Prof. Magoun Speaks 'At 52 Schlitz Party

Stag Affair Friday Open To All Classes Except The Freshmen

Professor Magoun, Beer, and Sex

Professor Magoun, Beer, and Sex will be held this Friday in Building Ten. The tickets, which are $3 each, which all except freshmen are invited, will begin at about 6:30 p.m.

The two main attractions of the night will be sandwiches, as well as beer and soft drinks are planned as refreshments. At this time the members of the M.B. department will be on hand, but this time both Gordon and Magoun will be present. Some denizens of the Techtris will add a musical note.

Beer Door Prize

Will Elmore, head of the Affair of Class of 32, announced that door prizes will be given: the first prize in case of Schlitz is $30, and $15 each of the other door prizes are $15, and can be purchased in Building 10 of the Techtets will add a musical note.

Faculty Advisors Offer Freshmen Helpful Guidance

Student Organizations And Upper Classmen Come Under Program

The讲堂, the students of Technology have open to them a unique means of obtaining academic advice which is not normally available to them. Under a newly instituted system, any student has an opportunity to form a personal acquaintance with a member of the faculty. To do this one has only to call, write, or see Mr. Milton, assistant to the dean, whom he will gladly make the necessary arrangements.

Forty per cent. of the freshmen class have taken advantage of this opportunity, while others are ready to do so to the Dean's office. Mr. Milton emphasized, however, that this is not a merely applicable to upperclassmen.

Program Under Way

Many of the students have already been invited to luncheons, social gatherings, and affairs arranged by their advisors. By making these acquaintances, the students have a friend whom they can talk to about their problems in connection with their school work, or just talk.

Professor Mr. Milton, the members of the faculty are extremely anxious to make acquaintances, and the students are even more good, or their students do not come and ask their advice and friendship. Mr. Milton contends that of these students have a faculty advisor, others have the advice of a Corpo-

ratory-treasurer. Because of a small Office of the Committee and the secretaries of the Faculty Committee, many members of the group that all the elected officers of the individual societies, including presidents, vice-presidents, and secretaries of any four men appointed by the president of that society, would attend the meetings.

The organization is planning to set up working committees in the following fields: professional ethics, scientific research administration (coordination of activities), and plant trips.

Shapley and Bok To Address Group

The Boston-Cambridge branch of the American Association of Scientific Workers and the Cambridge Association of Scientists plan a public meeting on "Science for International Research Laboratories" at 8:00 p.m. in Room 437.

DinghymenWin Brown Regatta

Score Over 6 Teams With Freshman Emulation

While the frosh sailors roomed home in their division of the freshman eliminations, Tech's varsity defeated Yale and other quads to win Brown's Invitational regatta last Sunday.

With Reggina's high scores in both divisions, the varsity scored 51 points to set a field which included R. R. State and the Dartmouth, Coast Guard, and Yale, in that order.

Dr. Paul W. Hieck was high point man for the whole regatta and for Class A as well, with 33 points. Horizontal won the Freshman Division with 35 points, tying with Foster of Brown in the B Division.

Although the meet was scheduled to be held at 8:00 a.m. and High Winds postponed the start until noon, several boats were delayed during the day by fog, with none of the Tech crew were among the unfortunate.

The frosh crew won the Eng- poeef or Brown were winning the Freshman Dinghy Eliminations, with an elimination margin on the last boat. Dus/Filts. Dartmouth was third, followed, along with Pittts and Dartmouth, for the finals to be held here on October 30.

Waters and Michelle represented Tech in the eliminations. Other boats in the division included New Hampshire, Middlebury, BU, and Bowdoin.

Next Sunday the varsity sailors will journey to New London once again, this time to compete for the Jack Wood Trophy. Coast Guard will be the host.

Faculty Committee Prepares Report; Ends 2 Yrs. Work

Extensive evaluation of Institute educational policies and programs will culminate with presentation of the report to the faculty of a report of the Administrative Council.

This body was created during the last winter to assess and study possible revisions which would help the Institute for engineers and scientists in the modern world.

Potential Warren K. Lewis is chairman of the Committee and Professor John H. Lydenberg, secretary. The group is at present considering the Institute's educational policies and the Institute's administrative structure, and plans are being made to prepare a report.

Although the Committee has not yet completed its program schedule for the coming year, most of these plans have been made and have included:

Speakeasy Speaks November 8

The speaker for November 8 will be the noted Harvard authorities Harlow Shapley, who has recently returned from abroad. His topic will be "Progress in Mathematical Science," in which he will refer particularly to developments in the Belgian Congo, India, and Latin America. The lecture will be held at 8:00 p.m. in Room 1-129.

For the program on November 18 will be United States Senator Ralph Flanders of Vermont, to be followed by Prof. Marvin Boker '31, chairman of the Institute's Undergraduate Council, who will speak on "Progress in Economics." The lecture will be held at 8:00 p.m. in Room 1-129.

For next year, a tentative schedule has been set up, possibly including speakers on such fields as astronomy, political science, and American history. Each speaker will be invited to address the general meeting of the student body at 8:00 p.m. in the Alumni Auditorium, at which time the Institute's Undergraduate Council will meet to hear the speaker's talk.
WEDNESDAY, OCTOBER 19

Electrical Engineering Department. "Applications of Electronic Methods to Precision Measurement in Qualitative Emission Spectroscopy." Discussion following demonstration by Mr. R. H. Mckee, an example, which has proven very useful in the rapid chemical analysis of stainless steel. Room 2-189, 11:00 a.m.

Technology Dames. White Elephant sale. Emma Rogers Room, 11:30 a.m.

Electrical Engineering Department: Staff Colloquium: "Appraising Engineering Test Records." Lecture by Dr. E. G. Bowden, 4:00 p.m.

Aeronautical Engineering Society and Model Aeroplane. Professor Otto Wagner, Business meeting of chapter. Mix-and-Mingle pictures will be shown. All interested invited. Room 1-270, 5:00 p.m.

Cattitude, Business meeting. Room 6-128, 5:40 p.m.

Lecture Series Committee. "The Task of the Listener." A problem in communication. Dr. H. W. Peckham, Professor of Physics, New College of Chicago. Room 1-210, 5:00 p.m.

Pershing Rifles. Membership and candidate drill. Drill Field, 4:00 p.m.

American Foundryman’s Society. "Melting and Materials Handling" Arthur Rank. Special price to Tech students; 5c. Here for in¬

rection. Dr. Yao-Tzu Li. Room 3-470, 4:00 p.m. Coffee will be served. Room 6-231, 8:00 p.m.

H. L. Walker Memorial, 6:00 p.m.

TUESDAY, OCTOBER 18

EXHIBITION

"An Architect Sets the Stage," by Claude Bragdon, consisting of water colors and sketches of stage designs, props, and costumes, is the current exhibition in Lobby of Building 7, where it will remain through October 23.

CALENDAR OF EVENTS

The Calendar of Events is published weekly on TUESDAY in The Tech. Announcements are accepted by the Society News Editor, without charge to all members of the staff, heads of D.I.C. projects, as well as members of the Northern States A.I.E.E., to which the Calendar of Events will be mailed to others for a dollar a year, payable in advance at Room 7-301.

Announcements sent in typewritten form, and signed, must be in the Office of the Editor, Room 7-301, not later than noon on Thursday, prior to publication date. Material for the Calendar, October 26-November 2, is due October 20.

THE TECH
Page Three

Soccer Team Bows To Trinity, 3-2, On Goal In Final Moments; Tufts To Play Here Tomorrow

In what will probably turn out to be the best game of the year, Tech's soccer team lost, in the closing minutes, to a big and strong Trinity eleven, 5-3. Though they lost, the engineers showed a big improvement over their previous season.

The play was very rough and rugged throughout. After a fight for the possession of the ball resulted in a throw in favor of Trinity, which resulted in the ejection of both from the game, the tension mounted to a fever pitch. In the thick of the battle, Nohmatahala, of Tech, suffered an injury.

After the Falo-Marshon incident, at the end of the third period, the Tech booters came back strong to score two goals within two and a half minutes in the fourth period. Then Trinity, in turn, came back and kept it knotted until the last two minutes.

Trinity Scores

Trinity drew first blood after a scoreless first period of play. The ball was passed from the corner to Brainerd, who scored. There was no more scoring until the third period, when Trinity opened with a goal. Then things began to happen. Captain McGarry, a goal was shifted to center forward, combined with Barcinsky enabling Barcinsky to score. Two and a half minutes later Dani and Cornell charged through, with Cornell scoring.

At this point the game was really hot and the large crowd, which was definitely for Trinity, cheered their team on with all they had. Eight minutes later, with just two minutes remaining, Leo booted the ball past goalie Silveston to give Trinity their final score and the victory.

Soccer Practice

In a fresh battle, the Trinity booters downed the Tech squad, 2-0. The young beavers had many good shots but they all seemed to miss. Tomorrow afternoon at 2:30, the Beavers will open their home season by meeting Tufts' booters. After facing large alien crowds in its last home contests, the team is looking forward to playing before Tech rooters. Don't forget to come out and support your team.

Shutouts Feature Gridiron Tourny

F.A.E. Sigma Nu Win; Pegis Loses in Replay

Five 6-0 games and three forfeits featured the quarter-final round of Tufts intercollegiate football tournaments that last weekend as hard fought contests predominated. In League I Sigma Nu beat Chi Eta Phi 15-0 and Phi Kappa beat Sigma Nu beat Theta Delta Chi. In League II Delta Phi beat Kappa Sigma and the Lennor Club forfeited to the Pegis Club. Also in League II, Phi Delta Theta won seven minutes into overtime to edge Chi Zeta 6-0. In a replay of the previous week's winners' contests, Delta Theta rolled over the Pegis Club 26-6.

Sigma Alpha Epsilon beat New Derns D 7-0, with Thames réussé, in New Derns D beat Phi Beta Epsilon 8-0, while the Student House was outwitted by the Docks to win by a similar score.

SOPH FOOTBALL TEAM SCORES 26-0 VICTORY OVER WENTWORTH ELEVEN

In their first pre-Field Day practice game, the Sophomore gridironers overpowered Wentworth Institute's freshman, 30-0, in the latter's field last Thursday afternoon. Wentworth's squad was inexperienced and outmanned, and provided very little competition.

The Engineers' first touchdown came in the opening period as Joe Miller scampered around left end and ran six yards for a touchdown. The extra-point try was wide. Tech scored again shortly before the end of the half when John Temple intercepted a pass and ran it back 60 yards for a 1-0 lead. This time the extra point was added.

Harriers Win Opening Meet

Top Tufts, 27-31; Fresh Win, 27-28

Tufts' varsity and freshman cross country teams both got their seasons off to a good start last Saturday afternoon, coming through to win a pair of close victories over Tufts College at Franklin Park.

The Engineer varsity was by a score of 27-31, despite the fact that Stiffler and O'Connell of Tufts took first and second places. But Simmons was the first Techman to finish, followed by Bill Nicholson.

Hockey Practice Under 40

Candidates Report

With the temperature still summery, Tech's hockey team is beginning its workouts for this winter's season. Forty candidates, including 16 freshman, two of whom are listed in the first practice session at the Mulick Club last Saturday.

Coach Ben Martin's squad will include both in and out transfers students, Bill Pinkham and O'Connell of Tufts, who scored a pair of close victories over Tufts College. After coming through to win a pair of close victories over Tufts College at Franklin Park last Saturday afternoon, coming through to win a pair of close victories over Tufts College.

The team plans to divide the squad into varsity and junior varsity teams and each will have its own schedule. Practice will begin next Saturday morning in the near future.

Chinese Students To Receive Federal Educational Grants

The United States recently announced that an additional four million dollars has been made available for the emergency financial assistance of Chinese students studying in accredited American colleges and universities. Grants to an individual may cover tuition, maintenance, and travel, and will be restricted to the amount sufficient to enable him to achieve an approved educational objective and to obtain return passage to China after completion.

The qualifications specified are: the student must be a citizen of China; he must have been "engaged in a course of academic study as of the academic year of 1945-1946," doing work on a full-time basis to meet academic requirements; he must be and remain in good academic standing; and he must be in need of financial assistance.

5:15 Club Sponsors Halloween Dance

The 5:15 Club is sponsoring a dance open to all in Walker Memorial, Saturday, October 29, at 8:00 p.m. Tickets are now on sale in the 5:15 Club Room in Walker Memorial and in the lobby of Building 10. The sale of tickets will continue until 3:30 p.m., Friday, October 21, and will also be sold at the door.

Ernie Lawrence and his orchestra will provide the dance music. There will be a door prize of a free membership in the 5:15 Club date bureau, and find a companion for the evening can continue until 3:30 p.m., Friday, October 21, and will also be sold at the door.

Football

The game was not too indicative of the Sophs' abilities, since the opposition was so weak. The backfield showed good form at times, but the sloppy ball-handling, as evidenced by six fumbles, will have to be improved.
