ROK KEITH-BOSTON

FOR MEN

RKO KEITH

A very clever and amusing comedy, extremely well suited to Littleton High School players, is being presented by Mr. Keith's group.

The story centers around the relationship of a boy and girl who are in love, but are separated by a number of obstacles. The girl's father is opposed to their marriage, and the boy's friend is jealous of him.

The play is well written and directed, and the acting is excellent.

The cast includes:...

What you want in your pipe

...is tobacco that's made to smoke in a pipe. This means the right kind of leaf tobacco — the kind that grows for pipes.

It means that it's made right . . . and old man Wellman, who taught us how to make Granger, knew how. It means that it's cut right.

Just pack Granger good and tight in your pipe and strike a match. Folks seem to like it.

"The Late Christopher Bean"

Christopher Bean, a consumptive, had been cared for—out of pure love even—in the home of Dr. Haggett. Ten years after his death, when the curtain rises, Bean is considered one of the few great painters America has produced. Published in the current "Atlantic Monthly." Letters of Bean indicate that he had left a number of paintings at Dr. Haggett's house.

**THE HEART of a LUCKY STRIKE**

The finest tobaccos—only the center leaves

The very heart of Lucky Strike's fine quality is choice tobacco—ripened by warm sunshine, rich soils and gentle rains. Right now, up to $100,000,000 worth of fine Turkish and Domestic tobaccos, the Cream of the Crop, are aging and mellowing for the makers of Lucky Stripes. For only a special selection of choice tobaccos is used in making your Luckies so round, so firm and fully packed—free from loose ends. The reason why Luckies are always the same in mildness, smoothness, in delicious taste.
