Vegetables and Eggs Will Fly At This Afternoon’s Classic Event

Muddy Field is a Handicap To Both Teams; Weight

By John W. Howland

Back the Sophomores and Freshmen Field Day football teams, having

been on the gridiron a week since, are definitely behind in their position

in the general scale of the general atmosphere of the gridiron.

At practice yesterday the coaches and the press, both of which

are spread all over the field, have practically an equal footing.

Senior Left Wing, Richard L. Fossett, acting as the vice-president

of the Sophomore class, has been invited to the one home game at the meeting. He expressed

the encouragement that many freshman men to get all the rotten eggs and

which will be held on November 4 to

will be summarily handled by
