Tufts and Boston College Lose To Beavers In Triangular Meet; New England Games Are Saturday

23 men from the Beaver track squad will take part in the Annual New England Track and Field championships to be held on Alumni Field at Boston College tomorrow according to an announcement by Oscar Hedlund, track mentor.

According to coach Hedlund himself, his squad, known as the Beavers, is the probable winner of victory on the strength of balanced aggregation.

The probable members of the Beavers that will be between New Maine and New England with Boston College as a third place favorite.

The chances of the Eagles for a high place hinge largely on the efforts of Herbert McKenney, Beavers half back who hails from the West Indies, and who took three thirds in a triangular meet last weekend as Briggs Field. Beaucor, Michigan State and New Hampshire will lead the efforts of the Wildcat team since he is certain to throw the hammer, high jump and broad jump events. Maine is particularly strong in the 1-mile hurdles and pole vault events with Dodge as a strong outlander for hammer throw honors.

Lacrosse Lose To Andover Team

The Junior Varsity lacrosse team has lost to Andover 5 to 3 last Saturday in the annual game. The Beavers were well against the home team, their stronger hooker Heckel more than made up for that by scoring all five goals himself. He put three goals in the net in the first period and, in the second, and in the fourth period respectively.

The line-up—Lenon, Mohran, Townsend Pf; Stevens Cp; Reed 16; Haynes, Peason 2B; Zierk, Kelly 1B; Sumner 3B; Reuss 2B; Buehler, Mature; C. Crews Head South For Children's Meet

Only trip of its kind scheduled will come this weekend for the Tech varsity and freshman heavy crews when they travel to Annapo-
lis, Md. to compete for the Children's Cup against Navy, Col-
as and Pennsylvania on the Severn River. The Beaver crews have yet to taste victory since having defeated Harvard in their first race of the season.

The members of the boas are as follows:

**Varsity Heavy Boat**
- A. Lion, J. Whisnant, 4; Street (Capt.); 5; Cook, 4; Clare, 3; Stephenson, 2; Thor-..*****

with a protest decision giving Har-

vards' and the varsity ratings, and rating in the Coast Guard Bowl as both teams minus a regular skipper fin-

ally fourth respectively. Harvard will be back at full strength again this week with the L.C.A.F.A.'s president and No. 1 skipper, Dave Noyes, ready to lead the Crimson and carry out an old tradition that the Association's skippers always try to turn in a grand performance in the Bowl. If Noyes is in top form and the Nationals will practically be his own man as the Crimson com-
dore and crew captains next month, Harvard will be hard to beat.

Like Harvard, Tech will be back at full strength on Saturday and Sunday with Sam Parkinson again at a tilter, and again, as with the Crimson, Tech's fate may depend on the choice of the right skipper to sail. Parkinson has sailed con-
siderably all season, although he lacks Noyes' brilliance, usually re-
liable Harold Boercke, who holds the highest L.C.A.F.A. rating on the Tech team, if the Harv-

er's boat was way off-form in the Coast Guard, and Ralph Brans', Tech's No. 3 man, has been sailing exceed-

ingly well all season.

Last weekend the Teche took the fourth place in the Annual re-
gatta for the Coast Guard Alumni Bowl sailed on the Thames River at New London. Holy Cross, defini-
tively a dark horse, won the meet with a total of 353 points, fol-

dowed by Yale with 134, Harvard with 132, and Tech's Ralph Brans and Sam Parkinson repre-

sented the Beaver at the regatta which served as a warmup for this weekend national championships.
