Cigarettes for Christmas! No smoker ever has too many. But which cigarettes? Remember that the brand you give reflects your own good taste... your sense of discrimination. That's why we suggest Camel. They are made from finer, more expensive tobaccos than any other popular brand. They are the choice of distinguished men and women in every field of the social and business worlds. And their finer tobacco brings that welcome "lift" in energy—that warm good cheer—which is, after all—Christmas!

In the experiments with the Round Hill generator, the stress has been laid on its usefulness for producing artificial lightning, to smash storms, and conduct research in physics. The commercial application of the scheme has been an objective about which there has been little discussion and few definite announcements.

Is there a pipe smoker on your Christmas list? Then your problem is solved. He's made it easy. Give him long evenings of calm contentment. Give him the sheer joy of ripe, mellow "P.A." specially blended. Give him Prince Albert... "The National Joy Smoke." What a man spends his own money for is what he really likes. And more men spend their money for Prince Albert than any other pipe tobacco.

FIRST MATCH LOST BY TECH MITMEN

Sole Institute Victory Turned In By Jimmy Casale In 165 Lb. Class

Despite an extremely game fight against a superior Harvard team, the Techmen lost a chance to show where they stand against the beavers in the first period of the second game last night in the Athletic Hall. The margin of victory was only 3 points, but the second half was not scored by Techmen after 5 minutes. This is the first time this season Tech lost a point and it was the only one in which they had a chance to turn the tide of victory in their favor.

The 165 lb. bout between J. E. Casey and E. B. Cashman was the only bright spot in Techmen's performance in the first period, the only one in which they had a chance to turn the tide of victory in their favor.

The M. I. T. team displayed flashes of its usual aggressiveness and offensive play, but it was not enough to turn the tide of victory in their favor.
