Large Crowd Hears Speeches On Peace At Tech Conference

Student Body, Faculty, League Of Nations Represented

Various Opinions Expressed On Question Of World Peace

A. S. U. V. W. F. W., Seaboard And Blade Student Groups Represented

William A. Merritt, Reporter, in his report on last night as an event from 9:30 until 10:12 at the Main Lobby, Tech Conference, the President of the Institute and a former director of the Bureau of the American Red Cross, gave a speech on the question of international peace. He was accompanied by T. E. M., and Van Dye, two of his assistants. T. E. M., and Van Dye, two of his assistants.

Mr. Merritt's talk was on the subject of the League of Nations, and the President of the Institute, Dr. Louis W. Croke, gave the opening speech. He then introduced Dr. L. W. Croke, who spoke on the subject of world peace and the importance of the League of Nations.

The President of the Institute also spoke, and he emphasized the importance of the League of Nations in maintaining peace and prosperity in the world. He spoke of the need for cooperation among nations and the importance of international law.

The meeting was attended by a large audience, and the discussion was lively and informative. The President of the Institute, Dr. L. W. Croke, was then introduced and he spoke on the subject of world peace and the importance of the League of Nations.

The meeting was adjourned at 10:12, and the audience dispersed. The President of the Institute, Dr. L. W. Croke, gave a speech on the subject of world peace and the importance of the League of Nations.

Guerke And Stan Johnson Win 1st In G. I. Track Technology Team Places Only Fifth In Meet; Harvard Places First
Beavers To Meet University Of Maine On Open House Day
McDellan Comes In Second In 400-Meter Run After A Fast Finish
Stan Johnson, '36, starred in the Greater Boston Intercollegiate track meet over the weekend when he won two events and was second in the broad jump, breaking the meeting record. His finish in the 200-meter hurdles was a close one, only one hundredth of a second behind the winning time of Tech's Karl Pollock. Johnson's 150-meter hurdles time of 20.8 seconds was a new record, while his broad jump of 23.5 feet tied the Institute record set by Rudy Ozol.

The freshmen in the 200-meter hurdles were second and third, with Jack Pollock, who was close behind the winning time, second with a 21.6 second finish. As a team, Technology placed third, with a team score of 48.

The meet also featured a match between the University of Maine and Northeastern. The Engineers were victorious, 6-1.

Technology Varsity, Junior Varsity, 150, and Freshman Shells All Lose
Late Saturday afternoon, the Technology Varsity, Junior Varsity, and 150-pound shells were all defeated by Yale. Tech shells were defeated by Yale, the nose count of the meeting was 2-1, and 8-1, respectively.

The Technology Varsity crew, however, put up a good fight, but were unable to put down regatta times. A closer look at the results shows that the Technology crew was only 5.5 seconds slower than the Yale crew, and only 7.5 seconds slower than the Yale junior crew.

The Technology Varsity crew did have the wind going their way as they approached the finish line. Yale's crew, however, was able to pull ahead, and Tech's crew was unable to overtake it.

Broad Jump
Johnson, who subsequently left the game with a back injury, led the way in the broad jump with a leap of 23.5 feet. His teammate, Rudy Ozol, came in second with a leap of 23.2 feet. The third place finisher was Dave McLellan, with a leap of 22.5 feet.

The Technology team, however, was unable to put up a strong showing in the broad jump. Their best attempt was a leap of 20.0 feet, which was made by Rudy Ozol. Dave McLellan came in second with a leap of 19.5 feet, and Stan Johnson finished third with a leap of 19.0 feet.

Technology Tennis Teams Victorious
Varsity Defeats Brown 5 To 4; Junior Varsity Wins; Freshmen Lose
Technology's tennis teams had a successful weekend, winning two out of three matches. The varsity tennis team was able to defeat Brown by a score of 5-4, while the junior tennis team defeated the University of Maine by the decisive score of 6-0.

I. T. 1938 Associated, with a graph plotting the current value of the bonds and the prospective value of the dividend.

Daily returns of the sales are shown on a chart below the graph, where the daily sales, high and low prices, amounts bid and asked, total sales, and the Dow Jones Index are posted for the M. I. T. 1938 Associated bonds, options, and tickets.

Admissions without options will be $1.75 a couple, while the options will entitle the holder to purchase a ticket for $2.00 a couple—one dollar more than the price of the options. Regular admission will be $1.25 and $1.00 respectively.

Lou Perry, a vocalist known for his renditions of "Ring a Ring of Roses" and "I'm a Magpie," will entertain during the dance.

Options will be on sale in the Main Lobby from 12 to 2 o'clock every day, and they may also be purchased from the members of the committee.
