PRICE FIVE CENTS

Class Elections Set For Oct. 10

Classes 2-47, 10-47 To Choose Officers

Elections for the Classes of 2-47 and 10-47 will be held on October 10. Each class will elect a president, vice-president, secretary-treasurer, and two Institute Committee representatives. The Class of 2-47 will also elect a Senior Ring Chairman.

Nomination blanks are available from the Information Office, and must be filled out and turned in on or before October 1. In order to nominate a candidate it is necessary to have signatures of at least 25 classmates on the blank. According to the constitution, each candidate must also submit a 200 word statement of his policy, his cumulative record, his activity record at the Institute, and a full-face 4x5-

(Continued on Page 4)

Orders Changed for V-12 Seniors, and Upper Juniors

Seniors will not be released to active duty upon completion of their program, it was announced last week by the Navy Department. This supersedes the announcement published in last week's issue of *The Tech*. The proclamation, continued, saying that men, upon completion of their eighth year at the Institute, would be released upon active duty and commissioned either immediately or after a short period of training. The announcement said nothing about what would happen after men were commissioned.

Peripatetic *The Tech* re-appeared soon after the announcement, but ran into a number of indignities of the order. Some of them around the Grad House probably most of them—think the means sea duty following the commissioning, although only wild guesses could be made as to the nature of such duty. Opinions at the other extreme suggested that

Tech Sailing Team Wins Oberg Title, Holds Wood Meet

Freshmen Lose Crown To Coast Guard; Wood Cup Regatta Is Sunday

Tech won its third consecutive claim to the Oberg Trophy and the dinghy championship of the Boston area last Sunday by sailing to an easy victory in the tenth semi-annual renewal of the competition. This Sunday the team will again be in action on the Charles, participating in the annual Wood Trophy regatta.

Frosh Sail at Coast Guard

The M.I.T. freshman team was active last week-end in the Inter-Collegiate Yacht Racing Association's sixth annual freshman championship held on the Thames River at the Coast Guard Academy. Although Tech, by bowing to Coast Guard, 107-104, failed to retain its team title, Johnny Marvin, of M.I.T., captured the individual championship by outscoring his closest competitor by a single point. Ray Brown was the second skipper representing Tech.

Amassing a total of 148 points, Tech turned back Tufts, with 117, and Northeastern, with 68, in the Oberg regatta. Each team entered three boats in six races. Individ-

I.F.C. Chaperone List Announced For Coming Dance

Mrs. Karl T. Compton and Mr. and Mrs. James R. Killian, Jr., head the list of chaperones for the I.F.C.-sponsored All-Tech Victory Ball.

The other chaperones, whose names were revealed yesterday by Carroll W. Boyce, 2-46, Dance Chairman, are: Mr. and Mrs. Delbert L. Rhind; Prof. and Mrs. Howard R. Bartlett; Prof. and Mrs. Sanborn C. Brown; Prof. and Mrs. Paul M. Chalmers; Prof. and Mrs. Leicester F. Hamilton; Prof. and Mrs. Ralph G. Hudson; and Prof. and Mrs. C. Richard Soderberg.

The ball will be held on Friday, September 28, from 9:00 P.M. until 1:00 A.M., in the Imperial Ballroom of the Hotel Statler. Music will be supplied by Enoch Light, his violin, and orchestra, featuring the Light Brigade, a vocal ensemble, and chanteuse Leslie James. Light's orchestra is nationally known and has broken all records at the Biltmore Hotel in Manhattan.

The \$7.00 tickets for the event entitle the purchaser and his companion to attend any or all of the three fraternity parties on Saturday night, September 29. A.T.O. will hold its annual "Fall Brawl" at Fry's Barn in Brookline. SAE's

(Continued on Page 2)

T.C.A. Drive Starts Oct. 2; \$2550 Is Sought

Vershbow and Holland Have Been Appointed Heads Of Drive Comm.

The annual Technology Christian Association Drive will get under way on October 2 and will continue through October 6. The goal for the drive this year is set at \$2550. This money, necessary so that the T.C.A. may continue its services to the student body, will support, among others, Boys Work, Freshman Camp, the Employment Bureau, and the Handbook.

This year the World Student Service Fund appeal will be held at the same time as the T.C.A. Drive, and the drive cards will have separate divisions for each organization. The World Student Service Fund is devoted to assisting students in the war-torn countries of Europe and Asia to go back to their schools and universities.

Dinner To Be Held

A dinner will be held on Thursday, September 27, at 6:00 P.M., in Pritchett Hall, Walker Memorial, to which all workers in the drive are invited. At the end of the dinner a meeting will be held at which time addresses will be presented by members of the T.C.A. and the World Students Service Fund. Norman N. Holland, Jr., 2-47, is chairman.

(Continued on Page 4)

Veterans Organization Formed; Will Apply For Class A Rating

A new activity was born on the Institute campus last Wednesday, September 19, in Room 6-120—a veterans' organization. In a meeting specifically called for the purpose of determining if such an organization was to come into existence, the vets voted almost unanimously in favor of the necessary measures to be taken in forming the group. The vote followed a speech by Lt. Col. Jay Zeamer, G., on the aims and purposes of the proposed organization and a subsequent general discussion.

The constitution which had been drawn up by a previously appointed committee was accepted, and a petition was signed by about forty vet-

erans—making them charter members. This marked the organization's inauguration. No name has yet been agreed upon for the group, but it will apply at the next Institute Committee meeting for recognition as a class A activity. A meeting will take place the following Monday, October 1.

Several suggested activities of the group have been: a legal committee, coordination with the Veteran's Administration, and aiding the incoming veterans in orienting themselves to all phases of Technology life. With the ever increasing number of ex-servicemen returning, it seems more than likely that the new organization will be quick in expanding.

Glee Club To Sing With Pembroke Col.

Affair At 8 Tomorrow; Dance Follows Until 12

The Glee Club will hold a concert-dance with the Pembroke College group tomorrow night at 8:00 P. M. in Morss Hall. The concert will be free, but admission of \$1.25 will be charged for admission to the dance. Tickets are still on sale in the Lobby of Building 10 from 11:00 A. M. until 2:00 P. M., and will be sold at the door.

Dancing will begin at 9:00 P.M., and will last until midnight. Music will be furnished by the Technicians.

DO WE CARE?

On October 10 the Classes of 2-47 and 10-47 will go to the polls to elect their officers for the coming school year. In the past there has frequently been all too little interest shown in class elections; we feel that it is high time that members of the student body faced the matter with a little more sensible attitude.

Under a student government system such as we have here at the Institute, the undergraduates are free to elect their own officers and their representatives on the main governmental body, the Institute Committee. All too many students seem to adopt a "let George do it!" attitude when the question of voting arises. They are "too busy" to bother and go down and vote. It is ironical that these same people are usually the ones who turn the air blue with complaints when the results of the elections are announced.

The trouble is that when they start to object it is all too late to do anything about it, and by the time the next election rolls around they have forgotten what they were so violently objecting to the last time. If those people would devote the time and energy they spend complaining after the elections to going around and getting petitions signed for those men they wish to see placed in office, and then voted for these same men on polling day, there would be a very marked decrease in post-election beefing.

If we are to have a truly representative student government we need people to get out and vote. Let's adopt a realistic attitude toward the whole thing. Let's get the petitions out early and get the requisite number of signatures. After all, it is our business who gets elected; we put them there, or at least we ought to.

T.C.A. Frosh Cabinet Elects Brettler Pres.

The T.C.A. freshmen Cabinet met on Thursday, September 20 in Litchfield Lounge to elect officers. Benjamin J. Brettler, 10-47, was chosen president and Stanley J. Adelstein, 10-47, vice-president, while Walter M. Chaiko, 2-48, and Chandler A. Oakes 2-48 were named Secretary and Treasurer respectively.

H. C. Kendall Gives Lecture On Radar

Explains Basic Function; Fundamental Equation

Hugh C. Kendall, a former instructor in the Technology Radar School, gave a lecture Tuesday, September 18, at 5:00 P.M., in Room 10-250, on modern radar equipment and techniques, illustrated with pictures of radar "views" of the Institute and surrounding territory.

The lecture included the fundamental radar equation involving the power transmitted and the power received, "block diagrams" of radar sets, and a movie on radar indicating instruments. Mr. Kendall described the basic function of radar as the location of any body by the determination of three coordinates of the body: range, angle of elevation, and direction. The lecture was sponsored by the Technology branch of the A.I.E.E.

Rev. Kopf To Lead Chapel Wednesday

Rev. Carl H. Kopf will be the guest clergyman at the next T.C.A. Chapel service. Rev. Kopf is well known to Tech students, and freshmen will remember him as the religious speaker at freshman Camp last July.

These Chapel services are held under the auspices of the T.C.A. in the Emma Rogers Room every Wednesday from 12:00 to 12:15 P.M. Donald H. Haliburton, G., is in charge of the arrangements for these short religious convocations.

I.F.C.

(Continued from Page 1)

house on Beacon Street will be the scene of their Sailor Party, while Theta Chi will also hold a party at its house.

Corsages Outlawed

The dance is open to all Institute men and will be in the form of a gigantic victory party. To cut down individual expenses for this big week-end, the I.F.C. dance committee has decided that no corsages will be allowed at the dance. This rule will be strictly enforced.

man about tech

... the other night, while taking the air we came across something that aged us considerably. It was a chesterfield advertisement, the customary pretty girl admiring a package of the world's best tobacco. The girl was Shirley Temple or we will eat our entire collection of movie life. This piece would have been called "days of our lost youth" except that it sounds much like the New Yorker. We remember when Shirley was the center of all our lost dreams (Dear Mr. Durbin was next), the girl we would have liked most to go through high school with. She was the symbol of joyousness of youth without aches and growing pains. ... now to have it all go up in smoke!

... it seems that Harvard is getting desperate. Officially or not, a young naval officer was over in the dorms last week trying to drum up trade for his alma mater. In the midst of a circle of freshmen held forth on the halo that he had over Harvard—the short hours, the easy work, the social life, the prestige that comes with being a Harvard graduate, etc. The freshmen grunted their slide rules and went back to work.

... not all the first term freshmen are bitter about the weekly pop quizzes. A friend of ours who had paid for watching over the hour from 9:00 a.m. to 10:00 on Friday morning reports about half-way through one of the earlier exams, one such student called him over, haughtily presented the question sheet, and asked "is this all?"

... coming out of the last 8.04 one of our spies on the department of buildings and power overheard a gentle-faced sophomore mutter "I wonder how the 8.04 condition will be."

Sailing

(Continued from Page 1)

ual scoring honors were won by Tech's Leigh Brite, who gained 53 tallies, one more than the total of Al La Fountain, also of Tech.

Coast Guard Holds Wood Trophy

This Sunday Tech will be competing to wrest the Wood Trophy from the possession of Coast Guard. Competing in this meet, the only event last year's team failed to win will be Harvard, Dartmouth, and Coast Guard, each collectively represented by four crews.

Blue Hills Hike Planned For Sun. Square Dance, I.O.C.A. Trip On Sept. 29, 30

The Technology Outing Club is planning a rock-climbing trip into Blue Hills this coming Sunday, September 23. Plans for a square dance and several trips with other colleges are now being made for the last week-end of this month. Participants in this Sunday's hike will leave from Walker Memorial steps at 9:00 A.M. and Park Street Under at 9:15 A.M., with their destination as Rattlesnake Falls in the Blue Hills.

The square dance is scheduled by the Intercollegiate Outing Clubs Association for Saturday, September 29, from 8:00 P.M. to 11:30 P.M. The affair will be held at Memorial Hall, Cambridge, and Al Smith, '04, will do the calling. Tickets will be on sale at the Outing Club office in the basement of Walker Memorial on Tuesday, Wednesday and Thursday of next week from 5:00 to 6:00 P.M.

Other Trips Planned

The trips on Sunday, September 23, will serve as introductions to other colleges in the I.O.C.A. A rock-climbing expedition will leave from Walker Memorial at 8:00 A.M., a bike party at 10:00 A.M. and a horseback riding group and another hiking excursion at 1:00 P.M. The four groups will meet in the late afternoon in the Blue Hills for supper. Besides Technology hikers, students from Wesley, Simmons, Radcliffe, Harvard and perhaps Tufts will attend. This trip is not limited to members, but is open to all students affiliated with the Institute. A sign-up list for the excursion will be posted next Tuesday in the lobby of Building 10.

I. T. Rifle Team Activated

I. T.'s rifle team has been activated again and is to have its first practice on Monday, September 24. On Wednesday, September 26, the rifle team held a rally which proved very fruitful, since a total of 53 men signed up for the team. Most of the men have had experience with rifles and some of the regulars have returned. No practice will be held this term because of the lack of practice, but next term will see a multitude of stalwart and shoulder-to-shoulder members. The highlights of the coming schedule will be meets with Army, Navy, and Coast Guard.

Beaver Key Calls Football Meeting; Softball Held Up

Although the Beaver Key softball championship is still an unsettled issue, plans are going forward for the fall football schedule, which will get under way before the end of the term. At 8:00 P.M. this Wednesday in Litchfield Lounge the chairmen of all athletic groups competing in the tourney will meet to discuss the program.

Recent Innovation

The new scheme for organizing the tourney, that is, calling together representatives of the various participating teams, is the consequence of the review by the Institute Committee of the management of intramural sports. Beaver Key athletics are under the direction of the Beaver Key Society.

Softball Play-offs Delayed

The play-off of the softball deadlock between Phi Kappa Sigma, Theta Chi, and Phi Delta Theta was delayed during the past week by rain. Theta Chi, halted by Student House, 6-6, a week ago yesterday, won its way to the play-offs last Friday by gaining a 5-1 victory in a replay of the tie.

Tech Resumes Soccer In Opener Tomorrow

Hedlund Addresses Freshmen At Rally

Track Coach Oscar Hedlund last Tuesday set forth the opportunities offered by track and cross country in a meeting of freshmen at the Field House. After introductory remarks by Bill Casey, head of the Track Club, Coach Hedlund emphasized that, with the expiration of the V-12 program, freshmen have the chance in the immediate future to make an early debut in varsity competition.

Intramural Meets Planned

Plans were revealed for intramural competition for the rest of the semester. On the schedule tentatively are a frosh cross country run and a handicap meet; then, on October 4 and 5, the fall Interclass Meet will be held, featuring a variety of events.

The track aspirants were urged to consider cross country not only as a strong, competitive sport, but also as a means for building the endurance necessary for shorter races. The winter schedule, highlighted by several trips to New York, was also reviewed.

Tech Engages Brown On Home Field; Six Games Are Scheduled

Playing host to Brown tomorrow, the varsity soccer team will open the first season of play since the discontinuation of the sport three years ago. The inaugural is scheduled for 3:00 P.M. on Briggs Field.

Six Games on Schedule

M.I.T. will meet four other teams in a six-game schedule. The team will engage the Davisville Sea Bees twice and will face Tufts, Coast Guard, and Harvard once each, according to the present slate.

Two weeks of practice have found a squad, numbering about thirty, of fairly experienced men. Latin American students are playing an important role in the formation of the team.

Squad Shows Promise

In the eyes of Coach John F. Craig, who served as Tech soccer mentor before the war, this year's squad shows promise for success. "The best outfit I've seen in my experience here" was Coach Craig's comment on the prospects for the season.

The starting line-up for tomorrow's contest reads as follows: Whorf, goalie; Corbin, right fullback; Cummings, left fullback; Chabot, right halfback; Smith, center halfback; Lewis, left halfback; Ponce, outside right; Dibos, inside right; Etchenique, center forward; Rizo-Patron, inside left; Wright, outside left.

FALL SCHEDULES

Cross Country

Date	Opponents	Place
Oct. 6	M.I.T. vs. Tufts	Tufts
Oct. 13	Dartmouth, M.I.T., and Harvard	Harvard
Oct. 20	Northeastern vs. M.I.T.	Franklin Park
Nov. 11	N.E.I.C.A.A.	Franklin Park
Nov. 18	I.C.4-A.	Van Cortlandt Park

Soccer

Date	Opponent	Place
Sept. 22	Brown	M.I.T.
Sept. 29	Sea Bees	Davisville
Oct. 10	Tufts	M.I.T.
Oct. 17	Sea Bees	M.I.T.
Nov. 16	Coast Guard Academy	New London
Nov. 24	Harvard	Harvard

East West Assoc. To Show V-12 Movie About China, India

The East and West Association is showing a moving picture about India and China on Wednesday, September 26, at 8:00 P.M., in Room 6-120.

The movie will deal with the industry, social and general life of the two countries in question. Refreshments and informal dancing in the Emerson Room, Room 7-431, will follow at 9:00 P.M. All Institute men are invited.

(Continued from Page 1)

it meant no change in plans, but was rather an effort to conceal the future disposition of V-12ers from the prying eyes of such men as Senator Walsh. This is evidently based upon the absence of information as to what is to happen after the men are made ensigns.

However, it must be remembered that this applies only to the V-12ers in the Classes of 10-45, 2-46, and 6-46. Others will go into N.R.O.T.C., as previously announced.

Dorm Comm. Plans Dinner At Statler

The Dormitory Committee will hold its traditional term banquet at the Hotel Statler on Tuesday, October 16, at 6:00 P. M. Faculty and administration members of the Dormitory Board, in addition to members of the Dormitory Committee, will attend. The new chairman, who will be elected in the near future, will be introduced at that time.

About 55 persons are expected to attend the Dormitory Bull Session Dinner, which will be held next Wednesday, September 26, at 6:00 P. M. in Pritchett Hall, Walker Memorial. The purpose of this dinner is to promote a closer acquaintance between dorm residents and their professors.

In The Spotlight

Another of Chicago's sons has risen to fame at Technology. Bob Spoerl, born in the Windy City in 1926, is now claiming his share of the limelight as President of the Interfraternity Conference. A member of, but not the sweetheart of, Sigma Chi, Bob has now as his main worry the oncoming I.F.C. sponsored Victory Ball. He is sure of its unparalleled success, and spends a good deal of his time urging friends to attend the affair.

Bob makes Scarsdale, New York, his home now, having moved there at the age of eight. He went through the usual routine of grammar and high school, and entered Tech with all the other 2-46's in July of 1943, at the same time discarding his sports jacket and slacks for bell-bottomed trousers and coat of Navy blue.

Administrative activities, with one or two minor exceptions which we shall mention later, seem to be Bob's forte. He is now serving as vice-president of the Institute Committee, was a member of class' Junior Prom Committee, and now of the Senior Week Committee. He also belonged to the Beaver Key Society, and the Athletic Association for a while.

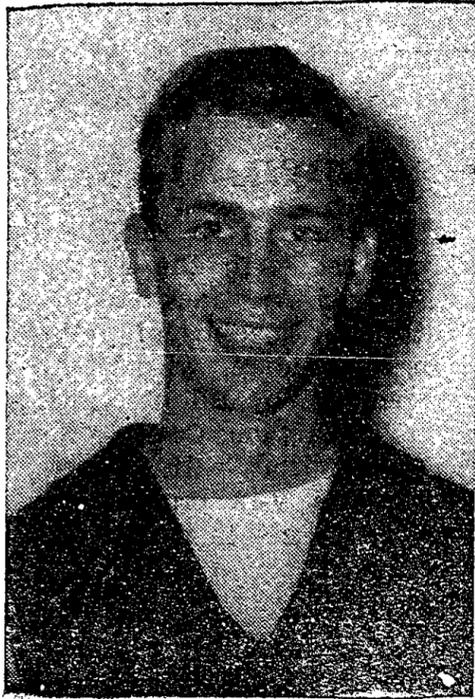

On Track Squad

A big fellow, 6 feet tall and weighing 165 pounds, he is well suited for running, and is consequently a member of Oscar Hedlund's track and cross country squads. He also swings a mean racquet on the squash team.

Bob admits that his one indulgence is messing around, or to use the nautical term, goofing off. He loves to sleep, and to do as little as possible of anything that requires any effort, even school work. This brings us to the minor exceptions in his activities we spoke of earlier. He is another member of the M.I.T. Drinking Society, the P Club, and doesn't care what his liquor is, so long as it's at least 100 proof.

On week ends when he goes to New York, he likes, and we quote, "A couple of beers and a couple of dates." We assume he means one beer with each date, though he might mean one date with each beer. He likes certain New York night spots, those where they play jazz, but he doesn't care for the Boston variety of night club, and for that matter, probably the Boston variety of anything.

He reads a little, though admittedly infrequently. He sticks to magazines as a rule, saying that

BOB SPOERL

anything else would be a little too deep. He follows baseball with a good deal of enthusiasm, and, in the current pennant races he is favoring his home town Chicago Cubs in the National League. He doesn't care much about the American League, but said that he'd like to see the Cubs beat the Senators rather than the Tigers in the World Series.

Like many V-12ers, Bob would like to get out of the Navy as soon as possible after graduation. (We can see no reason for this unexplainable trend among our Navy men.) He wants to take a long vacation, preferably in Canada, and after that, well, there's plenty of time to decide. He has seen most of Canada and the U. S. as a matter of fact, and says that he likes the Rockies the best.

Asked if he had any distinguished characteristics he revealed that he has broken both his little fingers, an accomplishment that not many men can boast of. He also told that he was burned severely one 4th of July, when several hundred firecrackers he was carrying in his pocket exploded.

Techtonians Are Missing Pick-up For Guitar

The Musical Clubs have reported that a magnetic pick-up for an electric guitar is missing from their office on the third floor of Walker. Information is desired which might lead to recovery of the pick-up.

Inasmuch as the device is urgently needed by the Techtonians for their performance at the dance Saturday evening, the group would welcome information as to where they could buy, borrow, or steal a similar pick-up for Saturday evening.

Walker Student Staff Dances

The Informal Dance Committee of the Walker Memorial Student Staff has been reorganized, and it will present its first dance this evening in Pritchett Hall. This dance, which is for members of the Student Staff and their guests, has always been a popular affair in the past, and indications are that this one will be no exception.

The present committee consists of Chairman James P. Coffey, 6-46; Secretary Sterling E. Babcock, G.; Wilfred L. Fryberger, 2-47; Michael J. Lipton, 2-47; Donald L. Wrisley, 10-45; Alexis Pastuhov, 2-47, and William Henderson, 2-48.

Gridiron Welcomes Twelve Initiates

Banquet Will Be Held Wednesday, October 10

Gridiron, the Technology publications honorary society, welcomes twelve initiates to its ranks at meeting Tuesday, September 19, at 5:00 P.M., in Tyler Lounge.

The new men, who were selected for their outstanding work on various Tech publications, are: **Technique:** Harland A. Gray, 2-46, Edward L. Belcher, 2-46, Richard M. Adler, 2-46, and Richard Cleveland, 2-47; for **T.E.N.:** Louis Wadel, 2-46; for **The Tech:** Richard Bakal, 2-47, Donald S. Colby, 10-46, William C. Dowling, 2-46, Robert G. Wilson, 2-46; for **Voo Doo:** Morris A. Chomitz, 2-46, Norman Holland, Jr., 2-47, and Howard Perlmutter, 2-46.

An initiation banquet will be held Wednesday, October 10, 6:30 P.M., at the Fox and Hound Club. At the banquet, the initiates will present a short unusual program as has been the custom in the past.

The next meeting of Gridiron will be held Tuesday, October 2, at 5:00 P.M., in Tyler Lounge.

Elections

(Continued from Page 1)

inch photograph of himself and a with the nomination blank.

The elections, to be held October 10, will be conducted according to the preferential ballot system. There will be no nominations for vice-president, but the second linee to receive a majority of votes for the presidency will automatically be elected.
