Frosh Gridders Beat Wentworth, 12-6; All Scoring in Second Half

After a new start, the freshman football team came through in the second half to defeat Wentworth Institute from a 12-6 score last Thursday afternoon. The victory gave the team a 1-1 record for their practice games to match the mark of the sophomores.

The first half of the game was fairly even until the end of the second quarter when the Engineers began to assert the Wentworth line regularly with end runs. However, the Beaver drive was stalled by the clock as the half ended with Tech in possession on the opponents' 1-yard line.

In the third quarter the Engineers scored twice to tie up the game. Quarterback Charlie Teppee fumbled the first touchdown on a quarterback sneak to climax a 60-yard drive. Another sustained drive resulted in a score as Richard Whelan went over on a delayed off tackle run. Wentworth scored in the last period after recovering a Tech fumble. Teppee again ran his team out of bounds from the quarterback side, while Merrill Eber turned in some outstanding defensive work on the line.

Tech Sailors Sunk; Jack Wood Trophy Now Coast Guard's

Next Sunday the Engineers travel to Brown for a Major-Minor Octagonal Regatta.

cheers from the freshman coed cheering squad, and the introduction of a freshman song.

In a statement to The Tech, the freshman officers extended a hearty invitation to all members of the Class of '52 to attempt to attend Friday's rally.

Fraternity Findings

(Continued from Page 2)

Parisian cabaret all guests of the Sigma Chis found Europe in Boston abounding with the Continental virtues of wine, women, and song. Even Moscow stayed true to form as a few water bombs originating there (third floor and above) narrowly missed departing partygoers.

Coming up next weekend to top off Field Day are four more bid parties. The Phi Delts are holding a Two Yard Party for which a costume consisting, as the name implies, of not more than two yards of material is essential. At the castle on the hill, Phi Mu Delta is staging its annual Halloween Dance, while the Phi Kappa Sigs are holding their Skull House Shuffle. The Pegis Club Pumpkin Promenade concludes the list of entertainment for the evening which will highlight dancing, cider, punch, and naturally Jakie's Dark.
