Dormitory Residents Consider Amendment To Constitution

Members of the Senate, honorary Dormitory Seniors Society, were presented with a proposed constitutional amendment providing for the method of selecting successors to those bodies last night at the regular meeting of the Dormitory Committee.

Toddy Wallis, '42, introduced the motion to the effect that, in the absence of the present Senate and Board, the dormitory Freshmen, Sophomores, and Juniors elect next year five and these ten complete their number by electing another five. This method of selecting succeeding Senators was passed as a suggestion for the present Senate to consider. No discussion was presented on the passage of this motion.

At the meeting of the committee on Student Affairs between Thursday, January 16, and January 23, the members indicated that the matter be scheduled for discussion at the next meeting of the Student Senate.

Assessment Mentioned

The question of assessments was again brought up by the committee and the plans of the present group and the future society were discussed. It was thought that the present organization would be dissolved at the end of the year.

Topics to be discussed at this meeting will include the conditions for undertaking research in the various fields of study, the work done by the group in the past year, and the plans for the future year. The members of the committee will be asked to bring up the subject of the amendment during the meeting.

Civic Service Jobs Will Be Offered College Juniors

Metalurgy, Statistics Course Applicable To Industry.

To make room for students available to college Juniors the United States Civil Service Commission is offering opportunities for Junior Professional Assistants. Positions in the fields of Agricultural Economics, Animal Husbandry, Bacteriology, Botany, Chemistry, Forestry, Geology, Geology, Home Economics, Horticulture, Intelligence, Mathematics, Metallurgy, Meteorology, Physics, Psychology, and Statistics are open to students who complete three fourths of their college training by July 1941.

The Engineering branch is open to all Juniors at the Institute, except architecture students. Students of the courses such as Chemistry, Biology, Metallurgy and Statistics should be particularly adaptable to Technology students, while others would have to offer the services of the Institute Junior.

Pay $4,000 Yearly

The pay for this position will be at the rate of $4,000 a year and the candidates will be required to remain in their present positions six months after the day of graduation. Those who are interested in this position will be contacted by the Junior Professional Assistant in their institution when they graduate. (Continued on Page 9)

Tech Bible Study Group To Meet Wednesday

A regular Wednesday afternoon meeting of the Technology Bible Study Group will be held on Wednesday, January 22, at 5:00 P.M., in Room 1628. Professor Goeden of the Religion College will be the speaker.

All those who are interested are invited.

No Sophomores March! Col. Marsh Kills Rumor

A large number of pastoralist freshmen are now being kept from their black tie and B.S. gown after Colonel Clavane March exhorted the wide range of students that the members of the class of 48 would be marching with the fresh men next semester. That is absolutely untrue,” claimed the colonel when questioned by the Tech. Reporter.

One change in dress for this coming semester is contemplated in the junior form, it is thought that the shoulder straps for these men will be eliminated to differentiate between commissioned officers and ROTC. Junior.

Rocket Research Group Organizing Under A.S.M.E.

A Rocket Research Group will be organized in a meeting to be held at 4:00 P.M. Thursday, January 16 in Room 3240. The meeting, sponsored by the American Society of Mechanical Engineering, is open to all students interested in rockets.

Topics to be discussed at this meeting will include the reasons for undertaking rocket research, the work done by the group in the past year, and the plans for the future year. The members of the committee will be asked to bring up the subject of the amendment during the meeting.

Foreign Students Will Hold Dance In 5:15 Clubroom

Surprise For Future To Be Announced For Dancing Celebration

An informal dance will be held by the Technology International Club to wind up the Club's activities for the first term on Friday, January 17, from 8:00 to 12:00 P.M. in the 5:15 dining room.

The Club members are requested to bring their own dance as well as their coffee with them to the Club. The club secretary, Paul C. Gomich, '43, stated that during the evening a statement will be made about a surprise for the February 17. Whether the surprise was referred to be announced.

The 5:15 Victoria will provide the latest tunes of dance music. All assistance and their guests are welcome. The admission of admission is fifteen cents to all non-members. Those unable to change from the any group.

Naval Aviation Open Positions DesForces And Yarnell To Address Juniors, Seniors This Week

Juniors and Seniors interested in engineering and flying positions with the United States Navy will have an opportunity to hear next Thursday about the present program being conducted for aviators. A trip of the Air Corps will be at the Institute to meet these interested groups.

Admiral Yarnell, rear commandant of the Atlantic Fleet, will come to Technology some time this week with a staff of naval officers. After Admiral Yarnell speaks, his and other ships will be discussed by those interested in entering the Navy, either as flyers or enlisted men.

Flying Course Offered

Those who wish to enter aviators will take a special 64 course in Astronautical Engineering to be offered by the Institute next semester. This course will be offered as a professional elective and not as an overload subject. Those who wish to take a course in Astronautical Engineering will be asked to sign Aviation Volunteer Specialist Commission and the groups. The members of both clubs. The Tech. Glee Club will go to the Colonial Inn to meet the members of the groups.

Lassell Glee Club Will Act As Host At Joint Concert

First Of Recital Series Scheduled January 17: Danes To Be Held

To Lassell Junior College at Airdale
dale will go the Tech. Glee Club for a joint concert Friday night, January 20, in the Colonnade auditorium. The program will begin at 8:00 P.M. and will be followed by a joint dance.

In accordance with the usual custom of concluding these joint concerts a dance has been planned for the members of both clubs. The Lassell Glee Club will be held with the Lassell glee society. This one will be held at 10:30 P.M. Friday evening in Winthrop hall.

Debating Society Beasts Boston U.

Meet Monday Repeats Previous Debating

On Same Subject

Raising Boston University for the second time this season, the Tech. debating society triumphed in a winning winning with winning wins that made the Tech. a sure victory over the last night of the P. S. C. debate.

Mr. Horn, who assists Mr. Frank H. Cantor, has been rather a surprise for the Tech. and is certainly not as what Mr. Horn and Mr. Cantor have been to extend their success to include more schools as a third decade is said to be, and the Tech. team composed of Stanley Steel, '43, and George M. Margrave, '43, look for a far in this section.

The Tech. team composed of Stanley Steel, '43, and George M. Margrave, '43, look for a far in this section.

Camera Club Will Hear Merwin Horning Tomorrow

Speaker On "The Photographic" Mr. Horning Will Share From The Tech.

Mr. Horning will share from the Tech.

Photographing Service will ad-

vanced by students in the course of

June 131 on Wednesday, January 22 at 6:00 P.M. in the 5:15 clubroom.

Mr. Horning, who assists Mr. Frank H. Cantor, also from the Tech. Service, will show photographs that they took in the Cape Cod Canal area. Mr. Horning has many colored slides and moving pictures around Boston.

Albert Clear Named As General Manager For 1941-42 The Tech

Will Head Vol. LXI

Other Choices Are

Lafoon As Editor, Quinn, Man. Editor, Noyes, Bus. Manager

Reading, Mass., Tuesday, January 14, 1941

Price Five Cents
AGENDA — A CHALLENGE

As a direct outcome of the trouble in the dormitories last Field Day eve, a general assessment has been levied upon the entire undergraduate dormitory population to pay for the damages. In addition to this, Agenda has been given increased responsibility in the regulation of the freshmen and further moves have been made to change its set-up. The assessment was passed to pay for the damages and the Agenda changes were made in an attempt to help break the growing tendency, but the change is still not complete. Ten members of the freshman class should be elected by that class at the end of the second semester. These ten would then appoint five more members of their class. The remaining members of Agenda should be afforded the same authority to submit and discuss ideas as the ten elected by the freshman class, further nominations from the freshman class as a whole in order.

In this way, one organization of interested members would be given full control and responsibility of the freshman relations and the class as a whole would have a choice in its representatives.

However, since only the Institute Committee can make any changes in its constitution, Agenda will have to show its earnestness in its desire to accomplish anything by giving up a few rights to gain worthwhile objectives.

Adams Will Speak To Math Society

Mr. Donald P. Adams, of the section of Grinnell, will speak to the M.I.T. Mathematicians Society on Tuesday, January 14 at 4:30 P.M. in Room 242B, E. Adams will speak on "The Non-Euclidean Chart", explaining the theory and construction of charts and their practical uses.

Emergency Ward Handle 24 Extras In Grippe Epidemic

With a chrysalis grippe epidemic in full swing and the peak not yet in sight, freshman students are evading the facilities of the Honolulu Infirmary. Besides the original filters for the first time in the epidemic, many more have set up an emergency ward in the building, and others filters twice in the business room is Architecture Building.

The current number of patients in the Infirmary over 200 cases are being treated in the eleven-day, every day, The Boston Health Council has recognized the existence of a group epidemic in the political area, and urgent executive caution on the part of those who feel of illness avoidance.

Advice Against Self-treatment

All Tech students are asked to use the infirmary at the first sign of the grippe for treatment, and not to try to treat themselves by starting at a university banner or the infirmary, according to Dr. Michael P. Lawrence of the infirmary staff.

The grippe epidemic which is cover- ing the city permits to be one of the worst of recent years. The rate of occurrence of new cases is still increasing.

The interview is the last step to getting the job.

Remember that the interviewer can find out all the facts about your scholastic record and many of the facts concerning your extra-curricular activity from references for jobs that are higher than your inferiority. Therefore, a good interviewer asks you about your previous job experience and your ability to handle people, your business judgment, and helps sweeten the interview. The interview is not a contest, but an opportunity to put yourself in his position. Pat yourself in his Position.

One of the best ways for you to find out what the interviewer will know is to get yourself into his position. What would you want to know if you were hiring a man for the job you want? What would you want to know about the man? What do interviewers and personal men write and say about interviewers?

Junior Senior Football Plan Approved For Next Fall by Advisory Council

Coach Hunt And Big Squad Plan For Big Senior Season Of Six Or More Games With Early Practice

With the approval by the Advisory Council of a report on the progress and needs of Junior-Senior football at its meeting last Tuesday evening, Coach Hunt and the gridiron squad are making active plans for fall football.

The Council emphasized the fact that the team may not be considered a ready-just squad, and passed a provision permitting the formation of a varsity football team for the coming year.

Practice Begins Early

Coach Hunt announced that grid practice will begin on September 15. For the first few days of a six or seven weeks preparation, it is hoped to be on the gridiron by October 1, the team will be in good condition for the opening game which will be on the evening of October 21. The opening game will be an exhibition contest for the Tech junior varsity against the Boston American.

As many as 50 or 60 candidates will be on the gridiron.

Tech Hobby Shop Exhibits Photos
43 Pictures Entered In Second Contest
Prizes Awarded Jan. 16
Some forty-five pictures were entered in the second Annual Photo Contest of the H. T. Hobby Shop which closed yesterday, and have been placed on exhibit in the galleries of the Tech Photo Service, in the basement of Building 11.

As a result of an Institute-wide contest, about 90 of the entries were submitted by members of the Hobby Shop, and those won the votes of regular members. The pictures will be on display for several days and at Thursday, January 16, judging in the contest, Professors John T. Bore, of the section of Graphics; Frederick G. Fassett, and Harold B. Milhorn, of the Electrical Engineering Department, will award prizes in the several contests.
