The Tech Announces Quizzes
For Religion Poll Tomorrow

The following questions will
be put to the student body
tomorrow, when The Tech holds
its annual religion poll. It will be
available in the main lobby from
9 A.M. until 5 P.M. The poll will
be edited by prominent Technology
professors and the students will be
raised by the poll, Professor Robert
H. Creamer, professor of the
Mathematics Department, wrote on "Fundam-
entalism" and "Materialism" respectively, last day. Today
the English Department discus-
sed the topics, and Professor

DEATH MAKES NO CHOICE

"For the first time in the history of this continent, you have to admit that, whatever may be our beliefs and convictions, there is no choice but to accept death itself as a fact of life."

The Chinese students at Harvard are trying to alleviate the suffering of their compatriots in China through the New England Committee for Relief in China. This committee, which has representatives from the various educational associations, is working to provide relief to the Chinese citizens of Boston and other parts of the United States. The committee's goal is to aid those affected by the recent conflict in China.

Groton Takes Freshtemen Fifities
Technology's crews suffered their first setback this season last Saturday. In contrast to last week's clean sweep, this week resulted in complete and total defeat. The Tech varsity was defeated both by Harvard and Rutgers. Harvard's boat very well manned by Jim Chace had the best of it all the way and after ninth sound, was 122 yards ahead. The varsity of Rutgers also lost to Transportation's junior varsity.

Golf Team Scores
Win Over Norwich

Wilmith and Whlesse Leaders
In 9 to 6 Whitewash

OF VERMONT

The Technology Golf Team played a one-stroke match with Waverly Polytechnic Institute on Friday at the Springfield Country Club. It was a well-played match and the outcome was not decided until the last putts on the greens.

On Saturday the Technology team defeated the Norwich University by 9 to 6 score. Wilmith and Whlesse led on in exceptionally fine form for Technology.

**Senior Week (Continued from page 1)**

Here members of the Institute usually attend this exercise. At 4 P.M. of the same day a Tea Dance will take place in the Main Hall of Walker Memorial.

Ball End Activities

The activities are to end with a ball on Thursday from 11 to 12. Supper will be served. The place and orchestra have not been revealed.

By having their tickets under the blanket offer, Seniors will save $2.50. Students of the Tech and Engineering Department are served at 11:00, 11:15, 11:30, and 11:45.

Members of the Executive Senior Week Committee are John R. Cook, Chairman; Dale F. Morgan, Frederic R. Egan, Robert E. Webster, and Robert C. Cussewalt, as representative of the Junior Class.

**Junior's to Report to Library for Technique Photographs**

Arrangements for the Senior pictures in next year's Technique will be made on Thursday and Friday, according to an announcement last night by the Tech crew.

All Juniors are requested by the Tech crew to report to the Main Lobby between 9 and 1 on one of those two days, in order to arrange for the taking of their photographs.

**POLL**

(Continued from page 1)

1. Are you a member of any church?
2. Do you belong to your own free will?
3. Do you believe in a God?
4. Is this God all powerful, all good and all knowing?
5. Do you believe that human destiny is controlled by divine power?
6. In your opinion, does science tend to diminish the possibility of a God?
7. Do you consider a life after death to be possible?
8. Are scientific facts thus far ascertained consistent with biblical claims?
9. Have you reached definite conclusions on religious questions?
10. Are definite conclusions possible?
11. Do you think that religion is necessary for preserving the moral standards of the masses?
12. Has your education at Tech changed (1) strengthened (2) weakened your religion?

Chesterfield and Andre Kostelanetz...they bring more pleasure to millions...

...real pleasure...carefree pleasure!

You enjoy it in Chesterfield's refreshing mildness and better taste...that "extra something" that makes you stick to Chesterfields.

Chesterfields are made of the world's best cigarette ingredients...mild ripe tobaccos...home-grown and aromatic Turkish...and pure cigarette paper. When you light a Chesterfield you're smoking the cigarette that satisfies.
