An institute student's automobile was a victim of two alleged car thieves yesterday afternoon. Katz's car was parked in front of his apartment building, and the driver was inside. The two alleged thieves gave their names to the police, but the police were unable to find them.

The car was later recovered near the dormitories among the many cars of other cars in order to prevent vandalism.

Over 300 Attend

Dormitory Party

About 300 men from the dormitories attended the "Dormie Bodek!" in the Hall in Cambridge last Friday night. March 8 is the first time this year that the residence of the dormitories as a group will have a gathering.

The dormitory party, "Dormie Bodek!" was held under the auspices of the dormitory association, which distributes reading matter to homes of dormitory members.

Tech Rifle Team Loses

To Violets 1374-1362

Relinquishing from its top-shoot 20th of last year, the record-making Tech rifle, the Beginner rifle team lost to Violets 16-9 on March 20. The defeat did not affect Tech's second place in the intercollegiate league. However, it was a blow to the sharpshooters, who were leading two of the last three bouts and held the 5-4 lead in favor of Tech.

"Cap" Adelson, '41, and John H. Bonk, '40, finished second and fourth respectively in the open and open division of the recent intercollegiate meet. The two Tech men were among the best in the nation but not with the top excellence. The Tech men represented the university in the annual national championship meet in December.
