Senior Week and Junior Prom Committees To Be Elected May 6

Juniors Chose Ten
Sophs Elected Five
For Committees

Elections for those to hold positions on the Senior Week Committee and for the Junior Prom Committee will be held tomorrow, May 6, from 9:00 A.M. to 5:00 P.M. in the Lobby of Building Ten. Only those in the Classes of 1943 and 1944 can vote and only for their own classmate.

Nominations as announced by George C. Marakas, chairman of Election Committee, are listed in the recent edition of The Tech.

For the 15 of the 50 or more nominees which can be chosen for the Senior Week Committee and five for the Junior Prom Committee. These committees will begin to function as units immediately after being elected and will meet at its meeting on Thursday. The election and announcement was necessitated by the Institute's accelerated program which calls for graduation next February for the Class of 1943. For this reason the senior week and junior prom are being held in the fall, not in the spring as is usual, in order to give the committee time to function 1860 to 1960 it was previously held in June.

Three Classes, T.E.N. Lose Representation Because Of Absences

43 Has Not Sent Representatives Since Elections

The Classes of 1943, 1944, and T.E.N. have automatically lost representation on the Institute Committee, it was revealed last night by Warren E. Foster, 43, chairman of the Committee. This matter was discussed along with other regular business at a meeting of the Executive Committee of the Institute Committee held last night at 9:30 P.M.

A full of the representatives who have been ousted are no longer on the Committee because of Article VII, Section 3 of the Undergraduate Association’s By-Laws. This clause states, “If 1 full representation of an organization is not present at two consecutive meetings of the Institute Committee, or if any organization has consecutively two proxies and an absence in any color, that organization loses its right to representation on the Committee.

Representation on the Committee at the last two Institute Committee meetings have convinced that such absence shall not recur, and shall have passed on this petition in accordance with these By-Laws. Absences Recur

The Class of 43 has lost its representation on the Institute Committee because it has sent two proxies, and Robert R. Bosh has been absent once, which makes three consecutive meetings.

In the Class of 1944, George A. Schutte has been absent once, Robert M. Byrne has been absent twice, and Langdon S. Flowers has sent two proxies.

Representative of the Class of 1945 has attended an Institute Committee meeting, and no proxies have been sent. 7. R. B. has not been represented at the last two Institute Committee meetings, thus forfeiting its representation.

Freshmen Finish Plans For Frolic
Gas Rationing Follows Year’s Last Big Dance

The last big Tech dance before gas rationing takes place was held Wednesday evening from 9:00 P.M. to 1:00 A.M. next Friday night at the West Hotel, Cambridge. The Junior Prom from, for which tickets are on sale, features radio personality Billy Rogers and his orchestra specializing Joan Hunter on the trumpet. This has been a young and talented season, repaid to be equal to Harry James in ability, with the last appearance of Boston at the Tech’s annual Frolic.

Tickets for the dance, which went on mile last Friday, can be purchased next week from any member of the freshman Council for $3.30. Options bought before that time can be redeemed at the main desk of the Junior Prom at the Bridgeman Hotel for $3.00.
In Institute is not quite what it should be, a system whereby representatives of student life, the Tech Engineering News, and the Associated Collegiate Press, among others, have the opportunity to express their views. In fact, the Institute Committee has failed to meet the attendance requirements called for in the Institute Constitution committee.

The Greatest Air Army in the World
Needs Flight and Ground Crew Officers

NOW.. FOR COLLEGE MEN.. A NEW OFFICERS' TRAINING PLAN

* New Deferred Service Plan Allows You to Continue Your Education *

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here—an urgent need here—for every college man in America who can qualify for Officer’s Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today’s college students—men who make their plans now for the necessary Aviation Cadet training. Thanks to a newly created Air Force Reserve plan, men of all classes—aged 18 to 26, inclusive—can enlist for immediate service or continue the academic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

875 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid $75 a month, with subsistence, quarters, medical care, uniforms, equipment, traveling expenses.

In 8 months you can win an officer’s commission as a bombardier, navigator or pilot—and be well started on your way to serve America and advance yourself in aviation.

MANY BRANCHES OF SERVICE

There are also commissions awarded to ground crew service. College men particularly will be interested in the requirements for Armament, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

This past year about 80% of all Aviation Cadets were commissioned as Second Lieutenants—about 62% as Flying officers. Those who do not qualify remain in the Air Forces on an enlisted status and have further opportunities.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from $183 to $245 a month.

ACT AT ONCE

If you want to fight for America, this is where your hopes will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now. * * *

NOTES: If you wish to enlist and are under 21, you will need your parents’ or guardian’s consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enrollment before any Aviation Cadet Examining Board.

Compton Cup Captured By Harvard Crew
Princeton, Technology And Syracuse Follow
On Charles Basin
Harvard swept its second regatta, after its victories on the Charles last Saturday before last, defeating all other participating crews in the Compton Cup regatta last Saturday at Princeton. Harvard took second place in the Technology, and Syracuse placed last.

The first race, the 160-pounders, was started at 3:30 P.M., with only Princeton and Technology participating. Princeton defeated Harvard. The Tech entry by a quarter length opened the race, but Harvard, who won at the mile, but Tech fell behind steadily, though slowly. The time for this finish distance was 7:04; all the other races were a mile in three quarters.

At 5:00 P.M. the freshman heavy race was begun. Harvard won the race in 7:14. Princeton, Technology, and Syracuse followed in that order. At the finish the crews were strung out, at least nine seconds between each, with 29.4 seconds between first and last.

The junior varsity race was started at 3:30 P.M., with Harvard, Princeton, Tech, and Syracuse participating, and in that order. The winning time for the race in this race was 7:12. Mar- van and Technology came in second, with Tech, with 11:19, a closer second, than that of the freshman winning time. The time of this race was 7:12. First, freshman, second, three seconds faster than the var- sity.

The referee for the regatta was Mr. Benjamin D. Magoon. The time was Mr. Daniel R. Hayes.

The Saturday after next, May 6th, the Adams Cup regatta began at 1:00 P.M. Harvard again defeated Princeton by a length for first place, with Tech and Syracuse in that order. The winning time for the race in this regatta was 6:57. Harvard, with 11:19, was a closer second, than that of the regatta winning time.

The time of this race was 6:57. First, Harvard, second, 11:19, third, Tech.

Frost Guidance To Begin Today
Prospective Members Of Four Courses Meet This Afternoon
Reminder cards about the course offerings which are to be held on Tuesday at 5:00 P.M. on the campus of the Course Counseling with the T.C.A. to those freshmen who announced their intentions of entering Courses I, VIII, XI, or XVII.

It is desired to have the students attend the counseling from 5:00 P.M. to 6:00 P.M. in order that the freshmen who have earned the chance to choose more than one class, and to permit those students who have not attended the counseling, to attend some classes and to be sure of being admitted to them.

Reminder cards will be sent today to those students who intend entering Courses IX, X, XV, or XVII. These departments will hold their meetings Thursday.
