Gymnasts From Nine Colleges
To Compete For Honors
Here
Van Han Due To Win On Rings
Representatives of gym teams from nine colleges will contest in the Intercollegiate Gymnastics Meet at E. I. C. Memorial Gymnasium Saturday. Van Han, a senior at the University of Minnesota, who is expected to take a first in the rings.

Dorcan Honors Outstanding Men
Initiations In Late April Will Include Dance And Banquet
Following its purpose "to honor those students who have contributed to the furtherance of activities and fellowship, and who by their example, materially benefited the Massachusetts Institute of Technology, the Dormitories, and themselves," Dorcan last night elected the following men:
Edward J. Vandermark—"Dorcan Rumor", intramural sports; Nature A. Saito—"Dorcan" varsity track team; Brevon R. Lewis—"Dorcan Rumor" class elections, Beriel, Gribble
Francois H. Lodder—"The Tech Union"

Gen. Daniel Needham
Is Corp. XV Speaker
Subject Is Crime Situation In U. S. And England
Corporation XV, the professional fraternity sponsored by the Institute's freshman class, will hold the last meeting of the year in the South Hall at 12:15 to hear a luncheon talk on "Crime Situation in the U. S. and England". The subject was selected by Charles E. Worthington, '35, who is president of the fraternity.

Athletic Association Elects New Officers For '35 - '36 Season
Fletcher Thornton Is President, Hayes, Vice-President, Essley, Secretary
Officers for the 1935-1936 season were elected. At a meeting of the Athletic Association last Tuesday, Fletcher Thornton was chosen president, with John P. Haynes, '35, as vice-president and Harry E. Essley, secretary. On the following day Franklin V. Turner was appointed treasurer. All are members of the Junior Class.

Roberts comes from Summertown, New Jersey, and since entering the Institute last fall he has been a member of the Tech Union. He is a member of the Phi Delta Kappa fraternity. During his sophomore year he was elected to the Quadrangle Club and this year he is a member of the Board of Directors. Although on the basketball team in his high school days, he now devotes most of his spare time to track as an athlete of this sport last fall. He attended the home meet for the Beta Pi this year.

Guide to College Life
Institute Committee Allows Voting Blocks In Elections
Executive Committee Submits Three Amendments In Constitution
In an attempt to keep the yearly nominations as close as possible, the Executive Committee of the Institute has decided to adopt three changes in amending the constitution at the Institute Committee, which were proposed by the Executive Committee.

Trees Being Planted In Plan To Improve Campus of Institute
Gray Appearance of Institute Will Be Minimized By Planting Project
Plans to beautify the campus between Walker and the Main Building are being carried out by Institute officials. The gray appearance of the Institute will be removed by the planting of trees and shrubs which will soon be planted along the driveway from Walker Main Hall. The first trees to be planted are a group of trees which will soon be planted.

On a visit to the campus, Mr. Forrester declared, "We have plans to make this part of the Institute a spot that students and Institute officials will be proud of. We intend to make it a campus of a nature that will stand between Walker and the Main Building, and to transform the mere 'building into a beautiful scene.'

In an interview, Mr. Forrester said, "The first step that has already been taken in the beautification plan is the planting of trees. We have planted a group of trees which will soon be planted. In addition, we have planted a group of trees which will soon be planted.

Gym Captain
Capitain Xvivo Van Han, Beaver Gymnast, who is expected to take a first in the rings.

Lobdell Grants Permission Of Court For Meeting Today
Anti-War Strike Committee Expects 500 Students Will Walk Out at 11; Promise Orderly Demonstration
Permission too use the Institute grounds for holding the Anti-War Strike today was given last evening in a statement by Dean Lobdell. The second great disturbance this year is the result of a stirring up of sentiment by an Institute Committee which has been held responsible for any demonstration which interferes with the regular work of other students and members of the staff. The Strike Committee plans to walk out at 11 today to attend the meeting in the Great Court.

As the final plans for the strike were completed, President Comp, Dean Lobdell, Colonel Vestal of the Military Science Department, and the President of the Executive Committee, issued an invitation to the orderly and peaceful demonstration.

President Compton declared: "I ask the cooperation of all concerned and that the meeting be a worthy and dignified expression of the objective of peace.

Dean Lobdell's statement prohibited the use of Institute grounds for holding this disturbance. The grounds are to be used for a presentation of music and recitation by direction of the President of the Institute, members of the R. O. T. C. will take no part in any counter demonstration in the

Model Locomotive For Open House
Steam Laboratory Exhibit Will Carry Four Guests Per Trip On Regular Track
A model steam locomotive and caboose are the feature of the Steam Laboratory Exhibit which will be open on the campus Wednesday from 12:15 to hear a luncheon talk on "Crime Situation in the U. S. and England". The subject was selected by Charles E. Worthington, '35, who is president of the fraternity.

The subject of this meeting was "Crime Situation in the United States and England". The subject was selected by Charles E. Worthington, '35, who is president of the fraternity.

The steam locomotive is a model of the locomotive which is on exhibit in the North Hall of Walker Main Hall. It is a model of the locomotive which is on exhibit in the North Hall of Walker Main Hall. It is a model of the locomotive which is on exhibit in the North Hall of Walker Main Hall.

The first step that has already been taken in the beautification plan is the planting of trees. We have planted a group of trees which will soon be planted. In addition, we have planted a group of trees which will soon be planted.

On a visit to the campus, Mr. Forrester declared, "We have plans to make this part of the Institute a spot that students and Institute officials will be proud of. DORMATORY pranks such as stocking rooms which result in no destruction of personal property are perfectly natural outbreaks of the dormitory spirit. When, however, such activities escalate to vandalism, the situation becomes serious. In the past several weeks, there have been several cases of vandalism, and it is important that the students of Technology, particularly as acknowledged in an institution of higher learning, recognize that such behavior is not acceptable.

In a talk to the students in the city planning class, the Managing Board of the Federal Manager of Rarri Rehabsitination for Massachusetts expressed the belief that any group of students who are active in campus activities should be aware of the changes that are taking place in American Society. The group, which has been in existence for over twenty-five years, is responsible for the development of programs and policies that affect the lives of millions of people in the United States. The Managing Board emphasized the importance of understanding the social and economic forces that shape our world, and the impact of those forces on the college student. They also discussed the role of the college in shaping the future of our society.

The Tech: A third ruling was passed, to take effect next year, which would provide for the election of the President of the class by a secret ballot. The second change prohibits any recognized undergraduate group from endorsing candidates for office without the approval of the Elections Committee. The third change makes it more difficult to change the Elections Committee Constitution, which was adopted by the meeting. The Executive Committee, in suggesting that the changes be made in the Constitution, pointed out that the move, believed that this ruling would remove the possibility of a conflict of interest.}

In a recent column we seem to have suggested that perhaps there is a connection between the Spring Fever and the Elections Committee. We now wish to retract this statement, as we have since learned that the situation is not as serious as we had originally thought. The Spring Fever is a natural phenomenon that occurs every year, and it is not related to any political activity. The Elections Committee is an independent body that operates according to its own rules and procedures. We apologize for any confusion that our previous statement may have caused.

RESIGNATION. Now that the argument on "statistical significance" has been resolved, the position of the Physicist will not be filled. The President, in his recent address, announced that he will be stepping down at the end of the year. The Physicist's position has been taken over by a new appointee, who will be responsible for carrying on the work of the office.

SEARCH FOR AN ALLY. EUROPEAN INSTABILITY. We have just received a letter from a young man who is seeking a position as a teacher in a European country. He is interested in finding a job that will allow him to contribute to the development of education in his native country. We are currently looking for an ally in this effort, and we would be grateful if anyone who is interested in supporting this cause would contact us.

The Physicist. The president has given the following notice on the Physicist bulletin board: "The first meeting of the Physicist will be held on Tuesday, April 11, at 7:00 p.m. in the Science Center. All interested students are invited to attend."

When two is company I don't make a crowd

When two is company I don't make a crowd

I'm your best friend

I am your Lucky Strike

Never a bitter, undeveloped top leaf in me. Never a grimy, tough bottom leaf. I use only the fragrant, mellow, expensive center leaves . . . the leaves that give you the mildest, best-tasting smoke. I do not irritate your throat. No wonder I'm your best friend.

LUCKIES USE ONLY THE CENTER LEAVES . . . CENTER LEAVES GIVE YOU THE MILDEST SMOKES

They Taste Better

"I think that although military preparedness may have prevented war, a nation with a well-equipped army and navy in less likely to be drawn into a war than an unprepared one.

John H. Gallagher, 27, VII, 1182
Bayston St., Boston

"Quite so, but the nation that does not prepare for war will assuredly find itself in an overwhelming spot."

THE LOUNGER
(Continued from Page 8)

though she was a perfect radiator or black body, I am still more interested to compare costs as advertised by the 5:15 Club and as charged by power companies. The advertised 10.00 per Kwh is equivalent to 20.42 Kwh. At 8 cents per Kwh it would cost $2.40 per hour to rent a normal downtown.

Yours very truly,

A Staff Member.

Apparently the staff member misinterpreted the following letter was received concerning the above.

Dear Sir:

The contribution concerning the newsstands advertising the dance of the 5:15 Club has an error in it. The line reading "her temperature would have been offended because of some reason" should read "her temperature would have been 502" and the sentence number 10 should be changed to number 3.

Very truly yours,

The Same Staff Member.

When confused with these letters, the President of the 5:15 Club stated: "This is a matter of the utmost importance. I forgot that spring heat is not the same as N. H. Frank's heat."
West Point is favored to take Meet; Navy is nearest competitor.

Lacrosse will be the first spring sport at Tech to begin outside competition this season when Captain Joe Flaitz goes in to the annual banquet of the Southern Interfraternity Lacrosse Association against Brown tomorrow. The team participated in an informal contest last Saturday against the Boston Lacrosse Club. The game will set the first taste of interfraternity opposition for Tommy Tucker’s charges. This year’s Tech lacrosse team is composed mostly of veterans and we expect it to victory its 28th showing.

In the last year of Tech we started in this column that Sigma Chi had won the interfraternity basketball title for the past two years. In January, the 1934 winner was announced as the South End Club. What we should have said was that Sigma Chi had won in 1932 and 1933 but lost last year’s finals. For this year, they are back and they are down.

All in all, it is probably safe to say that one less game was played this year by Sigma Chi.

The last item was written in the column which Sigma Chi will play Walter of the dom league in the Middletown; a recent report is that the game will take place tonight.

We note that the finalists in the squash quarterfinals for the tournament. The winner in addition to future games. The winner in Middletown; the latest report is that the game will take place tonight.

The first scheduled lacrosse game of this season’s Tech team will be played at Brown University tomorrow afternoon. The Tech line-up is similar as there are many new men in the squad. Most of the Tech men are expected to play defense men, so the line-up will be set early.

Squash Match In Semi - Finals
Bainbridge And Hunt Matched In Finals Of Emerson Tournament

Following a delay of three weeks, the Tech men are currently in the semi-finals. The Emerson Cup has passed the semi-finals, but the other tournament is still going strong and may not be finished for a while.

The result of the Emerson Cup semi-finals are as follows: J. P. Bainbridge defeated T. A. Terry, 6-2, 6-4; G. A. Hunt defeated B. B. White, 6-2, 6-0; G. A. Hunt defeated J. D. Hall, 6-2, 6-0; and G. A. Hunt defeated J. M. W. Hunt, 6-2, 6-0.

The results of other semi-final play are as follows: Junior Varsity Tournament: W. L. Timmerman defeated T. K. Bresheeth, 6-2, 6-3; G. A. Hunt defeated H. M. Valecino defeated A. Shullin, 6-2, 6-1; G. A. Hunt defeated G. A. Hunt, 6-2, 6-0; and G. A. Hunt defeated G. A. Hunt, 6-2, 6-0.

Individual Tournament: T. K. Bresheeth defeated T. K. Bresheeth, 6-0, 6-0; H. M. Valecino defeated T. K. Bresheeth, 6-2, 6-0; H. M. Valecino defeated T. K. Bresheeth, 6-2, 6-0; and H. M. Valecino defeated T. K. Bresheeth, 6-2, 6-0.

Freshman Tournament: S. G. Humber defeated T. K. Bresheeth, 6-2, 6-0; S. G. Humber defeated J. C. White, 6-2, 6-1; S. G. Humber defeated J. C. White, 6-2, 6-0; and S. G. Humber defeated J. C. White, 6-2, 6-0.

Semi-finals: The final match in the Emerson Cup play between Bainbridge and Hunt which is to be played next week will be one of the most important seen at the Institute courts this year. Bainbridge will be seeking to win the junior varsity title, and Hunt will be seeking to win the varsity title this year, and Hunt, who gave up many opportunities in the previous matches, will be the one to watch. The final between the two teams is scheduled for next week.

The winning team will have its name inscribed on the permanent Emerson Cup trophy.
Lobdell Grants Permission Of Court For Meeting Today

Anti-War Strike Committee Expects 500 Students Will Walk Out at 11; Promise Orderly Demonstration

(Continued from Page 1)

event of an Anti-War or similar assembly on April 12, 1935. As the military forces of the nation are for the preservation of peace any such counter demonstration would be both unmilitary and illegal.

A last minute call from the Strike Committee last night also appealed for an orderly exhibition. "The Strike Committee more than realizes that it has everything to lose and nothing to gain by a disorderly meeting, and it has done everything it can to promote the strike against War and Fascism a peaceful but dramatic occurrence.

I. Speakers Announced

Announcement by the Committee last evening gave the following list of speakers: Reverend George L. Paine, chairman of the Baptist Federated Churches, and executive secretary of the Fellowship of Reconciliation, whose topic is "Causes of War"; Reverend Alfred Schnitzler, minister of the Plymouth Congregational Church, speaking on "Colonial Imperialism"; Joseph Coss ties, president of the Haverhill Local, United Shoe and Leather Workers, whose subject is "Labor and War"; Douglas Hawkes, '36, Robert Kemptt and G. Robert Newman, '36 of the Institute.

In a meeting yesterday with President Compton, members of the Strike Committee, which is comprised of Douglas Hawkes, '36, Frank Newman, '38, Herbert Johnson, '35, Andrew J. Sharpe, G. A. Schel, and Robert Landay, '36, agreed to take responsibility for any disorder caused by the Strike.

II. Counter-Attack Cheeked

An attempt to check counter-attack movements was made during a class in Military Science Wednesday, when Major Thomas J. Johnson of the Institute Science Department asked freshmen participants to refrain from interfering with the Strike.

The strike today is part of a North and South American demonstration on the part of students of 85 colleges in the United States to voice their protest against War and Fascism. The purpose of the strike is to focus attention on the war problem in a way that can be understood by the general public.

The strike occurs on the 15th anniversary of the entry of the United States into World War I, and is being supported by the Student League for Industrial Democracy, the American Student Union, the American Youth Congress, the National Council of Catholic Students' Union, and the American League Against War and Fascism. Yesterday's New York Times also carries an account of the strike.

III. Institute Committee

(Continued from Page 1)

A motion was made to recognize the Tech Swims Club, but was defeated on the grounds that it would have to prove itself as an activity.

A. A. Elections

(Continued from Page 1)

The vote president, overseas from Toledo, Ohio. He is a member of Sigma Chi fraternity, and founded last year the Quadrangle Club and is now officer of the Beaver Key Society. He is also a member of the Beaver Key Society.

B. The Swims Club, Pennsylvania, a member of the Phi Kappa Sigma fraternity and has also been a member of both the Lambda Chi and Beaver Clubs. During his Sophomore year he was treasurer, manager, and this year was appointed treasurer, manager, and as member of the Beaver Key Society.

C. The national fraternity, a member of the Delta Phi Epsilon fraternity, has also been a member of both the Lambda Chi and Beaver Clubs. During his Sophomore year he was manager, and this year was appointed manager, and as member of the Beaver Key Society.

D. The national fraternity, a member of the Delta Phi Epsilon fraternity, has also been a member of both the Lambda Chi and Beaver Clubs. During his Sophomore year he was manager, and this year was appointed manager, and as member of the Beaver Key Society.

E. The national fraternity, a member of the Delta Phi Epsilon fraternity, has also been a member of both the Lambda Chi and Beaver Clubs. During his Sophomore year he was manager, and this year was appointed manager, and as member of the Beaver Key Society.

F. The national fraternity, a member of the Delta Phi Epsilon fraternity, has also been a member of both the Lambda Chi and Beaver Clubs. During his Sophomore year he was manager, and this year was appointed manager, and as member of the Beaver Key Society.

G. The national fraternity, a member of the Delta Phi Epsilon fraternity, has also been a member of both the Lambda Chi and Beaver Clubs. During his Sophomore year he was manager, and this year was appointed manager, and as member of the Beaver Key Society.
WE ASKED NEWSPAPER PEOPLE:

"Is this fact important to you?"

FLAVOR! "Camels have a great taste and plenty," says Herman J. Lachal, lugger operator. "I've smoked them for many years. I smoke as much as I want to, and Camels don't ever affect my nerves."

HEALTHY NERVES! Pat Robinson, sports writer, says: "I've been smoking Camels ever since they were issued on the market. I smoke at least two packs of Camels a day. I never troubled with my nerves."

ENERGY! An editor gives his experience: "The enjoyable way of using energy is smoking Camels," says Ely Baxter. "Considering how easy they go, and I can travel all day without any feeling of weariness." "Camels give me energy!"

SO MILD! Miss Margaret Still, ex-pat woman reporter, says: "Camels are a wonderful smoke. They have a mild flavor—different and smoking entirely different from any other cigarette. Camels taste better!"

VALUE! "Camels are made from regular tobaccos. They're the real "virgin" cigarettes," says E. E. C. Frank, a well-known observer, who says, "Camels have adjustable filters to get "front page pictures" for a great new newspaper. "I've tried them on the streets, and I can't believe the tobacco is free."
