Recognization of Corporation X
is Withdrawn

Failure to Pay Dues Causes Institute to Take Action

COMMITTEE'S PETITION FOR ROOM IS ACCEPTED

Committee Will Support Combined Professional Societies

The Institute Committee last night voted to "revive recognition of Corporation X until proof insolubility to the Institute Committee shall be paid." The tribunal across the room from the corporation's representative observed that the corporation's payment of $200, imposed as a result of this misunderstanding, was due and payable to the Institute Committee but that the corporation's representative felt that the decision would be reviewed and decided at the Corporation X.

Accept Committee's Petition

This has been the situation; i.e., the corporation being asked to pay $200 in order to regain its rights, the corporation paying $200 and being asked to pay $200. They are now trying to work out a settlement.

The corporation is currently discussing the situation with the committee, and a meeting is scheduled for this afternoon to discuss the matter further.

SOVIET STUDENTS CELEBRATE 16TH YEAR OF REGIME

Dinner Meeting in Walker is Attended by Prominent Russians

In commemoration of the sixteenth anniversary of the October revolution in Russia, Soviet students at the Institute held a dinner Wednesday night in Walker Memorial. The guests numbers included many faculty members and prominent representatives of the Soviet in this country.

Among the guests was Mr. A. B. B. Holman, representing the Supreme Committee of Industrial Advancement in the U.S. B. B. Anderson, '34, the chairman, gave a short history of Soviet industrial education in America in which he stated that sixty months ago.

RUBENSTEIN AND DAUBER WINNERS OF MASQUE PRIZE FOR TECH SHOW

Deborah V. Rubenstein, '34, and Joseph Dauber, '34, two Seniors Co-Authors of Script Chosen Out of Four Others as Winner of Masque Award of Fifty Dollars; Professor Greene to Coach Show

Deborah V. Rubenstein, '34, and Joseph Dauber, '34, authors, will be awarded the Masque prize for the best New Show Tech script, the judging committee has announced. The award of $50 will be presented at a meeting of the Masque Society, within a week or two.

Miss Rubenstein is president of Cleofas, the social club for feminine students, and the chairman of the Cleoakes, the literary society. She is also a member of the official board of Tech and was a secretary of the Drama Club. Her home is in Roxbury. She formerly attended the Girls' Latin School.

Dauber won a $100 prize in an essay contest sponsored by the American Freshmen in Harrier Championships.

Jenkins Faces Test in I.C.A.A.

Hofland Enters Varsity and Freshmen in Harrier Championships

With Wheat Jenkins his main hope, Coach Hellen Hofland will take a squad of seven men and seven freshman harriers to New York this weekend to compete in the I. C. A. A. and Economic Interpreter

Next Great Boom

The Tennessee Valley development for the comprehensive project of national economic planning ever undertaken in this country, will be featured by Mr. A. K. Morgan, president of Antioch College and Chairman of the Tennessee Valley Authority, in an address before members of the National Academy of Sciences at 8 o'clock Monday in Walker Memorial. The address will be open to the public without charge.

Medical College Announces New Graduate Courses

To Give Aptitude Tests

Medical Aptitude Tests, as announced in the past three years by the Association of American Medical Colleges, will be given at 9 o'clock, December 1st, at Harvard Medical School, by the Medical College Admissions Committee.

The committee, which has been frequent, was reported by partners of the faculty members of the first year for the last three years. No team was won and although Thomas was last in 1932, the meeting was won by the Faculty members.

The physical training directors of Massachusetts and Yale's Medical School, T. M. O. C. M. A. C. has a meeting every day in the Faculty Dining Room.
PROFESSORS TO GO TO OTHER SCHOOLS

Plan Grew Out of Suggestion Made by Prof. Jackson

Next fall Technology will inaugurat

A general plan for the exchange of professors with other educational institutions in this country as well as abroad, and also with industrial research laboratories, Karl T. Kompton has announced.

This plan grew out of a suggestion by Professor Napoleon C. Jackson, head of the department of electrical engineering, who is a power pre

President of the Institute.

The exchange will be of mutual benefit to the cooperating institutions, Dr. Kompton believes, since each school will operate on the basis of a good marriage in a professional sense, and the exchange is to be administered by the Corporation.

CELEBRATION HELD TO CELEBRATE FIVE YEAR PLAN

(Continued From Page 1)

were sent to this country during the first five years of the Soviet Union, to investigate American methods of industry.

Mr. A. A. Novikov, next Tuesday, will present the second lesson of a series of ten lectures on the Soviet Union and the Communist movement, with an official chart of the Five Year Plan and a book describing the industrial organization of Russia.

Elections

VOLUME LII is pleased to announce the election of Robert Stimson Childs, '37, and Gordon Beeth Wilkes, Jr., '37, to the staff of the Circulation Department.

TIME TO CONSIDER

With the repeal of the Eighteenth Amendment there comes into existence a new system of law enforcement. The old idea of a police power, and the old methods of police enforcement are indiscriminately attempting to side step the evil. The generation that is now growing up to the sudden flood of intoxicants after almost a score of years of abstinence is the one that will be, in a way, the center of this debate. And so we leave, more or less exalted as he called his destinings for the day.

 domicile. The speeches will be given next night at a dinner of the faculty at the home of President Jackson.

The dinner was held in the Boston Public Office at 6:30 P.M. Wednesday, the 11th, for the purpose of collecting the preliminary registration forms and for the purpose of giving the Corporation a chance to see those who do not return their proofs on time. There were few who returned their proofs chosen by some disinterested party.

UNDERGRADUATE NOTICE

Technique announced that Vincentian secretary will be in the Main Lobby of Building 16 on Monday, Tuesday, and Thursday in the afternoon, from 3:00 to 5:00 P.M., for the purpose of collecting the deferred registration forms and for the purpose of providing several of our graduates with opportunities to talk with the students, to be present in Course XV.

The inauguration of Dr. Compton's speech was the work of the President, Dr. L. C. Young, who stated that he was chairman.

In the short time that it has been in existence, he has succeeded in bringing about reforms, in attention to the need of reforms, and in the organization of the United States Weather Bureau, in the provision of not bad statistics, in the operation of railroads, and in the busyness the freshman.

SPORTS COMMENT

The annual Interclass swimming meet will be held on November 27th by the University Club pool, with the preliminary time trials on November 17th. This meet is open to all amateur undergraduates at the Institute. Class systems have been apostilled, and all persons not on the swimming team who wish to compete must see the captain representing their class. Seniors should see Fred Vaughan, Juniors, Bob Grabeck, Sophomores, Dave Patterson, and freshmen should see freshmen Coach Brunwald Brown.

The rifle team will try to uphold the record of former teams tonight when they open their season against the U. S. Marine Corps from the Charleston Navy Yard. Although most of the veterans of last year's championship squad are back, the roster of the team has been further strengthened by several members of last year's varsity.

Ralph N. Gill, '24, was reselected captain of the tennis team last night at an informal banquet of the squad. At the time it was announced that Peter Gallic, former Harvard star and later graduate for the Boston University, '26, would coach the team next season.

Gallic is a veteran of many contests and has the intimate knowledge of all the positions on the team, and results next season should show a great improvement.

Jenkins Faces Test in U. S. Meet Monday

(Continued from Page 1)

The Tennessee Valley Authority has planned and directed the construction of 75 water control projects including the dam systems built to prevent a recurrence of the floods at Dayton, O., and Pueblo, Colo., and the eight million dollar reclamation system in the St. Francis Valley in Arkansas. The water and drainage projects started by him have been adopted by six states in which flood control is a problem.

Student Union Notice

Freshman who are interested in trying out for the track drill team that is newly organized this year will sign in the Main Lobby today. The unit is being started with the ultimate hope that it will become a chapter of Parading Rifles, an honorary military society.

Mr. Pered N. Ahum of the T. C. A. stated today that considerable improvement had been noticed this fall, in the affairs of the T. C. A. to aid students looking for work. There have been some very severe cases with which they have been fairly successful.

DONATE PORTRAIT OF MACLAURIN TO VICTORIA COLLEGE

Original Oil Portrait Now Hangs in Office of Dr. Compton

A copy of the portrait of the late Dr. Richard C. Mackinvean, president of Technology from 1909 to 1930, is to be presented by the corporation of Technology in Victoria University College, Wellington, N. Z., of which Dr. Mackinvean was one of the first four faculty members.

The original oil portrait, which now hangs in the office of President Kari T. Compton at the Institute, was painted by the distinguished artist, Frank W. Benson. The copy will be made by Leslie P. Thompson.

Dr. Mackinvean joined the staff of Victoria University College as professor of mathematics at the time of the school’s foundation in 1910, and later served as professor of law and dean of the faculty of law.

IT TAKES HEALTHY NERVES TO BE A CHAMPION Bronk Rider!

RIDE THE COMBUST! Every second is crowded with danger for Eddie Woods, noted all-round cowboy champion of the famous Calgary Stampedes. It sure takes healthy nerves to stay on board a fighting bronco. "Camels are my smoke," says Eddie Woods. "They never jangle my nerves."

Steady Smokers turn to Camels

Eddie Woods, one of the "top hands" of the cowboy world, says:
"Ten seconds on the back of an outlaw horse is about the hardest punishment for a man’s nerves that anybody can imagine. To have nerves that can take it, I smoke only Camels. I’ve tried them all, but Camels are my smoke! They have a natural mildness, and I like their taste better. Most important of all, Camels do not jangle my nerves, even when I light up one Camel after another."

If you are nervous... inclined to "fly off the handle", change to Camels. Your own nerves and taste will confirm the fact that this milder cigarette, made from costlier tobaccos, is better for steady smoking.

CAMEL’S COSTLIER TOBACCOS

NEVER GET ON YOUR NERVES... NEVER TIRE YOUR TASTE
