Swimmers Lose Final Races With Bowdoin

Interfraternity Meets Next On Schedule For Merchandise

In their final meet of the year last Saturday night, the Tech swimmers put up a brilliant but vain performance. They were defeated by the Bowdoin College swimmers, 25-22.

It was in the 220-yard and 400-yard events that the MIT swimmers shone. Both Mr. Harvey and Mr. Leach, who took the 180-yard free-style and Harry Hayd, who won the 220-yard individual medley, did particularly well.

The meet was held at the MIT pool, but the weather was so cold that the spectators crowded into the main lobby today, and every day this week, from 11 to 2 o'clock. Signups for tables will also continue for the remainder of the week.

The Drama Club Presents

Ruth Crothers Plays

"As Husband Go!"

On March 8 and 9

The Drama Club, composed of staff members and their wives, will present "As Husband Go!" Friday and Saturday nights at the Peabody Play House.

"As Husband Go!" is a delightful comedy written by Miss Wambaugh for the Woman's Committee of the University of California, which led to the development of the special cement being poured by the military. The League of Nations was founded, Miss Wambaugh is a graduate of Radcliffe College, and was for three years a member of the League staff in government and history. She was praised by her interest in international law and political science in 1931, and studied at Oxford and the University of London. When the League was founded, Miss Wambaugh was appointed as international affairs writer for the University of California. She is soon to begin a nation-wide series of lectures on the subject of the plebiscite in European affairs.

Peblecise Authority Describes Saar Voting

As Miss Wambaugh's agent, she has on the heat of hydration, volume changes, displacement, and chemical composition of concrete. When the League of Nations was founded, Miss Wambaugh was appointed as international affairs writer for the University of California. She is soon to begin a nation-wide series of lectures on the subject of the plebiscite in European affairs.

to those that gave him the means whereby he might continue to observe peers of the truth. Under the laws made by his associates mortal as a group, therefore, until he makes good the claim that he can impart his knowledge to those who support him, either he should not be allowed to continue his observations concerning the light of truth, or he should be made an outcast of that group.

PUTTING IT OVER

P. C. DANCE

The success of the I. F. C. dance last Friday evening at the Statler was an unprecedented indication of what a school dance could be, provided the dance manager has the push to "put it over." With money quite as plentiful as these days has it been in times past, students are making economic allowances that plan affect their expenditures for dances and entertainment. Associated with the high fees which others are charged are students who are reluctant to part with their money, dance committees are somewhat torn between two conflicting tendencies. They tend to hire an expensive orchestra fearing that they will not make their budget, and yet they realize that one of their main selling points is a good orchestra.

The only answer to the dilemma is to have a dance committee with the judgment to plan a dance on a large scale and the initiative and enthusiasm to "sell out." The I. F. C. dance committee had the fact that fraternity dance could be made a success, and that it could be satisfactorily.
New Record Made In Broad Jump

Johnson Creates New Institute Record By Clearing 23 ft. 4½ in.

Stan Johnson, '36, created a new Institute record in the broad jump last Saturday evening, when he jumped 23 ft. 4½ in. in the IC4A meet at the New York Madison Square Garden. Although this is a new record here, it was not good enough to win the event, which incidentally was won by another Johnson, a Ben Johnson from Columbia who won the event with a leap of 23 ft. 11½ inches. This is the fifth time that Stan has broken an Institute record.

Jim Thomson, '37, tied for fourth place in the high jump when he cleared 6 ft. 2 inches. Jimmy was handicapped by a split muscle in his leg which necessitated his having it taped up after he had cleared 6 ft. 8 inches, and it is only this fact that kept him from doing better than 6 ft. 10 inches. It was Jimmy, incidentally, who won praise from all the coaches present there at the Gardens for his plum.

Oscar's pet relay team did not fare well at the Gardens as it placed fourth, being beaten by Cornell, while Stan had to be content with third place. It was expected that Stan would place second to Little, the man who nosed him out last year, but a dark horse in the person of Ben Johnson capped first honors ahead of Little. Jim Thomson, Tech's other point-scorer at the big meet, was only two inches under the winner of the high jump event, which isn't a bad performance at all.

It was a case of strength in numbers at the gym meet with Army in the Walker Gym Saturday, with the cadets winning because they had enough men to take all of the second places. Tech turned up with winners and third-placers in exactly half of the events. Ernie Van Ham, in particular, gave a fine exhibition to the big crowd on hand. It was the largest crowd we have ever seen in the gym, but you know "there's something about a soldier".

Hal Miller stirred up controversies in both his ascents in the rope climb. The first time there was some question whether he jumped the starting gun in making his event-winning time of five seconds, but Army conceded the point. On his next climb, he turned in the same time, but after a short conference among the judges it was decided that he had not touched the marker at the top of the rope, with the result that this trial was declared void.

SPORTS COMMENT

A Johnson won the broad jump competition at the Intercollegiates in New York Saturday, but it wasn't Technology's Stan Johnson. The winner was from Columbia, while Stan was to content with third place. It was expected that Stan would place second to Little, the man who nosed him out last year, but a dark horse in the person of Ben Johnson capped first honors ahead of Little. Jim Thomson, Tech's other point-scorer at the big meet, was only two inches under the winner of the high jump event, which isn't a bad performance at all.

When strangers meet I break the ice

I'm your best friend

I am your Lucky Strike

You like me best because I am so mellow, rich, flavorful. She chooses me in preference to other cigarettes for another reason; because I am so mild and easy on her throat. But you both prefer me because I am made exclusively from fragrant, expensive center leaves. That's why I'm milder. That's why I taste better. No top leaves, unripe and stinging; no bottom leaves, course and sandy, are permitted to destroy my uniform mildness and good taste. I'm your best friend. I am your Lucky Strike.

LUCKIES USE ONLY THE CENTER LEAVES
CENTER LEAVES GIVE YOU THE MILDEST SMOKE

They Taste Better
CALENDAR

Tuesday, March 5
5:00—Glee Club Practice, Room 10-250.
5:00—Orchestra Rehearsal, Room 10-250.
7:10—Tech Show Chorus Rehearsal, Walker Gymnasium.

Wednesday, March 6
6:00—The Graduate House Dinner, North Hall, Walker Memorial.

Thursday, March 7
2:00—Mathematical Colloquium, "The Extreme of the Solutions of an Elliptic Differential Equation", Room 2-246.
3:30—Theoretical Seminar, "Theories of Magneisium", Room 6-100.
4:30—Physical Colloquium, "Crystalization in Metals", and "Recent X-ray Studies": (a) Seda-Stiles Glass; (b) Modifications of Phosphorescent Room 6-100.
5:00—Glee Club Practice, Room 10-250.
6:00—Orchestra Rehearsal, Room 10-250.
6:30—Basketball Tournament Dinner, Grill Room, Walker Memorial.
6:30—Orchestra Rehearsal, Room 10-250.
7:00—Tech Show Chorus Rehearsal, Walker Gymnasium.
7:30—The Beta Pi Dinner, Silver Room, Walker Memorial.

During one of the intermissions the special issue of Tech News, printed in tabloid style, was distributed by members of the staff and their guests. It consisted of a twelve-page issue with many pictures, news, andfeature articles, all in the style of the Boston Daily Reveal.

Institute Gym Team Loses To Army, 36-18
Big Crowd Sees Meet; Van Ham, Flaitz, Miller, Star

Approximately 200 people interest- edly watched the M. I. T. gym team meet West Point last Saturday afternoon and saw it go down gallantly to defeat by the score of 36-18. The Army team of 17 men all delivered smooth performances.

Van Ham, Tech Captain and Hall of Army both gave distinguished per- formance on the flying rings, and side horse respectively. Van Ham's polished series on the rings ending with his cleverly staged toe dismount earned him an easy victory. Hall starred on the horse, amply demonstrat- ing his right to the intercollegiate Championship which he has held for two years.

First places were evenly distribut- ed, the cadets dominating the second and third positions. Miller turned in a stirring rope climb breaking his own record with a new one of 8 seconds. Flaitz has improved greatly since the opening of the season; he finished double somersault and somersault forward horse respectively. Van Ham's double somersault forward horse respectively.

The following schools have been chosen: Flemington, Brockton, Lynn Classical, Chelsea, Quincy, New Bedford, Worcester Commerce, and the winner of the Essex County League. As it stands now, Beverly is to play Glouchester tonight, and if it wins will play Raver- hill in that event a play-off the fol- lowing night will decide the entry.
