Quadrangle Club New Elects Members; Fresh Questioned

At a meeting of the Quadrangle Club of the class of 1944 Monday night six new members were elected to the club. Three of them came from a group largely invited to a party held at the Hotel Kenmore. Among the new members were three students who were members of the Institute Committee, James V. Olin, 2-44, Head Usher, and William H. Brewer, 1-44, and Frank W. Nolan, 2-44, forerunners of the Institute Committee.

The election of members for the club was held at the end of the organization meeting of the Institute Committee which was held in the Tech Club at the Tech Club this afternoon. The main topic of the meeting was the discussion of the current status of the Institute Committee and its future activities. The committee decided that it would extend its activities to include the promotion of student activities and the organization of student groups. The committee also discussed the possibility of forming a student newspaper and a student radio station.

As a result of the discussion, the committee decided to hold a meeting to discuss the possibility of forming a student newspaper and a student radio station. The meeting was set for next week at 5:00 p.m. in Room 2-151.

The TECH

Letter to the Editor, The TECH—

Recent events have brought to light the fact that the majority of air raid sirens are turned off before the make-up and functions of the Student Faculty Committee. This letter is intended to acquaint the student body with this, so as to enable the committee to function properly.

The Student Faculty Committee includes representatives from each of the student groups and a student group appointed by the Institute Student Council. The purpose of this committee is to consider proposals on various plans of Institute activities affecting student-faculty relations, and to make recommendations to the student council.

The following are the names of the student groups:

Group 1: Academic Affairs
Group 2: Administration
Group 3: Athletics
Group 4: Community Relations
Group 5: Cultural Affairs
Group 6: Finance
Group 7: Health and Welfare
Group 8: Student Organizations
Group 9: Student Life
Group 10: Student Publications

The Student Faculty Committee meets at frequent intervals to consider questions brought before it by the student groups.

STAMPS AND SALERNO

The idea of stamps is not new. During the days of the Roman Empire, stamps were used to authorize the sale of goods. In the Middle Ages, stamps were used to authorize the sale of goods by merchants. In the 19th century, stamps were used to authorize the sale of goods by mail order companies. In the 20th century, stamps were used to authorize the sale of goods by mail order companies and to control the circulation of money.

The idea of salerno is not new. During the Middle Ages, salerno was a city-state in Italy. It was known for its medical schools and hospitals. In the 19th century, salerno was a center for the study of medicine. In the 20th century, salerno was a center for the study of medicine and for the development of new medical treatments.
