the acknowledged leader of the American's most pacific speakers, Mr. Thomas as the leader of the American branch of the American League for Industrial Democracy.

Chairman of the American branch of the American League for Industrial Democracy.

Newman was able to make his in perfect shot from about the twenty-yard line into the upper right-hand corner of the net, which was practically impossible for the goalie to stop it. The third and last goal for the varsity was made by Knos, from a direct pass to him.

"This game showed that there were many possibilities for some good men for the sophomores and some for the juniors."

Senior Alderman Louis A. Wooster, and M. I. T. students attending the game, was installed as the new president of the New England Hockey Officials Association.

Sophomore Dislocates Shoulder; Two Varsity Wins in Inter-Team Game on Soccer Field

VARSITY WINS IN INTER-TEAM GAME ON SOCCER FIELD

Freshman Defeated 5-0 In Hard Game by Varsity. Last Game of Season

Two goals against their opponents' one, the varsity team defeated the freshman squad in the last game of the season. The game was played in the Corp Field, Saturday, November 21, at 3:30 o'clock.

Thus, the best play to be left by either of the teams on the full schedules, and also the best play on both sides of the football teams was left in the picture. In quick succession, the series, in which the players were to score a single goal. One of the men on the varsity practiced on their regularly assigned positions. Here on the defense played on the offense. The freshman team did particularly well in its play, but was unsuccessful in again achieving those marks which were made by the varsity in the last quarter.

Sophomore, aside from the victory, scored the first goal, bombing over the freshman's goal in the process. In quick succession followed goals by Newman and Ray. Newman was able to make his in perfect shot from about the twenty-yard line into the upper right-hand corner of the net, which was practically impossible for the goalie to stop it. The third and last goal for the varsity was made by Knos, from a direct pass to him.

FOLKS who smoke really fresh cigarettes made from choice sun-ripened tobaccos never have to give a thought to their throats.

That's because such fresh cigarettes retain natural moisture — and are gratefully smooth, cool, throat-friendly, mild.

Camels are the fresh cigarette — everyone knows that now — they're blended from the finest Turkish and mild Domestic tobaccos that money and skill can buy.

We would never dream of parching or toasting these choice sun-ripened tobaccos — that would only drive off or destroy the natural moisture that makes Camels fresh in nature's own mild way.

The Camel Humidor Pack protects a fine cigarette fresh with natural moisture — it could do little or nothing to freshen a cigarette that is dried-out or factory-stale.

If you smoke for pleasure, see for yourself what freshness means in mildness and flavor — switch to Camels for just one day — then leave them, if you can!

R. J. Reynolds Tobacco Company's Coast-to-Coast Radio Programs:
CAMERA NEWS: Executive Director, Anne Darrow; Tom Wills; and Camel Orchestra, direction: Jacques Hunch.
CAMEL QUARTER: June 1; and Camel Orchestras, direction: Jacques Hunch.

See local paper for time.

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against perfume and powder odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack delivers fresh Camels and keeps them right until the last one has been smoked.

Camels are never parched or toasted!
