Student Conference Will Investigate Government Jobs

Meeting At Harvard To Discuss Chances For Student In Public Service

To study the advantages and disadvantages of entering public service, the Student Conference on Careers in Government has been planned to take place this spring at Harvard University. The project was undertaken by a group of students to meet the pressing need for impartial and precise investigation of the opportunities and security of jobs in government, federal, state, and municipal.

Devise New Procedures

College presidents throughout the country have harped on the new problem of training American students for public service. President Conant at Harvard in a speech before the New York Economic Club declared: "We are bringing all the resources of the University to bear on this problem, with the expectation that we can devise a number of new procedures by which we may prepare for governmental agencies."

Needed Men to Speak

A dozen speakers all intimately and personally acquainted with government as it is will lecture at public meetings and conduct informal question-and-answer round-tables at the conference. Some of the speakers thus far engaged are: Dr. Tyler Dannenhoffer, president of Williams College, who will speak on the "Dangers of Big Business"; Leonard White, United States Civil Service Commissioner, on "The Federal Civil Service"; Dr. Arthur Macmahon, professor of Government at Columbia University, "A Critical Study of New Deal Officials"; and the Republican candidate for Mayor of Worcester in 1933, who will speak on "Municipal Police as an Avenue."

Executive Woman To Speak

Some woman actively engaged in public service at Washington will speak on "The Woman's Stand in Politics." The conference includes a speaking program Friday evening, April 13, and Saturday afternoon, April 14, and round table discussion Saturday morning.

Dr. Arthur Macmahan, professor of Science, will be in the leading role as Ruth, Robert's wife, in "Beyond the Horizon". Miss Grace A. Mayo, Ethelyn S. Trimbey, '36, Irwin Stanford, '36, and Frederick R. Claffee, '37, will speak on "Municipal Police as an Avenue."

Dr. Arthur Macmahan, professor of Government at Columbia University, will speak on "The Federal Civil Service". The conference includes a speaking program Friday evening, April 13, and Saturday afternoon, April 14, and round table discussion Saturday morning.

Sports Comment

The Technology gymnastics will be busy places this week-end, with boxing, wrestling, basketball, and fencing all on tap for sports followers. The gym team offers another fine attraction, with the Annapolis Middies bringing a squad of nineteen gymnasts to Walker gym tomorrow afternoon. Evidently no one will want a chance to get a little peace and quiet. His only such opportunity will be the result of the temporary stands in the Hangar necessitated the covering of the stands.

Choose me for your companion. I don't tolerate the bitterness, the acrid sting of undeveloped top leaves. Why should you? I don't tolerate the harshness of gritty, tough, bottom leaves. Neither should you. I give you exclusively the fragrant, expensive center leaves—the mildest, the best-tasting of all. They permit you to sign myself "Your Best Friend."

N. E. I. W. Medal

Technology Will Compete in The N. E. Swim Meet

Eight Men Will Represent Tech In Meets In Conn.

Technology won, and eight men to compete in the New England Intercollegiate Swimming Association meet which will be held on March 8 and 9 in Middletown, Connecticut. The meet is under the auspices of Western College which will supervise the matches which will take place in the Wesleyan Pool.

Knowing that it is better to send down a smaller number of men who are more likely to win their events than to attempt to win the title, Mr. Cooper, swimming coach, is sending the following eight men to meet the matches. The events in which the men are entered are an aggressive and tentative and will be decided upon during the competition as the coaching staff sees fit.

The list of men is as follows: Jack Chapple, 10 yard free style, 100 yard free style, relay; Donald Venamart, medley relay, 200 yard breast stroke; Robert Groenbler, Captain, in individual medley, medley relay, 200 yard medley relay, 100 yard back stroke; Peter White, Medley Relay, 200 yard breast stroke; Jack Hennessey, Medley Relay, 200 yard free style; Forbes, 100 yard free style; Don Hyatt, 100 yard free style; Clark Young, 100 yard breast stroke; Donald Venamart, medley relay, 200 yard medley relay, 100 yard back stroke; Tech gymnasts on Saturday March 9, 1935. In the fourth meet of the current season, the gym team will meet the University gymnastics of the Navy on Saturday March 9, 1935. The meet will take place in the University Field House. Coach Tommy Tucker will start active practice; as many freshmen as possible should report on Monday. If a sufficient number turns out, a Freshman team will be formed.

Gymnasts Meet Navy Saturday Afternoon

Close Fist is Expected; Navy Was One of Strongest Teams In East

In the fourth meet of the current season, the gym team will meet the University gymnastics of the Navy on Saturday March 9, 1935. The meet will take place in the University Field House. Coach Tommy Tucker will start active practice; as many freshmen as possible should report on Monday. If a sufficient number turns out, a Freshman team will be formed.

Inter-class Meet in Track Saturday

Johnson and Thompson Expected To Lower Records After Winter Training

Saturday afternoon at 3:30 P.M. On the track, world records will be attempted and the results will be recorded. All the indoor records on the books in the indoor records will be attempted and the results will be recorded.

Records May Be Broken

The field events records are the ones that will be attempted. In the broad jump, Stan Johnson, who won in the University Club Meet and placed first in the Eastern States meet in New York, recently, should have little trouble in breaking his record of 21 ft. 10 in. He has recently jumped over 20 ft. 2 in. during two meet, and in each case he showed improvement. At the recent meet in Connecticut, the Club Meet at a new Class "A" and the Eastern States Meet in New York, recently, should have little trouble in breaking his record of 23 ft. 10 in. He has recently jumped over 20 ft. 2 in. during two meet, and in each case he showed improvement. At the recent meet in Connecticut, the

Lacrosse Schedule

Lacrosse practices this year will begin on Monday, March 12, 5:00 o'clock outside the Harbour Field House. Coach Tommy Tucker will start active practice; as many men are here listed to compete are more likely to win their events than to attempt to win the title. Mr. Cooper, swimming coach, is sending the following eight men to meet the matches. The events in which the men are entered are an aggressive and tentative and will be decided upon during the competition as the coaching staff sees fit.

The list of men is as follows: Jack Chapple, 10 yard free style, 100 yard free style, relay; Donald Venamart, medley relay, 200 yard breast stroke; Robert Groenbler, Captain, in individual medley, medley relay, 200 yard medley relay, 100 yard back stroke; Peter White, Medley Relay, 200 yard breast stroke; Jack Hennessey, Medley Relay, 200 yard free style; Forbes, 100 yard free style; Don Hyatt, 100 yard breast stroke; Donald Venamart, medley relay, 200 yard medley relay, 100 yard back stroke; Tech gymnasts on Saturday March 9, 1935. In the fourth meet of the current season, the gym team will meet the University gymnastics of the Navy on Saturday March 9, 1935. The meet will take place in the University Field House. Coach Tommy Tucker will start active practice; as many freshmen as possible should report on Monday. If a sufficient number turns out, a Freshman team will be formed.

Nordfolk Ag. Students
Tour Technology Area

Twenty young men from the Nor- 
kolk County Agricultural school made 
their visit to the Institute on the af- 
fernoon of Wednesday, March 5 and 
were shown through the different de- 
partments by William Jackson of the 
information office. Every year for the 
last eight seasons a group from Nor- 
kolk has included a similar tour of 
inspection in its program. The stu- 
dents were much interested in the 
electrical and aeronautical labora- 
tories and apparatus, the wind tunnel 
especially coming in for its share of at- 
sention.

Breakfasts 15c to 35c
Lunches 35c to 60c
AT Lydia Lee's
155 Massachusetts Avenue
Promotions Ordered For Three Officers

Basil A. Martin, Jr., '36, has been promoted to the rank of captain and will be in command of Company "A," according to special orders issued on March 5 by Captain Raymond Johnson of the Department of Military Science. Milton X. McAskill, '36, on the same date was promoted from second lieutenant to first lieutenant, and Delwin M. Campbell, '36, was appointed second lieutenant.

Debating (Continued from Page 1)

Technocrats, probably in Room 10-250, on April 10. The subject, as previously announced, will be the advisability of the extension of "draft treat". The Debaters will become circumspect and defend the status quo, while their opponents will argue for sharing the expenses.

Chemical Society To Hear Gaston du Boise

Frank J. Curtis To Tell Of Experiences In Panama

Gaston du Buis of the Monsanto Chemical Company of St. Louis, Missouri, will speak tonight at the 5:15 Club meeting of the Northeastern section of the American Chemical Society at the American Academy of Arts and Sciences, 28 Newbury St., Boston. His subject will be "New Developments in the Application of Organic Intermediates to the Industrial Arts".

Following the meeting, dinner will be served at the Engineer's Club, 2 Commonwealth Ave., at 6:00. At the dinner, Mr. Frank J. Curtis will describe his recent experiences in Panama and northern South America. An invitation is extended to all interested in "Caribbean Chemistry" and the life of organic intermediates.

M.I.T. Fencers Defeat Boston College 14-3

Following up their recent win over the YAOA, the varsity fencing gained an easy victory over their Boston College opponents in the Walker Gym last Wednesday night, with the final score of 14-3. Captain Hugh Pedern is looking forward to another win this evening Saturday when his team meets the Northeast Fencers at MIT.

The summary of this meet:

Fencers (T) defeated Boston College (B), 14-3; McAskill (T), defeated McNulty (B), 5-1. In crew, basketball, soccer, lacrosse, and hockey, the medal will go to the most valuable player. For sports like gym, boxing, fencing, and swimming, awards will be made for each event.

Four Squash Tournaments Slated To Start Soon

Entries To Close On March 13;
Cohalan, Terry Entered

Four squash tournaments soon will be in full swing at the M. I. T. courts. All sign-ups must be in by March 18. The tournaments are the following: the Emerson Cup, open to all men eligible for varsity sports; the Junior Varsity tournament; the freshman tournament; and the Individual Freshman tournament which is open to all freshmen not on the varsity squash team.

Cohalan and Terry who were entered in Intercollegiates and lost in the second round are entered in the Emerson Cup tournament and should be among the leading competitors.

Street, Boston. Tickets, priced at one dollar per person, may be obtained at the information office, the T. C. A. office, or from Professor L. F. Hamilton.

As "Husbands Go," which was a hit both on the stage and screen, has at its theme the effect that European travel has on non-resource-starved, typically American women. The play opens when plans are being made at home to receive the lady of the house and her husband, who are returning from an extended tour of Europe. Imagine the surprise of the white householder, especially of the husband, when it is discovered that the ladies have brought home with them their male companions of the tour.
