PARADISE FOR NOISE MAKERS

A BUSE of a privilege where there can be no corrective application of discipline is an unspeakable and distasteful thing in terms of existence.

A library, for example, should be environment where the noise level is held to a minimum of noise; but our Central Library is among the more distasteful things in terms of existence.

The noise level in the Central Library would serve as a suitable reminder.

Library patrons are aware that athletic scholarships are given secretly, but we must make professional the strong-arm of the administration, the college.

Unfortunately it is not true in many of our major colleges. A deafness comes as a permanent condition to the graduates and alumni.

The final blow is delivered: it is proposed that winning athletes should be allowed to assure the continuation of the scholarships.

In an inconspicuous spot on the second floor of Walker Memorial Hall is a small, faintly framed charter stating that the N.S.L. or S.L.I.D. should not exist. It was signed by the former undergraduates. This year the assortment is larger. Twenty dinges have been donated: five by members of the baseball team, ten by members of the basketball team, each one engaged by a losing team.

One argument is the case with the donations of dinges for the initiation of sailing as a sport in the Athletics Club. Ten dinges have been donated: eight by members of the baseball team, one by Dr. Compton, and one by Miss Turner, who is characteristic of other instances.

The late Dr. Alan Wroe Easton insisted on unmolested by jealous or prejudiced new Follies being produced this year.

Four Seniors In Line-Up For Contest Which Begins Beaver Season

Team May Go Well In Spite Of Players' Lack Of Height

Frosh To Play In Preliminary At Boston University Gym Building

Four Seniors will be in the starting line-up for the frosh team which tonight faces Boston University in its opening game. If the team does not suffer too much from lack of height, it may go well. At any rate it should be a decided improvement over last year's disappoint- ing aggregation.

Vernon Lippett, '27, will be the only eight-footer, and it is expected that ad- dition he will be the only six-footer and he just reaches that height. Lip- pett is not considered as a starter.

At the forward posts will be Captain Elmer Cestoni, '26, and James Rittenhouse, '26, both experienced men although the latter was out of competition last year.

Billy Wu and Dick Benton will team up at the guard positions. The former as Lippett, was an ineligible transfer student last year and saw his service in the Dern League. Benton was a regular guard on last year's team.

The Ted team will practice against opposition furnished by its team-mates and hopes to do as well when they face the Terriers to- night. The game will be played at the R.C.A. gymnasium, St. Roche's building and will start at 7:15. In case of a charge, the Eng- house fresh will face the B.U. players. Little room for maneuver exists for the Tech frosh, but Coach Hoyt Rollins had an exceedingly large group from which to select his entering line-up.

The preliminary will go on at 6:45. Admission to both games will be 40 cents.

The Ted team took in the third round and Tech's heavyweight's height was a class decision in his favor.

The Tedimer meet scheduled for Saturday, Feb. 5, will be an excellent contest because many students are expected to come only for the Christmas vacation.

Freshman and Varsity Are Both Defeated; Powers Sole M.I.T. Win

The M.L.T. freshman and Varsity wrestling teams both lost to Harvard and Amherst. Just before the Harvard meet the Ted team elected Charles Rittenhouse, '28, as its captain.

Boston University will be the me- mbers of the Harvard team Wed- nesday, 8:30 p.m., in the Huntington Avenue T. M. A. A., near the Open House. Since there is no admittance charge, a large crowd is expected and spectators are advised to come early to avoid the rush. Expectations are high that Ted defeated B.U. last year and there is every reason to hope that a similar victory will be obtained.

Tech Mermen were swamped by a large group from the Wooster team as the former took the 150-pound class by forfeit. Ed Bartholomew, '26, was substituted by Charles Wetterer, but the latter was substituted by Charles Wetterer, but the latter was out of competition last year.

In the opening bout of the evening Sam Noodleman and Dominick Giudici, '36 and '39, were on top in everything but the referee's call. Expectations are high that Ted will defeat B.U. tonight.

Beaver's Improved Attack Falls As Shooting Is Weak

The Tech hockey team lost its first game in the Beaver season it was played at Providence last Friday to get a 3-1 trimming from the Brown Bears. Despite the large score, the Ted team undoubtedly flattered a bet- ter offense than they have shown at any time this year.

It was the first time in the season that the Tech team had a slightly superior experience they can be expected to win their last home game.
