

TONY PASTOR TO PLAY AT J.P.

Catholic Club To Hold Dance This Saturday

Chappie Arnold's Band, Girls From 12 Colleges Will Be Featured

The Annual Fall Acquaintance Dance sponsored by the M.I.T. Catholic Club will be held at 8:00 P.M. this evening in New England Mutual Hall, Copley Square. The dance ends at midnight to conform with the Boston Blue Laws. Tickets for this affair have been on sale for the past week in the Lobby of Building 10 and will be on sale at the door tonight for the price of \$0.99.

In order that the men in the V-12 Unit may attend the dance, liberty has been granted them between the hours of 6:00 P.M. and 3:00 A.M.

Girls Colleges Represented

The girls at the dance will come from Radcliffe, Fay, Lasell, Wellesley, Regis, Chandler, Brookes, Kathleen Dell, Emmanuel, Simmons, Katharine Gibbs, and Garland. The chaperones will include Professor and Mrs. Mitsch.

Chappie Arnold and his orchestra will provide the music for the dance. A special feature will be the cider and doughnuts which constitute the refreshments. The Lolly-pops which were being passed around this week also are an indication of the things to be expected at the dance this evening.

Army-Navy Test Tuesday Morning

Second Qualifying Exam; Admission Forms Ready

The second qualifying test for the Army Specialized Training Program and the Navy V-12 program will be given at Technology on Tuesday morning, November 9, between 9:00 A.M. and 12:00 M., it has been announced by Professor P. M. Chalmers, Assistant Director of Admissions. The test will be given at that time at high schools and colleges throughout the country.

Admission forms are available in the Admissions Office, Room 3-104. They should be filled out and countersigned there by Professor Chalmers before Tuesday morning. The test is open to students between the ages of 17 and 21 inclusive who are recent high school graduates or who will be graduated before March 1, 1944.

Test In Room 3-460

The test will be given Tuesday morning in Room 3-460. Candidates should report there by 8:45 A.M. to have their admission forms checked before the test. No candidate will be admitted after 9:00 A.M.

The same examination is given to both army and navy candidates, although the candidates are given a choice of service preference.

Technology Bridge Club Holds Weekly Contests

A bridge tournament to be held every Saturday at 2:00 P. M. in Litchfield Lounge, Walker Memorial, it was announced early this week by the M.I.T. Bridge Club. All students, and any guests whom they wish to bring, are welcome to these tournaments.

The entrance fee for each person is ten cents. Winners of the tournaments will be awarded cash prizes. The first bridge tourney is scheduled for this Saturday, November 6, at 2:00 P. M.

The Tech Staff Elections Held

Seven Junior Board Members Are Chosen

Seven Sophomores were elected to membership on the Junior Board of The Tech, it was announced last night by the Managing Board of the paper. In addition, fourteen freshmen were elected to the staff, and plans were announced for a new second term competition for any other freshmen interested in working on the paper.

Robert A. Arrison, Jr., was elected Associate Advertising Manager; T. Nicolas Berlage, Desk Editor; George A. Dvorak, News Editor; Herbert A. Frankel, Treasurer; Harmon A. Poole, Sports Editor; H. James Rosenberg, Circulation Manager, and Robert H. Symonette, Personnel Manager.

Freshmen elected to the staff include Kenneth Bushway, Dean Bedford, Jr., Alan R. Gruber, Arnold S. Judson, Steven J. Miller, Robert W. O'Brien, Peter H. Spitz, and Peter M. St. Germain in the News Department; Jose Biamon, Radley H. Daly, Ray E. Homan, William H. Scied, and Arthur Schiff in the Business Department, and Phillip A. Koehring and Kenneth W. McGrath in the Engraving Department. Robert S. McClintock, 6-45, was elected to the staff as a member of the Photographic Department.

These elections have been made at the end of the first term as was customary in the past, despite the fact that the present volume of

(Continued on Page 4)

Illustrations From Army Paper Seen In New Exhibit

Original drawings, sketches, cartoons, illustrations and photographs published in the weekly issues of Yank, the Army magazine, will be on exhibit from October 20 through November 6 in the Lobby of Building 10.

The magazine is written, illustrated, and edited solely by enlisted men with none above the rank of sergeant. In addition, staff artists in the editorial offices in New York bring a good deal of spice to the publication in the form of comic strips, cartoons, and editorial illustrations. A steady stream of unsolicited contributions also comes from the men on active duty all over the world.

No one but service men and women can buy or subscribe to the Yank, and the exhibit will be the public's first opportunity to see this war through the eyes of the country's service men.

Technology Graduate Directs MacArthur Supply Division

Colonel Abraham J. Silverman, a Technology graduate who received his Bachelor of Science degree at the Institute in 1922, is now a Supply Officer in the Supply Section of General MacArthur's staff.

After the ship on which he was travelling was diverted to Australia on the outbreak of war, Colonel Silverman was stationed there. He later became Quartermaster Officer when the headquarters of the United States Army forces was organized in Australia. He joined General MacArthur's Southwest Pacific Command in July 1942.

In his present capacity, Colonel

"Watch" Marks To Be Issued Soon To Navy V-12 Unit

Members of the Navy V-12 unit stationed at M.I.T. are to get branch marks, commonly known as "watch" marks, on their uniforms starting next week, it was announced recently by Lieutenant P. Y. Craig, U.S.N.R. Uniforms will be sent out by companies next week, each man sending only one uniform at a time. Upon getting back the uniform upon which branch marks have been sewn, they will send out another uniform. This process will continue until branch marks have been sewn on all dress and undress blue uniforms.

Branch marks are traditional in the Navy, and the V-12 men have been hoping to get them for some time. A branch mark consists of a strip of tape $\frac{3}{8}$ of an inch wide which is worn about the shoulder of the uniform. They are used to designate the various branches of the Navy. A white "watch" mark worn about the right shoulder of a blue uniform or a blue one worn on the right shoulder of a white uniform designates a man who is in the seaman branch. A red "watch" mark worn on the left shoulder of either a blue or white uniform designates a man in the engineer branch.

Army Men Help TCA Reach Goal

Total Of Annual Drive Contributions Now \$2773

With the aid of \$220.76 contributed by Army men living in the Senior and undergraduate dormitories, the Technology Christian Association's annual drive went "over the top" yesterday afternoon. The army contributions, together with other contributions that have been made since the close of the regular drive last month, brought the final total to \$2,773.08.

Of the total, the T.C.A. will receive \$2,462.53 while the remainder of \$310.55 will go to the World Student Service Fund. The T.C.A.'s pre-drive goal was \$2,450, while no goal was set for contributions to the W.S.S.F.

Pledges Payable

Pledges made during the regular drive last month are payable on or before Monday, November 8. They may be paid either at the Cashier's office, Room 10-180, or at the T.C.A. office in the basement of Walker Memorial, according to Clyde C. Snyder, 2-44, Drive Chairman.

Options To Be Redeemed During Week Of Nov. 8 Door Prizes To Be Given

Institute Committee To Meet Thursday

The first meeting of the Institute Committee this term will be held at Litchfield Lounge next Thursday, November 11, at 5:00 P. M. with President Langdon Flowers presiding.

According to Committee rules, motions for the agenda should be presented at the Walker Memorial Committee Office not later than Wednesday, November 10.

562 Men Placed On New Dean's List

Seniors Lead Institute; Total 229 Men On List

The names of 562 students were placed on the official Institute Dean's List for the Spring Term of 1943. The list was issued recently by the Institute and copies can be procured at the Information Office, Room 7-111.

On both a percentage and numbers basis the Seniors topped the field. On the first list the class had 29 men, 5.4% of the class. On the second list they had 84 men or 15.7%, and on the third list 116 men or 22.1%, a grand total of 229 men, 43.2% of its members.

The Juniors came second, copping the first list with 34 men (7.5%). The second list contained 57 (12.8%) of this class and the third list carried the names of 93 (21.1%) Juniors. This adds up to a total of 184 men, 41.4% of the class.

Sophs Trail

The Sophomores trailed with 26 men (6.8%) on the first list. They had 56 names (14.6%) on the second list and the third roster held the names of 67 Sophomores (17.5%) with a grand total of 149 men, 38.9% of its members.

The Dean's List was established in 1931 by the Institute as a method of giving recognition to men of superior scholastic standing.

Servicemen To Get Guide To Institute

Map, Many Illustrations Featured In Booklet

An official guide to Technology will be distributed next week to all service men stationed at the Institute, it was announced yesterday by Mr. Henry B. Kane, Director of the Alumni Fund. Additional copies will be obtainable at the V-12 and A.S.T.P. headquarters. There will also be a limited number of copies at the Information Office, Room 7-111, for distribution to those not in the service.

The guide, which is thirty-two pages long and printed on pages 6" x 9" is generously illustrated with photographs showing many phases of Technology life. A large map of the Institute grounds, showing the locations of new research buildings and service headquarters, is also featured.

Other features are a brief historical introduction which traces the history of Technology from the days of the Boylston Street location to the present time and descriptions of the many Technology services.

Table Bids Ready Early Next Week; 4 House Parties

Tony Pastor and his orchestra will play at the Junior Promenade to be held in the Imperial Ballroom of the Hotel Statler on Friday night, November 19, the Junior Prom Committee announced last night. Pastor, one of the more popular bands in the country, is now playing at the Paramount Theater in New York, where he has been for the past few weeks.

An outstanding vocalist and saxophonist, Pastor has been acclaimed the man who "Pastorized" swing, and "The Band of 1942." Featured with Pastor is his drummer, Johnny Morris, better known as "Paradiddle Joe." This nickname refers to Bluebird's top selling record, "Paradiddle Joe" which Morris composed. Also with the band is Stubby Pastor, Tony's younger brother, a coming star on the trumpet.

Redemptions Start

The Junior Prom Committee has announced that the options for the formal may be redeemed in the Lobby of Building 10 during the week of November 8 to 12 from 11 A.M. to 1 P.M. by paying \$3.30 for a full price ticket costing \$6.60. All options not redeemed will be cancelled. Non-fraternity men may make table reservations at the same time they redeem the options. If a fraternity wishes table reservations, the numbers of tickets (not options), must be given at the time of redemption. In order for a fraternity house to reserve a table, the table must be filled to the extent of at least eighty per cent.

This year, the Junior Prom will be a weekend affair. There are to be four house parties in addition to the formal on Friday night, two in the afternoon and two in the evening. The names of the houses

A.S.T.P. To Hold Christmas Dance

Copley Plaza Hotel Is Site Of Formal Ball

The Technology A.S.T.P. Unit, is planning a formal Christmas Ball, to be held on Saturday evening, December 18, in the ballroom of the Copley Plaza Hotel, from 8:00 P.M. until midnight.

The committee promises a nationally-known name band for the dance, although a definite choice has not yet been made. Tickets will be pro-rated at \$3.30. They will be sold only to members of the A.S.T.P. unit and the second year of the Advanced R.O.T.C.

International Club Plans Dance For November 20

The International Club will hold a dance with the International Students' Association of Greater Boston on Saturday night, November 20. This was decided at a meeting of the club's executive committee, held Monday afternoon.

The dance will be held at the Hayden Memorial Hall of the Boston University School of Business Administration, which may be reached by means of the Lake-Commonwealth car.

NO REST FOR THE WEARY

The hackneyed expression "no rest for the weary" describes in a trite but none-the-less correct fashion the fraternity situation during vacations.

If it is not plans for Hell Week, it is plans for Rush Week. The accelerated program being constituted as it is, even the meager time which elapses between terms is barely sufficient for fraternity programs to be set up and put into action. This use of time forces many of Technology's fraternity men to lose by far the greater part of their vacation. With the unusual strain imposed by the necessity of studying throughout the entire year, these vacations are necessary if the student is to justify his capabilities.

For this reason it seems to us that the Interfraternity Conference can do a very valuable piece of work by placing some sort of limitations upon both Hell Week and Rush Week.

Possibly it would be an aid to the fraternities, as well as to the entering freshmen, to set a definite time for Hell Week, so that the initiation would be concluded completely in a week, rather than extending over a period of several weeks as each house disrupts the classroom routine successively. Other standard practices, definitely established by the Interfraternity Conference, would make this organization less of an ornament and more of a utility on the M.I.T. campus.

Rush Week should be limited so that each house will not be forced to break its neck trying to "beat out" its rivals. Unregulated competition always results in the mutual exhaustion of the competitors, and this is particularly true now.

An excellent start toward fraternity coordination was made during the last Rush Week by the collection and distribution of ration stamps. We hope that this effort will be extended this year so that the members of M.I.T. fraternities may be able to spend their time in greatly needed relaxation, rather than in writing numerous letters and hurrying back to Boston after only a day or two at home.

ANNOUNCEMENT OF ELECTIONS

The Managing Board of The Tech is pleased to announce the following elections:

In the Business Department, the following were elected to positions on the Junior Board: H. James Rosenberg, 6-45, Circulation Manager; Herbert A. Frankel, 6-45, Treasurer; and Robert A. Arrison, Jr., 6-45, Associate Advertising Manager.

Elected to the Freshman Staff in the Business Department were: Ray E. Homan, 2-46; Arthur Schiff, 2-46; Radley H. Daly, 2-46; William H. Schield, 2-46; and Jose Biamon, 2-46.

The following were elected to positions on the Junior Board from the News Department: T. Nicholas Berlage, 6-45, Desk Editor; George A. Dvorak, 6-45, News Editor; Harmon A. Poole, Jr., 6-45, Desk Editor; and Robert H. Symonette, 6-45, Personnel Manager.

Elected to the Freshman Staff from the News Department were: Alan R. Gruber, 2-46; Arnold S. Judson, 2-46; Peter H. Spitz, 2-46; Robert W. O'Brien, 2-46; Kenneth Bushway, 2-46; Steven J. Miller, 2-46; Peter M. St. Germain, 2-46; and Dean Bedford, Jr., 2-46.

The following men were elected to the staff of the Photography and Engraving Departments: Kenneth W. McGrath, 2-46; Robert S. McClintock, Jr., 6-45; and Philip A. Koehring, 2-46.

For Boys To Play

... "another term, another failure," or better yet, "back to the days that were free from care." Welcome back all ye Tech men who managed to survive the stormy blast and meet "the minimum scholastic requirements," straight five men included. We will now have a moment's silence for those men who have left the Institute for training centers, boot camps, and other institutions of higher education.

... to the brownbaggers dismay, the social season swings into action immediately with the Catholic Club acquaintance dance tonight. Chappie Arnold will supply the music for the evening and the festivities will stop at midnight. Since V-12 trainees have special liberty for the occasion and girls from the nearby women's colleges will be present, the get together promises to be a colorful event.

... John Hull's Junior Prom committee has released the name of the band for the big event on November 19. The fun-loving class of '45 has chosen Tony Pastor to entertain at the largest dance of the term. "The Band of 1942" comes here from the Paramount in New York where it has been for the past several weeks. Table reservations and option redemptions start on Monday and the names of the dates and their escorts must be turned in at the desk in Building 10 before Wednesday in order to go in the big J. P. issue of

the "humor" magazine. Rumor has it that there will be a goodly number of bottles of bubbly for the door prizes but winners must have both Friday and Saturday halves of their tickets in order to claim their prize. ... one of the largest parties following the Prom will be the Phi Kappa "Yippa Yappa Open House," which is scheduled to be their greatest ever. The occasion is the moving of the house into the new building at 220 Commonwealth Ave. Specialty feature of the evening is the new "Jailbait" Punch—formula prepared by the experts of the dashing twenties.

Fraternity Findings

Last week the members of Phi Kappa moved from their old house at 312 Beacon Street to a new house at 220 Commonwealth Ave. According to the house members the main reason for this was the need for more space to hold dances. The Phi Kaps will have their Yippa Yappa Open House party at their new address the night after the Junior Prom. This party will especially feature their new "Jailbait Punch."

'TWEEN DECKS

The effects of regimentation become more and more obvious among the boys in the Unit as time wears on. The other day a group of boys was seen walking out of the Coop; they had just received their books for the term. And on the back of his hand each had stamped the words, "Property of U. S. Navy."

At the company meetings Monday night one of the chiefs was appointing new student officers. "How many of you will not be here next term?" he inquired. Of course the Chief was thinking about Seniors, but the fellow who spoke up was thinking about Newport, R. I. "How do we know whether or not we'll be here next term?" he asked in bewilderment.

Speaking of Newport, our heartiest wishes go to our less fortunate brethren (depending on the point of view) for the greatest success in the seafaring career upon which they are about to embark. We'll really miss them—all of them except the jokers who "fixed" our rooms before we returned from leave.

Most of us like this season of the year better than any other because this is when the leaves begin to fall.

We missed morning calisthenics so much this week that instead of getting up at six as we did last term we just stayed in bed and sulked.

Newspapers From All Over Country In Tyler Lounge

For the students who long for news from the old home town, the Walker Memorial Library keeps a file in Tyler Lounge which contains newspapers from every section of the country. The papers represent every part of the United States and also parts of Canada.

The journals are placed in Tyler Lounge each day as soon as they arrive. All subscriptions are paid for by the library or through gift donations. All papers are left in the stand until the next issue comes through, and it has been asked that no one remove them until that time so everyone may enjoy these papers.

The display is made up of the following Sunday and daily subscriptions: the Atlanta Constitution, the Cleveland Plain Dealer, the New York Times, St. Louis Dispatch, the Washington Evening Star. The papers that are just delivered on the week days are the Chicago Sun and the Chicago Daily News, the Denver Post, the New York Herald Tribune, the New Orleans Times Picayune, Philadelphia Evening Bulletin, the San Francisco Chronicle, the Montreal Star, and the Oregonian, a new addition.

The Philadelphia Record is on file just on Sundays. In addition to these out of state papers, three Boston papers, the Post, Herald, and Globe, and the Christian Science Monitor are found in the lounge regularly.

If a group of students find that their section of the country is not amply represented they may see the library about making arrangements for a new subscription.

Menorah Society to Hold Elections This Afternoon

The first meeting of the Menorah Society for this term will be held this afternoon at 5:00 P. M. in the Litchfield Lounge, it was announced last night by Claude Corty, 10-44, president of the society. The most important item on the agenda will be the election of officers for this semester.

Plans for the society's dance with Simmons College, which will be held later this month, will be discussed, as well as plans for other dances and discussion meetings which will be held during the term.

TELEPHONE lines from poles to homes take a terrific beating from old man weather. And with wire for replacements drafted for military use, existing lines must be kept in good condition.

Asphalt coating applied in time keeps out moisture, chief trouble maker on telephone lines. Without lowering the wires, this trolley painter speeds the coating—helps recondition 50 lines a day.

This simple "stitch in time" helps keep communications open to the homes of America—and saves critical materials for vital war weapons.

War calls keep Long Distance lines busy ... That's why your call may be delayed.

SAILORS TAKE SCHELL TROPHY

Tech Harriers Victorious Beat Tufts, Northeastern Also Win Over Worcester

Art Schwartz Leads Balanced Tech Team To Both Victories

The M.I.T. cross-country team has added two more victories for the current season by beating Worcester Polytech in a dual meet at Worcester, and Northeastern and Tufts in a triangular at the latter's course in Medford.

In meeting the Worcester aggregation, Tech ran up against a hitherto unbeaten team on its own course. Trinity, Connecticut State, and Northeastern had previously fallen prey to the W.P.I. harriers. Out to repeat their earlier successes, the hosts put Al Gault into the lead at the very start of the race. M.I.T.'s Art Schwartz soon put an end to the opponents' hope for a new course record when he took over the lead at the end of the first mile, holding it to the finish line. He finished in the very fast time of 19.55.0 just 5 seconds under the record for the distance. Considering the hills and highways on the run it proved to be a real running test and the Tech harriers came through with flying colors to win a clean sweep over their rivals by a score of 21 to 39. Second place was taken by Captain Ken Joseph, one second behind the winner, and leading the W.P.I. Captain by 100 yards. Bud Bryant, Dave Bailey, Charlie Goldie, Dick Poorman, and Bill Hardy finished in that order for Tech. The total places taken by the Cambridge runners were 1-2-4-6-7-8-11.

Tech Wins at Medford

Last week the M.I.T. team travelled over to Medford for a three-way meet with Tufts and Northeastern on the 3.9 mile golf-course path. Ted Vogel a V-12 freshman and New England Jr. three-mile champion took and held an early lead, winning by 150 yards. He was the only Tufts man to finish in the first nine places.

Behind Vogel, The Tech team placed five men to take an almost perfect score of 20. This is the same fine balance shown in all the previous races. All five were timed within one minute of each other. They were: Schwartz, Bryant, Joseph, Goldie and Bailey.

The final results:

M.I.T.	2	3	4	5	6
Tufts	1	9	10	13	14
N. E.	7	8	11	15	17

New England Races Tomorrow

Individual honors went to Art Schwartz who has led the team to the tape in the past three races, in his first year out for track. He should show up very well in tomorrow's New England races. Six teams will compete in these races: Bates, Maine, Conn. State, Tufts, Northeastern, and M.I.T.

Infirmary List

In the Homberg Infirmery last night were:

Ernest Dzendolet 2-46
Walter W. Garvin 10-44
Finn T. Malm
Evelyn B. Yates
Adrian P. van Stolke 2-46

Football Tourney Begins This Week

Round Robin Playoffs To Start Thanksgiving

The Beaver Key Football Tournament starts this week with the first two games to be played today and six more games scheduled for Sunday. The tournament is slated to continue up to Thanksgiving weekend when there will be a Round Robin playoff among the leaders.

The rules have already been sent out to the seventeen teams who have registered for the tournament. These rules were adopted from the Dartmouth-Army A.S.T.P. touch football rules and not from the old Beaver Key rules which unfortunately have been lost. Since these new rules are slightly different from the old, there have already been several complaints made to Ken Keating, 10-44, and John Hull, 10-44, managers of the tournament. These complaints concern the number of men per team, the men eligible to receive passes, etc. It is therefore suggested that before the game the captains of the teams meet to decide possible changes in the rules. If there still are complaints at the time of the Round Robin, a definite set of rules will be set up at that time.

Teams are asked to report as early as possible so that the game can get underway at the specified time. The field designated on the schedule may be slightly changed but all games regardless will be played at Briggs field. There is still an urgent need for referees and umpires, so any men with experience are asked to see either Hull or Keating at the Graduate House.

M.I.T. Swordsmen Swing Into Action

Once again the M. I. T. Fencing team is swinging into action. Regular pre-meet practice sessions will take the place of the informal fencing which has been going on all summer. Preparations are being made to hold meets with such colleges as Brown, Harvard, Dartmouth, Amherst, Boston University, and Boston College.

Regular practice sessions are beginning immediately and will be held in the basement of the dormitories. Coach Joe Levis, one-time Olympic champion, and his sword-sliding minions will officiate regularly every Monday, Wednesday and Friday from 5:00 P.M. on. The team will be captained by the veteran Dick Maconi. Other regulars such as Lamar Field 2-44, Ray Gramund 10-44, Dick Lopez 10-44, John Vicini 6-45, Ed Chung 6-45, Dick Marsten 6-45, Nelson Chang 6-45, and Walt Mindermann 6-45, will be reinforced by Navy and civilian newcomers.

Last Year's Record Envious

Last year the M. I. T. swordsmen went through an undefeated season. They showed a splendid record by decisively beating Dartmouth, Boston University, Boston

Frosh Crews Defeat Harvard In Last Contest

Light And Heavy Boats Tie For First Place In Time Of 7 Min., 13 Sec.

The Technology freshman crews emerged victorious over the naval forces of Harvard in a race held late last term. In a time of 7 minutes 13.5 seconds the Tech light and heavy crews tied for first place with the defenders of the Crimson a good length astern. This Victory marked the end of a disastrous week in the annals of Harvard nautical history, the freshmen win being an aftermath of the varsity win and a just vindication for the frosh Engineers' defeat on the previous Saturday.

The first start proved disastrous, as a Harvard crewman caught a crab 30 seconds from the start. The Crimson boat suddenly lost headway and stopped, wallowing in the wakes of the Tech crews, which had taken the lead from the start.

Tech Leads

The second start was just as successful as the first for the Engineers who early took the lead, the lights in the van. Then began a battle between the lights and heavies for supremacy, Harvard by this time being a nonexistent threat. The Heavies pulled up on the lights seat by seat, each stroke bringing them up. At the Harvard bridge they had nearly closed the gap and as the boats emerged from the steel and stone portals the crews were nearly neck and neck. When the boats passed the finish mark the crews were bow and bow, with the Crimson thrashing the Charles a good length astern.

The official time for the race was 7 minutes 13.5 seconds and the Tech boats were seated as follows:

Light	Heavy
Wibman, 8	8, Rappaport
Borg, 7	7, Hewes
Hoffman, 6	6, Rudolf
Clements, 5	5, Becker
Storrs, 4	4, Lincoln
Farnum, 3	3, Adams
Auriema, 2	2, Daly
Hawthorne, B	B, Dickinson
Grant, C	C, Wilson

College, and Hamilton College, and by tying Cornell and Harvard. This year's team shows much promise, and hopes are held high that they will duplicate if not surpass last year's commendable performance.

Tech Swimming Team Will Start Practice

Coach Gordon Smith has announced that swimming practice will be held daily in the Alumni Pool between the hours of 4:00 and 6:00 P.M. He points out that if a candidate has a class till 5:00, he may report then. A candidate will not be expected to devote the whole two hours to practice.

There is, at the present time, a dearth of material in the middle distances, backstroke, and diving events. If there is sufficient turnout for the swimming team two squads will be formed: a varsity and a freshman or junior varsity, thirty men being assigned to each squad.

Tentative schedules have been arranged for the two, comprising seven or eight meets. The first meet, for both teams, will be one with Worcester Polytech at this pool on December 11, 1943.

M.I.T. Defeats Harvard, Yale In Sailing Meet

Third Cup For Tech Beside Intercollegiate, Henry Morss Memorial

Last Saturday and Sunday the Technology sailors distinguished themselves by winning the famous Schell Trophy in the annual Fall Invitation Regatta which this year was held at the Institute. In an extra race which was held because of a deadlock for first place between Technology and Harvard, the M.I.T. sailors showed considerable strength as they came in three boats ahead of the Harvard boat, winning the regatta by three points.

There were nine colleges participating in the regatta, finishing in the order; M.I.T., 160 points; Harvard, 157; Coast Guard, 140; Yale, 129; Tufts, 129; Northeastern, 111; Holy Cross, 99; Brown, 58; and Williams, 33. All the colleges were represented in the first division, and only seven in the second. The skippers for M.I.T. were Hal Boencke and Sam Parkinson.

Close All The Way

Of the nine originally scheduled races, six were to be held on Saturday.

(Continued on Page 4)

M.I.T. Graduate With Westinghouse

A 1943 graduate of Technology, Harry G. Clarke, Jr., of Fort Custer, Michigan, has recently joined the Westinghouse Electric and Manufacturing Company as a member of the Company's graduate student course. Clarke is one of more than 250 young men selected from colleges and universities who are receiving engineering and classroom instruction to fit them for "participation in the Company's war production program and for future leadership in the electrical industry."

A Bachelor of Science in Electrical Engineering, Mr. Clarke is taking the course which was designed by Westinghouse over 50 years ago to help college graduates bridge the gap between academic preparation and actual production work.

Have a "Coke" = Come in and sit down

... from St. John's to Schenectady

Friendly greetings like the *Come in and sit down* of the Newfoundland fisherman and the *Have a "Coke"* of the American soldier are understood everywhere. Around the world Coca-Cola stands for the pause that refreshes—the universal high-sign between strangers.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
COCA-COLA BOTTLING CO. OF BOSTON

"Coke" = Coca Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

Outing Club Plans Last "Three Ring Circus" Of Year

Cycling Trip Planned; Hikes and Riding Jaunt Featured On Weekend

The last "Three Ring Circus" of the year will be held by the Outing Club next Sunday, November 7 at the Blue Hills. All the groups are to meet at fireplace No. 21, for lunch at 1:30 P. M., which is a little earlier than usual.

Those planning to go on the cycling trip should go to the front steps of the Widener Library in the Harvard College yard at 9:00 A.M. in order to meet the groups from the other colleges. From there they will cycle to the Blue Hills under the leadership of John H. Hughes 6-45. There will be a chance for those who wish to continue the trip after lunch.

The hiking and riding groups will meet at 9:00 A. M. on the center platform of Park Street Under.

The hikers will spend most of the time hiking around the Blue Hills, and the horsemen will spend a couple of hours riding on the numerous bridle paths in the Blue Hills.

To Take Own Lunch

The different parts of the "Circus" will not wait for people who are late, as the leaders would like everyone to be on time. Transportation by subway costs 40 cents. Everyone is to bring their own lunch, but coffee and soup will be served. Although there is no limit to the number that may attend, the sign-up deadline for all colleges is 4:00 P. M. today.

The next square dance is to be held November 20 at Harvard Hall. As before Al Smith will do the calling, and there will also be some dancing instruction at 7:30 P. M., before the regular dance begins.

Technology Wins The Schell Trophy

(Continued from Page 3)

day and three on Sunday. All the Saturday races were close with ideal sailing weather prevailing, and so on definite superiority had been established at the end of the day. On Sunday the three remaining races were bitterly contested but when the totals were made, it was found that M.I.T. and Harvard were in a tie for first place. Thus another race had to be held, which was quite easily taken by Technology.

The referees for the regatta were Lt. Fowle and Lt. Wood, the latter a former sailing master of Technology and the current coach of the Coast Guard team.

Third Trophy for Tech

Beside the Schell Trophy, the Technology sailors have won two other cups this year. They took the Henry Morss Memorial Cup for the fourth time since the beginning of competition for this cup and also won the Intercollegiate Yachting Association Cup.

The Schell Trophy is a large silver cup resting on a black stone base with a miniature dinghy at the top. It can be seen at the Commodore's room at the Technology Sailing Pavilion.

Reviews and Previews

METROPOLITAN — Bob Hope and Betty Hutton in the screen version of the Broadway comedy *Let's Face It*. Perhaps a little disappointing for those who have seen the play but one of Hope's funniest. Betty Hutton's worth watching too.

LOEW'S STATE AND ORPHEUM — Humphrey Bogart in *Sahara*. For the second time the star of "Casablanca" shows that he can play more than gangster parts. This is another better one of the 150 war pictures that have been produced lately. Definitely worth seeing. Also billed with this is *Chance of a Lifetime*.

PARAMOUNT AND FENWAY — No one who read the book will want to miss Hemingway's *For Whom the Bell Tolls*. Every scene, every word and supreme technicolor contributes to make this picture one of film's greatest. Ingrid Bergman and Gary Cooper will be unforgettable, as Robert Jordan and Maria. **MAJESTIC** — A good double feature. *Frederic March and Janet Gaynor* star in *A Star is Born* and one of Alfred Hitchcock's greatest and most thrilling pictures, *The Lady Vanishes* with Paul Lukas who distinguished himself in "Watch on the Rhine".

OLYMPIA — Cary Grant and Laraine Day are shown in *Mr. Lucky*, a very amusing picture everyone will enjoy. Also shown is Leslie Howard's last film *Spitfire* which is worth seeing not only because it is Mr. V's last.

Seven Freshmen Are On News Staff

(Continued from Page 1)

The Tech will not end until the end of the present calendar year. The men elected to the Junior Board fill some of the positions left vacant by the departure of the ERC last June. Freshmen or others interested in becoming candidates for any positions on the staff should report to the News Room in Walker on Wednesday or Thursday afternoons at 4:00 P.M.

A.I.E.E. To Hear Talk on Electronics

The American Institute of Electrical Engineers recently announced that the next meeting of its Boston section will be held on Tuesday, November 9, in Room 200 of Northeastern University, at 7:45 P.M. Under the chairmanship of T. Cooper, Jr. the members will convene to hear a talk on electronics by Mr. F. R. Benedict, New England Engineering Manager of the Westinghouse Electrical and Manufacturing Company.

Mr. Benedict's talk will cover the present and future applications of electronics. It will be illustrated with motion pictures and working models of present day industrial applications of this science.

Tables Reserved

Tables for the members have been reserved at the Old France, 258 Huntington Ave., from 5:15 P.M. on. From 6:15 P.M. there will be facilities open in Richards Hall, Room 358R, at Northeastern.

T.C.A. To Sell Football Tickets

The T.C.A. ticket service will sell tickets for the Cornell-Dartmouth football game, it was announced yesterday by Wallace M. Ross, General Secretary of the T.C.A. The game is scheduled to be played Saturday afternoon, November 13, in Fenway Park.

Four hundred tickets will be ready today at the T.C.A. office—50 at \$3.30, 150 at \$2.20, and 200 at \$1.10. The \$1.10 tickets are for general admission to the bleachers in the end zone. The \$2.20 tickets are for reserved seats in Sections 5, 6, 17, 18, 19, and 26, and the \$3.30 tickets are for Sections 9 through 14.

This is the first year that the T.C.A. ticket service has sold tickets for any but the Harvard and Boston College games. It receives no commission for this service.

Pastor Is Band For Junior Prom

Saturday House Parties To Be Announced Later

(Continued from Page 1)

giving these parties will be announced next week. Also, as has been the custom, a number of door prizes will be awarded to the lucky ticket holders. The prizes have not been announced as yet.

Gave Bonds Last Year

Last year the Junior Prom also was a weekend affair. On Saturday night, there was a large informal dance held in Morss Hall, Walker Memorial. Instead of four house parties, there were five: Sigma Alpha Epsilon, Chi Phi, Theta Chi, Delta Psi, and Theta Xi. In addition to the formal, house parties,

and the informal dance, there was mixed swimming in the Alumni Pool on Saturday afternoon. The door prizes last year consisted of ten twenty-five dollar war bonds, two of which were donated by Voo Doo and the rest being given by the Junior Prom Committee on behalf of the Junior Class.
