Tech Fleet Opens Sailing Tourney
Winning Sailing Teams Gain Points Towards Competitive Prize In Spring

Windy skies, choppy waters, and a heavy smoke on board made the Sailing Tourney a success. At the end of the tourney, the three winning teams will be awarded the Competitive Prize.

“Two Dinghies Capsize In Trials On Sunday
Gusty Weather Responsible For Mishaps, Says Prof. Owen

In their first trials Sunday, with a hard, gusty wind blowing, two of the Tech dinghies capsized, but all concerned were very much pleased with their performances. According to Professor George Owen, who was in charge of the direction of the boats, the fact that there were so many winds under the unfavorable wind conditions spoke very well of the skill of the skippers. The wind, coming in hard gusts, was responsible in such case for throwing the boats over.

The three winning teams are: Will H. B. Bassett, ’36, president; Joseph H. Smith, ’37, vice-president; Robert H. Potter, ’36, secretary; and Ethel M. Riis, 37, and Oscar E. Frankel, ’38, treasurer. The executive committee is as follows: Richard Bassett, ’37, Peter M. Bellingham, ’37, and Richard A. Denison, ’38.

Technology Eighth In Fencing I-C's

Owl, Barlett, Bainoton Score The Majority Of The Tech Points

The Technology fencers brought home a fine showing at the 1936 Fencing Intercollegiates last Saturday, in

New York. Although the team placed eighth in the over- all standings, they did better than any other

team in the Institute's history.

The team, composed of the top fencers in the Institute, won all of the matches played. The team consisted of

four fencers: John A. Begell, Walter T. Blake, Cleon C. Dodge, and Robert J. Brauer.

The team's performance was impressive, and it is expected to continue its strong showing in the future.

Sports Comment

Captain Joel Bulkeley's 18th infantry team came up against its campaign the next morning, March 31st, with a

strong showing. The team was headed by Coach Halpern, who has been in charge of the Tech soccer program for several years.

The team's performance was impressive, and it is expected to continue its strong showing in the future.

The number of options offered for sale this year will be limited to encourage early purchase. The price of the tickets for those not buying options will be $4.50, an increase of 75 cents. The total number of tickets sold will also be limited to provide a double incentive for the purchase of options. Options go on sale in the Dramashop tonight. The dormitories, whoclassed the dates for the dance, May 1st, to the freshmen, have been allotted a number of options to be placed on sale tonight.

Each fraternity as well as the dorms will have one or more tables reserved. The committee has arranged for a greater number of tables than were available last year.
