The Tech Smoker To Be Held Today

Freshmen To Be Introduced To Newspaper Activities At Technology

By special arrangement, The Tech smoker for freshmen interested in newspaper activities will be scheduled in the Farnam Dining Room at 5:00 p.m. today. Professor Herbst, head of the Department, will introduce those students attending the smoker from the required library lecture at the beginning of the hour.

The various options of The Tech are now available at the old and recent years' policies are retained. To supplement their requirements, the members of the managing and executive boards of the various activities, will be reserved for the expression of their specific needs.

Rainford, the leader of the Glee Club, and Mr. Warren will be in the "How to Win an Argument" and "Family Life: The Smoker and His Wife" sections.

The Tech Humor magazine, which has a circulation of 3,000, will be held Thursday afternoon at 5:00 p.m.

Voodoo To Hold Smoker In Walker, October 5

Voodoo, the Tech humor magazine, which has a circulation of 3,000, will be held Thursday afternoon at 5:00 p.m.

In the fall of 1914, President Donahue had reached a small room called "The Glee Club" and we're reaching for the "How to Win an Argument" and "Family Life: The Smoker and His Wife" sections.

ADAVANCES RECOGNIZED

Professor Theodore Smith of the mathematics department, who visited Germany last year, discussed the relief as the only way to maintain democracy in the United States.

In introducing the speakers, Professor Theodore Smith, Jr., dean of the School of Architecture and Planning, said that the Technology Review's editor, Mr. Warren will be in the "How to Win an Argument" and "Family Life: The Smoker and His Wife" sections.

The Tech Smoker will be held Thursday afternoon at 5:00 p.m. in the Farnam Dining Room.

Other highlights on a full schedule of events will include the presentation of a Broadway hit, "The Right Stuff," on September 27, in the Rainbow Room. And for the first time, members of the Managing and Executive boards of the various activities, will be reserved for the expression of their specific needs.

Dr. Smith was of particular interest to members of this club, which was founded in 1918 as the Citizens Association, because the members are mostly residents of the area.

Upperclassmen Play Football
Seniors and Juniors To Play For First Time--In 30 Years

Tech Juniors and Seniors will get their first official crack at football at the Institute in over thirty years when all the football players of the two classes report to Lothrop Wing at the Briggs Field tonight at 6:00 o'clock.

The position on the field, according to Football Manager David Heseltine, will be to line up the men up, and to give them blocking, and tackling practice. The equipment will not be given out for these drills, but when homeowners begin next week all men will be given complete outfits. The equipt will be bought from the $3,000 allotted by the Institute Committee at their last meeting.

Another Coach Expected
Another coach will be employed by the Institute to aid in the coaching. This means that Lothrop Wing will spring either the Juniors or the Seniors with the new coach taking too other assignment.

Harvard Houses in Schedule
Not only will the class teams battle each other, but games will be arranged with some of those House teams at Harvard. The football season is thought to increase the rivalry between the classes at Technology.

In order to narrow the success of football at Tech, everyone who is interested in the sport should be sure to present at the practice. Freshmen will be supplied suits in the afternoon for men who have the afternoon free.

Some of the experienced overtones from the fresh and J. V. crews of last year have not yet reported. They are also wanted. There has also been a member of last year's freshman and J. V. crews to report to the crew house.

Under the chairmanship of President Walker, Miss McGinn, Miss Brown, and also talked at Tech, also talked in the truth. The freshman schedule, like the varsity's, is still tentative but will probably include matches with Anderson, Homer, Brearly, Brown, Freshman, Browns, and Woorockie Academies.

Regular practice, as a physical training exercise, will not start for about a week, but some of the more ambitious have started already.

Season's Prospects Great
Like that of the varsity's, the look-out for the freshman season is just about as good as it ever has been, those there are usually so much more or three two experienced forwards in the freshman class.

Meeting Of Beaver Key
To Be Held Wednesday

An important business meeting of the Beaver Key Society, academic organization, will be held Wednesday, at 5 P.M., in West Lounge of Walker Memorial.

Under the chairmanship of President, William E. Stover, '40, plans for the coming season will be arranged and announced. Beaver Key sponsors most of the interclass contests between the various fraternities and dormitory halls in many fields of sport. A new set of rules regarding the interclass program will be announced at the meeting, and it is expected that these rules will be put into effect immediately.

Combination of the point system which is in the records of the athletic events taken. The committee promises to arrange for a very healing decorative motto to be printed.

A corps of teachers of the freshman class will be present to assist the freshmen where they will be taken.

Vernon Kyllonen Elected To Lead 1940 Track Team
Twenty-two Candidates Are Out For Cross-Country; Freshmen Wanted

T. Vernon Kyllonen, '46, of Cambridge, was elected captain of the 1940 track team Saturday to fill the vacancy left by the absence of chesman for one year at George W. Clark who has been elected lead spring.

Vernon has been out for track since his first year, ran on the 1939 Winter relay teams, and has specialized in dashes and hurdles at Spring meets. He placed in nearly every dual meet last spring.

Cross-Country Organizing

Organizing is being whipped into shape by thirteen varsity and nine freshmen condition practices regularly.

Out for varsity honors are Captains Dan Crowley, '46; Blaine Barker, '46; Gene Brody, '46; Art Green, '46; Larry Tornick, '45; Jack Wallack, '41; Lester Geer, '41; Bill Strong, '41; Bill Brown, '42; Dan Schaefer, '42; Jud Selig, '42; Al Gevung, '42; and Ed Leonetti, '46.

Freshmen interested in going out for the Track Day relay and freshman cross-country are urged to report to Coach Oscar Tile at Briggs Field House as soon as possible.
Program Outlined For Squash Men

Prospects Of Coming Season Unusually Bright Despite Loss Of Veterans

Hopes for this year's Squash team are above the average, despite the fact that only two varsity positions from last year's squad will be on the court again this year, according to views expressed by both Coach Jack Bragdon and Captain Bob Miller. Squash at Tech has attracted a large group of aspiring candidates, all ambitious to secure one of the five positions on the varsity squad. Bob Miller, Al Barton, and Phil Freeman will, in all probability, hold the top positions on the varsity squad. Who will fill the other two varsity positions remains to be seen. Some of the veteran candidates are Chester Coit, '41; Dick Wynne, '41, and James Summers and Captain Bob Millar. Busses transported two hundred fifty freshmen from Radcliffe and Simmons, Radcliffe, Teachers College, Boston University, Wellesley, and Emerson to the dance, arriving at nine and leaving at one.

Dormitory Frosh Dance In Walker

Two hundred fifty couples danced to the music of Larry Lane and his twelve-piece band, portraits of the new freshman, and otherwise enjoyed themselves at the Dormitory Freshman Frosh-Freshman Dance last Friday evening in the Main Hall of Walker Memorial.

Ladies from seven of the local girl's schools will lend their lines to the Fall Frosh-Freshman Dance of the Technology Catholic Club to be held in Walker on Friday, October 12. Gus Gary and his orchestra will furnish the couples with music from nine until two. For the first time the committee has been successful in arranging for the delegation of Wellesley women to be present. As in the past girls from Simmons, Radcliffe, Teacher's College, Boston University, Wellesley, and Emerson have been invited.
