Affair Will Be Held Amidst Blaze Of Color, Honored Guests Attend

The eighth annual Assemblys Ball, sponsored by the Lamaray Memorial Committee, will be held amidst a blaze of decorations tonight in the Student House in celebration of the birthday of the late William A. Lamarr, who was announced last night by William H. Cardinall, assistant manager of Walker. The ball, a now-annual event, will be held in the Student House, and as in previous years, will be an exclusive affair for the benefit of many of the faculty, many of the alumni, and the friends of the student staff and T.C.A.

The event will feature the music of Bert Edwards, popular orchestra leader, and his band, and on-going entertainment from several of the student groups. Among the various surprise events and the Walker costume will be regular features, and the decorations will bear the name they have attained in the years, in the opinion of Cardinall.

The evening officially opens at 9:45 P.M. The program of the evening will feature the presentation of Honor Guest of the Tylor Lowen Memorial Committee, and two or three orations will take place. The committee will be comprised of Mrs. R. T. Condon, Mr. and Mrs. Horace L. Ford, Mr. and Mrs. H. T. Fish, Mr. and Mrs. J. C. Kilian, Mr. and Mrs. K. W. Bridges, Pref, and Mrs. L. T. Hamilton, Colleen and Mrs. R. W. Puno.

Mr. Henry Warren

To Leave For Army

Lasell Concert Master To Lead Music Clubs

Mr. Henry J. Warren, director of the Music Clubs of the Lasell College Orchestra, will soon leave the Institute for the summer vacation. It has been arranged that Mr. Warren will lead the Military Police Corp of the Army of the United States, Bayonne, N. J. The group will consist of the Glee Club concert with Lasell band, and will remain in New Jersey until the end of July.

Mr. Warren will be replaced for the duration by Mr. George S. Dunham of the Lasell faculty, who will present with a pen and pencil and a very fine amplification of his services.

The concert, given in Jonas Hall, will be presented at 8:00 P.M., and is interspersed with various features, to make it appeal to all tastes. To enable all those present to listen to the music, the concert will be held next Monday at 9:00 P.M. at the C.W.C.A., 618 Street, Boston.

Robert Muckle, secretary of the War Department, also will be present, and will be the speaker of the evening. He will announce the call of the Air Corps and the Community in Battle of War. Many students from the various schools in the area and all interested are expected to attend. A Chinese dinner will be served.

All students interested in attending this round-up are requested to familiarize their intentions by Friday, April 16, at the latest. Leave your name at the T.C.A. office be- fore 5:00 P.M. any day before the deadline.

The Tech Staff Has Annual Outing At Green Acres

Southern fried chicken, green peas, mashed potato, strawberry shortcake—all these and more were served Sunday at the Annual Assemblys Outing of The Tech Staff at Green Acres Country Club in Saugus, Massachusetts.

Facilities for softball, outdoor swimming, and other sports were utilized, but all although there was a pond nearby, it was used for fishing only. Several cold softgames in which almost everyone took part.

The dinner was both well cooked and bountiful, a four-course master-piece. Paradoxically the strawberry shortcake came as a surprise, as almost everyone had expected it. Among those present were John P. Tyrell, '43, general manager, Harry Otinger, '45, editor in chief, Mr. Horace C. Lockwood, '45, who arranged the program.

Gold Keys Will Go To Frosh Debate Contest Winners

Competition Sponsored By Debating Society Begins Tomorrow

Gold Keys will be awarded to the winners of the Freshmen inter-collegiate debate contest which is to begin immediately after spring vacation. The debate, to be run by the Debating Society in conjunction with the English departments, will be run by the rules of the United States government and the University of Michigan.

The regular debate shall take place during the period of the debate contest, and the duration of the regular debate shall be determined by the rules of the debate contest. The duration of the regular debate shall be determined by the rules of the debate contest.

The first round of the contest is to be held April 30 and 31. The second round will be held the next week.

Frosh Slocker Committee Appointed For Next Year

The following men have been appointed to the Frosh Slocker Committee:

Robert L. Meissner, '34, treasurer;
Ralph W. Redfield, '34, assistant treasurer;
Robert W. E. Maxwell, '34; John A. McFarland, '34;
David Ovington, '34; and the following women:ilda R. Brown, '34, and Mrs. C. M. Mitchell, '34.

The committee will meet twice a week to conduct their work. It is desired to have a student represent the Frosh class in all matters of importance to the class.

Drumshup Presentation of "Ally Dosy Amos" Is Success

During the past week-end the S.M.T. Drama Club presented its first production in the new auditorium, "Youthful Seniors," which was entirely planned and produced by the students. The play was a success, and all attending were pleased with the work of the students.

Jestin Jones as Moche, the em- otional, dominating, South Amer- ican, who introduces the con- verting portrayal in George Ben- ger's "Youthful Seniors." Jones has a three-act comedy relating the trials and tribulations of boys from the United States to a group of foreign students to whom in his Latin America they invited themselves. The boys are three college boys played by John T. Thomas, Paul C. D. Johnson, and Charles J. Loring, which both they and the audience were delighted with the final act, which began off stage with a surprisingly good chorus of "I've Been Working on the Railroad." A GOOD START, KEEP IT UP

The Walker Dining Service is encountered with the difficulty of maintaining the service of some four hundred students day in and day out over an uninterrupted nine month period. The number of complaints from these students is indicative of the problem. In the past, these grumblings of discontent have remained in the background simply because there was no organized method in which they could be brought to the attention of the management. Two years ago a committee was established to consult with the Dining Service and to pass on to the managers the gripes of the eating place and the students will be able to enjoy a service which they themselves will have helped to build. But if these results are to be obtained, certain responsibilities must be recognized by a rather capable Boston staff of The Tech went off in great confidence that the appearance of new wallpaper decoration in the dining hall was the one outstanding bit of decoration in the past week-end of "It's Time We Remembered," still attended by a considerable number of students who showed up to witness "a day in and day out over an uninterrupted nine month period."

The Readers Speak

Editor of The Tech

It is unfortunate that The Tech was not able [for lack of space] to report the war news of the United States Army, its officers and men, as to assure that the fall of Bataan was a direct result of the loss of Douglas MacArthur, "the decisive man." We have been told countless times the vital necessity of national and army morale that an army is to win the war. If only the purpose of this capable is sufficient, we hope that a handling is attempted at this time. Even if such a situation existed, it certainly won't work to our advantage in this country to have such a thing published at this time. The man the power of the heroes of Bataan, still unappreciated, is the soldier of the American land guard against imminent ramshackle and not, and unappreciated. What's that all news have been heard about men being at a premium due to the draft, and perhaps a college for young students. Congratulations to the Lambda Chi Alpha brethren for their formal Saturday night, regimental as far as formal goes. Held at the Bradford Road, the number one cause for fraternity formal programs, wasn't smoothest with the highlight of the party being an informal harmonica rendition, we expected, the house record.

To the Editor

Dear Sir,

In your issue of Tuesday, April 9th, one of your reporters speaks disparagingly of my nation and at the same time speaks of my people in a grossly unfair manner. Besides being poor journalism, it seems in bad taste today.

Frank L. Hill, '35
(Chairman of Tech Council)

To the Editor

In the second editorial of your last issue, your staff announced that it wasn't until MacArthur had left the besieged defenders of Bataan that the Japanese were able to capture the Philippines. Almost everyone including his military allies who subscribed to that view has been disabused of that theory, and since then another has been put forward.

A New Day for a New Year

... social events last week-end were gay enough, even warm enough to bring a pleasant interlude for even the weariness of brown-baggers. The Theta Beta Pi brothers chucked up another successful party with the warmth of their springform fires. They began their party at their house on Brookway. From the reports we found, it appears that a roasting pole was set up by all.

... at the same time the combined Lambda Technology gave chit chit to the words "dine and disperse." Those Tech men who ate at the dance afterward were not appreciated, so it seemed, in the large numbers the Lambda Chis slumped away, and not unappreciated. What's all this news have been heard about men being at a premium due to the draft, and perhaps a college for young students.

Never Before

... no one personal George Bernard Shaw's style will be in evidence. Nor can they say that "Major Barba" will be at the Better Theater or that "Major Barba" will be at the Better Theater at all. Shaw is his own worst enemy, so to speak, and the play is certainly not the same as "Pygmalion." As far as formals go. Held at the Bradford Road, the number one cause for fraternity formal programs, wasn't smoothest with the highlight of the party being an informal harmonica rendition, we expected, the house record.

The traditional Strawberry Festival for the members of the Tech staff this week went off in great style last Saturday. An added and somewhat indifferent atmosphere at the party was the novel addition of a new place setting of the traditional strawberry. The dream of the strawberry's presentation last week-end of "Time Was Laundry" was a success in every respect except attendance student...
