Compton To Give Talk Over Radio For Open House

Physics Department Announces Van De Graaf Generator to Be On Display

The Club Will Also Accept Written Orders for Don Gahan's Band

Spectroscopy Laboratory Plans Big Exhibit Featuring Spectra Machine

As part of the Institute’s effort to stimulate Open House, President E. C. Compton is to speak on a national radio hookup the evening of April 18 and 19. His subject will be “Students Educate Themselves in Physics.”

Glee Club Shares Program With Physics Department

The Glee Club shares its program with the Physics Department on April 18th. It will present an evening of two parts program: a choral recital, and a collection of oratorios, madrigals, and motets.

Compton is to speak on a national radio hookup the evening of April 18 and 19. His subject will be “Students Educate Themselves in Physics.”

5:15 Dance To Be Held on Monday

Dormitory and Fraternity Men Remaining in Basement Are Invited

Providing a form of entertainment for those who will not leave the campus during the coming vacation, the El Club will hold its Spring Dance on Monday at 5:15. The “El Club Dance” is broadcast by radio into the basement of the dormitory.

In all the previous regattas this year, the Nautical Association has isolated no particular college particularly on the Charles, so this is the first time this year that an official trophy will be awarded.

Don Gahan's Band

Don Gahan's Band will entertain at Open House Ball

Jack Whiting Will Appear As Vocalist In Drum and Fife Band

Winter Or Spring Formal Dress Will Be Required

No Dance Scheduled For April 29; Tickets Sell At $1.75 Per Couple

Featuring the music of Don Gahan and his orchestra, the Open House Ball, sponsored by the Promotions Committee, is scheduled for April 29 in Memorial. Dancing will be from 9 to 2 with ticket prices at $1.75 per couple.

Sandorff Is Elected Next Year's Chairman For Dorm Committee

Senior House Committee And Members At Large Also Elected

Paul E. Sandorff, '39, was elected chairman of the Dormitory Committee, and William C. Norton, '38, was elected to the closest elections in the history of Fellowships elections.

Gill, who was earlier in the week elected to the Senior House Committee, has been active in the Engineering, a member of the three-night program of dance and evening entertainment planned for the evening.

Brewer is Elected Captain Of Swimmers

At the annual banquet of the swimming team, held in Walker, Wednesday, May 25, Riley E. Anthony, '39, was elected captain of the swimming team, held in Walker, Tuesday, May 24, and will serve as captain for the upcoming season. Anthony, who has been a member of the swimming team for the past three years, is known for his dedication and hard work. He will lead the team in their upcoming competitions.

Dorn Dance (Continued from page 1)

28) National Dormitory Association: In response to inquiries concerning spring formal dance for the Open Dormitories, the committee asked the National Dormitory Association for permission to have the dance in their facilities. A decision will be made soon.

30) Budget Committee: The committee for the dance has asked the dormitories to contribute $50 to their budget. The committee has also requested that all dormitories provide snacks and drinks for the event.

31) Student Senate: The Student Senate has approved the use of the Student Center for the dance. The committee is grateful for their support.

Sanidorff, '39), and Barney Mehren, '38.

First Spring Handicap Meet Is Held Thursday Night

With a hopeful prayer towards the weather man, Coach Oscar Holland had the meet ready. 1000 spectators watched the Spring handicap meet meet Thursday night. The meet was a huge success and the team did well overall. The meet was held on the outdoor track at the university.

Sophen Gain Second Place In Baseball

Freshmen Are First In League; Junior Coaches Tie For Last

Defeating the Janitors by a score of nine to three, the Sophomore team gained second place in the interclass baseball championship race. Thefaculty professors were not surprised, but pleased, by the Sophomore team's performance. The team has been working hard throughout the season and their efforts have paid off.

Pearl Harbor: The attack on Pearl Harbor on December 7, 1941, had a significant impact on the United States. The news of the attack brought the country into World War II. The United States declared war on Japan, and the war spread to other parts of the world.

Technology Fencers On Trip To New York

Five Men From Varsity Compete In Intercollegiate Bouts

Five of the Institute fencing team have been invited to New York by Dr. Morley to compete in the annual Intercollegiate Fencing Championship. The team will be led by Captain John Alexander, who will be accompanied by other members of the fencing team.

Open House (Continued from page 1)

Van der Graaff-type high-voltage generator is to be a steady part in their exhibit of physics because of the exhibits it has received. The generator is also to be well represented by Professor Arthur C. Clark of the School of Engineering. He is an authority on the subject of particle acceleration and is known for his work in the field of high-voltage physics.

New Light Source

New Light source being tested in the Physics laboratory. This new light source is being tested in the Physics laboratory.

Fly With Wiggins Airways

Modern Planes—Veteran Instructors

Flew With Wiggins Airways

Newly appointed President of the university, Professor John Smith, has announced that the university will be flying with Wiggins Airways. The airline will provide transportation for students and faculty members to and from the university.

LALIME & PARTRIDGE, INC.
1255 Boylston St., Boston Mass. Ken. 2760

"Tobacco Growers Favor Canvases for Their Smoking!" is the majority opinion in a survey of successful, well-known tobacco planters.

"When Camels says something, you bet I smoke it," says Mr. Ed Edwards, able cigarette planter, who smokes tobacco from Camel. "I ground it because it is the finest crop, for instance. I smoke at least two to the day. I have tried both the leading cigarettes, but they don't compare. You should try Camel. I have smoked all the others but my preference for Camel. It's the best, most successful cigarette I have ever seen." Consider that this man uses only one brand, and he has tried the others. It is not surprising that Camel is the only cigarette with such a planter.

"Last year I had the best crop ever," says Mr. Roy Jones, another experienced planter who prefers Camel. "The crop was 280 per cent above average, because I grow it by itself, and the leaves are all above the crop for the choice of leaf tobacco. They paid the highest price ever, but I don't sell anything. Considering that I use, say, 300 leaves to the county, it's not surprising that Camel is the leading cigarette with us planter."
