T.C.A. Hears Talk On Youth Hostels

Miss Betty Blodgett Lectures On Purposes of American Association of Hostel Operators

Miss Betty Blodgett of the American Youth Hostel Association was the guest speaker of the T. C. A. In Michigan Hall last Thursday afternoon. Miss Blodgett is field worker for the association and has visited the main hostels in America and Europe.

Colorful photographs of trips in America and Europe are shown. The Youth Hostels are operated to enable youth where they can stay and mix intimately through America. There are 77 hostels in New England. Starting out with four, it is possible to travel to the White Mountains passing a hotel every 15 miles.

The charge for lodging at the hostels is twenty-five cents per night. Most hikers need little more than a bicycle and a considerable number go by foot. This is the same as that for the rider.

The address was introduced by Prof. Ernst A. Hausser of the Chemical Engineering department. Dr. Hausser has seen many of the hotels in Europe. In. W. Warren Evans, '39, of the meeting department of the T. C. A., organized the meeting.

Catholic Club Holds Last Meeting Of Year

Paul Black '38 Is President for Second Time

The annual dinner meeting of the Technology Catholic Club was held last night in the Silver Lounge. Members were: Tony S. Black, '38, president; Richard J. Quimby, '38, assistant, and a guest was the club's guest. Plans for next year were discussed. The club will hold its annual Fall Alumni Dinner shortly after school begins. A spring dance will be held later in the year. Paul Black '38 is new president of the club.

Approval List Of Tutors Being Compiled At Office

The approved list of Student Tutors has been compiled at the office of the Student Tutor. The list of students, who have been approved for the academic year and in the order of their rank in the academic year, are listed below.

Degree Candidacy Letters To Reach Term Addresses

The notices regarding reconsiderations for students will be mailed to the term address of candidates, who have been dismissed by the Faculty. The notices are mailed otherwise than as students.

There are four tickets in the graduation season for the following courses of the graduating class. These tickets will be sold at the Information Office, Room 18-12.

Announcements for the graduation season are mailed on a ten-day notice. The announcement envelopes are stamped, and the student will be charged for the stamps.

5:15 Will Sponsor Moonlight Cruise

Steamer "Town of Hull" Sails On Dancing Excursion On June 2

The annual 5:15 Club moonlight sail will be held on June 2 for the final Stratton Prize, "Town of Hull." Dancing will be possible on both decks and the Vista Bar will be available for refreshments until one to the time of Leaving Mayor's orchestra.

This year the first moon light sail will be held on the "Town of Hull," a new boat. Refreshments will be available on board.

Admission to the dance is open to all students, dormitory and fraternity as well as commuters, and is a charge of 50 cents. Tickets are available from members of the committee and will be in the main lobby within the next week.

New Beaver Club Men Announced Last Night

Initiation At Banquet Proposed May Twenty-first

Edward B. Fensom, Jr., '38, president of the Beaver Club announced last night the names of the new Beaver Club men. Those elected to the Junior honorary society last night. The members chosen will be initiated at a banquet in the form of a picnic to be held Monday, May 31, in the vicinity of Medfield.

PAY THE WAR DEBTS

PAY THE WAR DEBTS WITH SCHOLARSHIPS

A recent repeated defaults on the part of the nations owing us war debts we have almost forgotten that these countries owe us some $9,000,000,000. Yes, but do you really think of it as a small thing at the thought of the way we are being "cheated." Very rare is the American who looks at the problem in the correct light.

The war debts were not loaned to the Al- banians, Filipinos, Persians, or any other foreigners. It was a loan to the people, which is the only sound way to settle war debts. It is not our money, it is the people's money.

These are elementary facts which should be familiar to anyone who has studied economics. If the debts are to be paid at all, we must receive goods or services which do not compete with our own. Under these circumstances the acceptance by the United States of such goods is the only sound way to settle war debts.

Under no condition can we operate a school system in our public schools which is not free from war debts. The efficiency of our school system will be affected by the amount of the war debts. Our schools are already suffering from the amount of the war debts.

The American who looks at the problem in the correct light.

The only means of payment we have seen is currency, which is the only means of payment we have seen. It is our only means of payment. It is our only means of payment. It is our only means of payment.

Harvard Defeats Engineers, Lions On Charles River

Valentine's 150’s, Nosed Out By Crimson, Defeat Columbia

Light Crew Will Go To Narragansett

Outmaneuvered by the smooth-rowing powerful Harvard crew for the third time this year, the fighting hand-capped Beaver coxswain followed Columbia across the finish line seven lengths behind the Crimson in the triangular meet held on the Charles last Saturday afternoon, showing sufficiently, the jayvees pulled across the last marker half a minute behind the Union Boat Club crew while Harvard took the race. The lightweights like last week, again rowed a houseboat race, finishing the stern of the Crimson ship half a length ahead of Columbia. The yearlings displaced the lightweights rowing.

The varsity and jayvee boats have been decisively defeated in all of their three regattas this year. They have a nice rowing style but lack the power necessary in a winning crew. The 150 pounds and fourth, on the other hand, have rowed boats of equal quality.

The lightweight got off to a good start (Continued on Page 3)

Tech Tennis Team Defeats Men Union

Victorious Players Compete In Intercollegiates At Williams

Raising their total to three victories put four player the Beaver court overhand defeated the Men Union College varsity tennis team by a 7-3 score Saturday at Schenectady. The team dropped one single and one double match to the Men Union in easy fashion.

Captain Cliff Lytle found the slightly tough in defeating Howie Milne 6-4, 6-1. Ray Oldfield edged out Ormsie in the only other upset of match of the day, 6-3, 6-4, 6-4. Veteran Cy Stearns had an off-day dropping his singles match 6-1, 6-7, and then batted with Bill Babcock in lose 6-3, 6-3. John Whiley Bill Babcock, and Wally Weisgerber in straight sets Lyle and Oldfield, and Whiley and Vajdak perfection their doubles opponents hardly.

Cliff Lytle, Cy Stearns, Bill Babcock, and John Whiley traveled to Williams College yesterday to engage in the Intercollegiates. Shortage of venues for practice has greatly hampered the team, but the men are optimistic of the strength of their good showings.

The Union Victor posted the team average up to 7-0. They closed with a win against Colby, dropped a match in the strong Dartmouth line-up, and defeated Tufts to the Union.

Winning five singles and four doubles matches yesterday and one encounter defeated the Boston College from a 9-0 score.
