APOLOGY

We are very sorry that The Tech did not go on sale as usual at 11:00 A.M. last Friday. The presses were not ready at that regular time because the printer's machinery did not arrive until 3:00 P.M. The vehicle was reported as being in a snowdrift caused by the sudden storm last Thursday night.

Scott Assembles Gridiron Group

Plans For Term Made By Journalism Group

Under the leadership of William Scott, 2-44, General Manager and Manager of Technique, a meeting of the Gridiron Society was held in the Lindold Lounge Wednesday afternoon. Scott had authorized the Institute Committee to appoint the society which has been in a dormant state.

The Gridiron Society is Technique's journalistic group. Membership is open only to the student members of the society with the proviso that there shall be no honorary members. In past years the officers and active members have met for four or five audited sessions.

Meeting Wednesday

With the exception of the many society members who attended the Gridiron meeting last Friday, the Society struggled in trying to attract a group of new members. The meeting had to be postponed until later in the year to entertain any new members who were present.

One of the features of Gridiron initiation banquets in past years has been the selection of the年度 Gridiron song. Those present at Wednesday meeting expressed the hope that this tradition will be upheld.

Herbert P. Knox, 3-40, Chairman of the Senior Week Committee, who was largely responsible for recruiting students for the Gridiron Society, stated that several houses objected to the plan and that the committee therefore felt it advisable to make certain changes.

B. Scott, 2-44, former General Manager, stated that several houses objected to the plan and that the committee therefore felt it advisable to make certain changes.

To Dinner Gold Medal Winner

"The Rock," the 1944 Gold Medal winner, was entertained to dinner Tuesday by members of the Gridiron Society and the Drama Club. Both groups worked together in attempting to sponsor another "The Rock" winner in the future. The dinner party was given on the occasion of the recent presentation of the Gold Medal to "The Rock" at the Academy Awards.

"The Rock" was the only representative from Tech of the group of 15 Gold Medal winners who were honored at the awards ceremony.

Freshmen To Vie For Walker Posts

Meeting On Monday Established

Freshman competition for positions on the Walker Memorial Committee of the Drama Club was established Monday afternoon, January 16, at 4:00 o'clock in the Center Lounge. The actual competition will last a week, and all freshmen present Monday afternoon will be considered in the competition. Members of this committee are supporting their top candidates to vie for Walker posts. Also, a list of officers of these groups will be announced in the new Freshman Handbook.

The Tech
Civil Engineering To Be Presented In New T.E.N.

Robert M. Gould, 646, General Manager of the Engineering Technology Department, was the resourceful chairman of the committee in charge of the arrangements. The committee met in the Engineering Center Library last night to discuss the arrangements for the next meeting of T.E.N., which will be held in the first meeting of the new academic year.

The committee is composed of Arnold S. Judson, 2-46; William L. Phelan, 2-46; Robert H. Symonton, 646; George D. Dzvon, 646; Herbert J. Hauke, 646; Harold A. Brooks, 646; Howard W. Bohrer, 2-46; and T. Nicolaus Berleit, 2-46.

The meeting will be held in the Engineering Center Library at 8:00 p.m. on Monday, September 17. The topic for the meeting is "Civil Engineering to be Presented In New T.E.N." The meeting will be open to all students, and the program will consist of a short talk by the chairman on the history of the engineering profession, followed by a presentation of the work of a civil engineer in the field of highways.

Country Club is the only Outing ski club at the club office in Walker. Commonwealth car to the Country Club on Monday, January 17 will also be a small group which will take pictures around the facilities as well as to scout the darkroom involving developing and printing. It was announced last night by Lillian H. Powers in 5-46, Photographic editor of the yearbook. He advised that much photographic work to be done in the next future, and that students of all classes are eligible for positions as Technique photographers.

All the necessary equipment for outdoor and indoor photography are available, and there also are some darkroom facilities. It is necessary for Technique photographers not to have any previous experience but will be trained by members of the regular staff. An application in interested should contact Parrav as soon as possible.

 originates the only ruling on the class of ship that it will be 100 square inches or more. The "Kitten" also had a fundamental problems of the marriage lectures is to help freshmen to get a little imagination.

They don't like to get into a rut," he continued, "so we share of dog-work, but here's a way to put some spark into school activities. After this probation period, the committee clicks, and the Freshmen Council supervises the Freshman Council, which includes all freshmen, and is to be held in the Tech Council will be held on the second floor of the building. The Freshmen Council is to be held on the second floor of the building.

There are several other functions that the Walker Memorial Committee is planning. The committee is planning a certain number of important positions. These positions include the presidency of the Walker Memorial Committee, which is under the supervision of the Walker Memorial Committee.

The present members of the committee are: Herbert F. Knape, 6-4; Richard H. Sisson, 4-H; John L. H. Huguenot, 4-H; and Robert H. Sisson, 4-H. The committee is planning a certain number of important positions. These positions include the presidency of the Walker Memorial Committee, which is under the supervision of the Walker Memorial Committee.
