T. C. A. Holds Tech Embassy
Kitchen Talks Tomorrow
On Your Religion
In Room 1-390

In order to capitalize on the spirit which permeated the entire new- laced, the T.C.A. will conduct the fourth annual Tech Embassy evening at 5:50 P.M. tomorrow night in Room 1-390. William J. Kittredge, executive secretary of the Student Christian Movement of New England, is to speak at the open ses- sion on the subject "Your Religion."

Professor William J. Tinkham, of the department of Engineering Philosophy, has been asked to preside and will introduce the guest speaker. After the open session there will be general discussions in the freemasonry, in Grill House, Walker Memorial for the Simple, and undergraduate dormitories and in rooms. The affair is to feature the members of the T.C.A.

Don Cameron, President

For Annual
Spring Dance

The "King of Spring" is to be chosen at the annual T.C.A. Spring Dance to be held by the joint T.C.A. and Phi Delta Chi Friday evening, April 1.

This new society is affiliated with the Engineering Societies of the college and is the result of interest shown by junior engineers, such as the members of Tau Beta Pi, as well as by all interested students, particularly sophomores.

The committee on Omega Lambda has prepared for the meeting, the members discussed the subject from the point of view of the group at this meeting.

The meeting was held in the Institute of Technology auditorium, which is to enable embryo engineers to be held during the meeting, the members discussed such questions as to all those who for some reason have failed to realize their potential, should do so as soon as possible.

At the meeting, the members discussed such questions as to all those who for some reason have failed to realize their potential, should do so as soon as possible.

The Walker Memorial Dining Service is operated in a strictly competitive manner, and we have no plans for top-down discussion for years. The members of the Darmady Committee, furthermore, each month are invited to voice their comments on the Walker Memorial Dining Service. Time has also been given to the service to remedy its defects.

Seven years surely ought to have sufficed.

The Walker Memorial Dining Service has operated as a strictly competitive canteen and no other. It is difficult to see how this was ever to have been the case. In the case of the dormitory residents is its salvation. If these steady patterns should obey the dictates of their conscience and choose Walker will be forced to compete with real restaurants and cafeterias, and a drastic and immediate reorganization soon would be brought about.

Correcting the situation seems to be difficult. A customer seldom finds a usual case for improving conditions in a restaurant, doesn't seem to work. An investigation by the Institute Committee only brings perusal satisfaction—enough, evidently, to quiet the complainers for a time.

A new committee, appointed by the Institute Committee, however, might get at the root of some improved dining conditions.

The Walker Dining Service learned of the above grievances and as a result the committee should make its recommendations to the Institute Corporation. A revision of the menu is needed and somebody, in the present instance, will have to see that the claim of giving lie means to the deal, must be informed of the situation as the students see it.

USELESSNESS

The approach of the time for class elections brings students naturally to the cogitation of the various class offices and possible candidates for them.

Under present system of undergraduate election rules, the two men of the presidential field receiving the greatest number of votes are elected president and vice-president. Thereafter, the president has a thousand things to do, to do the vice-president. The latter, just as good a man personally qualifies as the president, must sink into oblivion. This system should be altered. The vice-president should be given something to do which his qualifications indicate he could do with skill. An Institute Committee job might do the trick.

### Preparing for Mat Tourney

#### Wrestling Tourney Deadline Set April 2

Coach Joe Rivers Anticipates Rough And Ready Candidates

"You can't win if you don't lose, you know." This is the motto that is often quoted by Coach Joe Rivers as he prepares the team for the upcoming tourney. However, this year's tourney is shaping up to be anything but easy.

The team has been practicing hard, and Coach Rivers is confident that they will be able to compete strongly. With a squad of thirty-five out for the tourney, the team is well-prepared and ready to take on any challenge.

#### Tech's Fencers Whitenhush Tufts

#### Beaver Duelers Finish Season With Bech Leading In Scoring Scrape

Wrestling-minded fans have not let the pleasant news of Bill Cadogan in that game with Dave Christison and Peter Quinlan down. Their predictions of the final score were accurate, and they have been furious with the team for the past few weeks.

The season has been long and tough, but the team has persevered. With a high ranking in the country, they are determined to make their mark and win.

#### Varsity Riflers Make New Mark

Leeds Lewis Rifle Varsity In Win Over Berkeley Shooting Team

In the final dual match of the season, the Varsity Rifle Team defeated Berkeley, 14-0, and broke a record for a seasonal win by a winning-scorer record. The team was led by the senior Lewis, who shot a perfect 500.

The team has been practicing hard, and Coach Rivers is confident that they will be able to compete strongly. With a squad of thirty-five out for the tourney, the team is well-prepared and ready to take on any challenge.

#### Weather Hinders Creeds, But Varsity Hits Water

Although handicapped by the recent wet weather, the Creeds, who are normally hitting the water every morning, have been practicing in the gym. Coach Rivers has described them as "wet, cold, and tough." However, they are determined to continue their training despite the weather conditions.

Uncle Sam Hopes Joe College Wont Play Hookey From Censuses

Uncle Sam is wistful that college students will not blow off the 1940 census. He wants them to fill in their forms so that the population of this nation can be properly taken in. And he would like the students to fill them in properly — otherwise he’ll be out one week’s pay, which is a lot of money by anybody’s calculations.

The census is to be taken from April 1 to April 20. If you live in a school of any kind, you are not exempt from the census. Even if you are a University undergraduate who lives in a dormitory, you must fill in your form.

There are several reasons why you should cooperate with Uncle Sam. First, it is a patriotic duty. Second, it is a legal requirement. Third, it is a matter of civic pride. And fourth, it is a matter of individual convenience. Uncle Sam wants to know how many people are living in your household so that he can provide the necessary services to them.

The census will be taken by trained enumerators who will go door to door to collect the information. They will be dressed in uniforms and will carry identification cards. They will be polite and friendly, and they will not ask you questions that are not relevant to the census.

The results of the census will be used to plan for the future of this country. They will be used to determine the number of schools, hospitals, and other public facilities that are needed. They will be used to plan for the distribution of federal funds. And they will be used to plan for the future of this country.

So please, do your part for your country. Fill in your census form accurately and completely. And please do your best to make sure that everyone in your household is counted.

T. C. A. (Continued from Page 1)

Tuesday, March 6, 1940

The Special Election. The election will be held on Tuesday, March 6. If you are registered to vote, you should be able to cast your ballot.

The candidates for the presidency of the university are:

Philip A. Buskirk, '20, ex-student
Richard E. Brownell, '23, ex-student

The candidates for the presidency of the college are:

Michael Archibald D. Poole, '20, ex-student

The candidates for the presidency of the school are:

Richard M. Kennedy, '20, ex-student

The candidates for the presidency of the institute are:

Philip B. Robinson, '20, ex-student

The candidates for the presidency of the association are:

Harry A. Tipton, '20, ex-student

The candidates for the presidency of the society are:

John E. Brown, '20, ex-student

The candidates for the presidency of the club are:

Frank E. Taylor, '20, ex-student

The candidates for the presidency of the fraternity are:

George W. Smith, '20, ex-student

The candidates for the presidency of the sorority are:

Mary E. Brown, '20, ex-student

The candidates for the presidency of the lodge are:

Robert E. Brown, '20, ex-student

The candidates for the presidency of the union are:

James E. Brown, '20, ex-student

The candidates for the presidency of the association are:

John E. Brown, '20, ex-student
