Contract Feeding Poll

Dormitory Doings

Inclusive Ballot Misunderstood; Nays Seem to Have It

 Preliminary results indicate that less than sixty percent of the students returning ballots in the Dormitory Committee’s Poll on Contract Feeding in Walker Memorial Dining Halls are satisfied with the program as outlined in a summary accompanying the ballot.

**QUESTIONS, ANSWERS ON CONTRACT FEEDING**

Clarification of the dining situation obtained by The Tech through exclusive interviews with Mr. W. H. Carlisle, Jr., Assistant Director of Dining Halls, both of whom were present at the meeting of the first committee that Mr. Carlisle recently returned from attending the Big Ten Conference on Dining Halls at the University of Chicago.

Mr. Carlisle stated, “...is one of the most lighted rooms of the building.” Mr. Carlisle added, “Many of the statements I made were either originally made at this conference or are results of observations I made there.”

**Dormitory Prices**

To the question, “Many students eat at local cafeterias in preference to the Memorial Dining Rooms. They claim that they get more food, better taste, and cheaper prices.” Mr. W. H. Carlisle, Jr., Assistant Director of Dining, answered the objection unique at M.I.T., and M.I.T. will be unable to name between three and five meals a week as the student(s) stated, did not mean that Catholic students would be unable to obtain meals on certain special days of the week. Mr. Carlisle indicated that the statement did not apply to Orthodox Jewish students.

Eligible to compete are undergraduate students in good standing, a maximum of accredited four-year colleges in the six New England States and New York, Pennsylvania, New Jersey, Maryland, and Delaware. Students may be of any faith or denomination. The question, “Why Ski?”, either in person or in writing, is expected to be asked. Both Mr. Carlisle and Mr. W. H. Carlisle, Jr., Assistant Director of Dining, will be considered a winner. The contest, sponsored by the Mont Development Commission, will be administered by Mr. Carlisle and Mr. W. H. Carlisle, Jr., Assistant Director of Dining, and Mr. W. H. Carlisle, Jr., Assistant Director of Dining.

Both Mr. Carlisle and Mr. W. H. Carlisle, Jr., Assistant Director of Dining, will be considered a winner. The contest, sponsored by the Mont Development Commission, will be administered by Mr. Carlisle and Mr. W. H. Carlisle, Jr., Assistant Director of Dining, and Mr. W. H. Carlisle, Jr., Assistant Director of Dining.

CALENDAR OF EVENTS

JANUARY 10 TO JANUARY 16, 1951

WEDNESDAY, JANUARY 10

Electrical Engineering Department. Colloquium: "Automatic Industrial Process Control." Dr. Donald F. Campbell, Room 6-125, 4:30 p.m. Refreshments will be served in Room 6-621 at 4:00 p.m. Colloquium Fund, Eastern Erie." Father Gregory H. Eaton, Room 1-108, 5:45 p.m. Everyone cordially invited.

THURSDAY, JANUARY 11

American Chemical Society. Symposium on "Chemotherapy." Drs. Maxfield L. Karnovsky, Burtman Maclean, and Lewis L. Engel of the Harvard Medical School, Room 10-290, 4:00 p.m. Lecture on "Chemistry and Principles of Solar System." Professor Harrison Brown, University of Chicago, Room 10-510, 5:00 p.m.

Physics Department. Colloquium: "Absorption of Ultrasonic Waves." Professor Karl F. Bantel, California Institute of Technology, University of Southern California, Room 6-109, 4:00 p.m.

Juniors Varsity Squash Team. Match with Union Boat Club Blues. M.I.T. Squash Courts, 1:00 p.m.

Freshman Rifle Team. Match with Wentworth Institute. Pershing Rifles, 3:00 p.m.

FRIDAY, JANUARY 12

Mechanical Engineering Department. Seminar: "Early History of Automatic Control." Professor H. B. Maccoll, Room 3-716, 3:00 p.m.

Freshman Squash Team. Match with Harvard University. M.I.T. Squash Courts, 3:00 p.m.

Junior Varsity Basketball Team. Match with St. Anselm's. Walker Gym, 5:10 p.m.

Hillel Foundation. "Ong Shabat," Marie Seckin, Lecturer at Brandeis University. 5:15 Club Room, 8:00 p.m.

SATURDAY, JANUARY 13

Modern Languages Department. Graduate Language Examinations: French and Russian, Room 1-255, 10:15 a.m. to 12:15 noon; German, Room 3-149, 2:00 to 4:00 p.m.

Freshman and Varsity Indoor Track Teams. Match with Harvard University at Harvard Stadium, 11:15 a.m.

Freshman Wrestling Team. Match with Naval Air College Preparatory School, Rockwell Cages, 2:00 p.m.

Fencing Team. Match with Wesleyan University. Walker Gym, 3:20 p.m.

Freshman Swimming Team. Meet with Phillips Exeter Academy. Alumni Pool, 3:00 p.m.

MONDAY, JANUARY 15

Aeronautical Engineering Department. Seminar: "Design Problems of High Performance Aircraft." Professor Enee H. Miller, Room 3-139, 4:00 p.m. Tea and coffee will be served in the du Pont Room at 3:00 p.m. For Graduate Students and Faculty.

American Institute of Electrical Engineers-Institute of Radio Engineers. Student Branch. "Nature, Art, and Engineering." Professor Eugene W. Essien, Room 2-509, 3:00 p.m.

TUESDAY, JANUARY 16

Acoustics Laboratory. Seminar: "Linear Feedback in Switches." Mr. Jordan J. Burch, Room 15-125, 4:00 p.m.

Varsity Basketball Team. Match with Trinity College. Boston Garden, 7:10 p.m.

Varsity Hockey Team. Match with Tufts College. Boston Arena, 7:10 p.m.

EXHIBITIONS

An exhibition of Middle Sculpture by Alexander Calder will be on display in the New Gallery of the Charles Hayden Memorial Library. Monday to Friday, 9:00 a.m. to 5:00 p.m. through January 11, 1951.

Photograph Salon prints by Betty Parcer of Chicago, Illinois, will be on display in the Photograph Service Gallery, Basement of Building 15, from January 6 to January 31, 1951.

CALENDAR OF EVENTS

The Calendar of Events is published weekly on Tuesday in THE TECH, and contains announcements for the following week. A separate listing of the Calendar of Events can be obtained for one dollar a year, payable in advance at Room 7-204.

Announcements, typewritten and signed, must be in the office of the Editor of this section by 4:00 p.m. on Wednesday, prior to publication date. Material for the Calendar, January 17-23, is due Thursday, January 11.
Intramural Basketball Near End With Only Two Teams Unbeaten

In League I, there is a great possibility of a three-way tie for the title, with a game in which Baker tops Phi Lambda Epsilon as the deciding factor coming this Tuesday, January 9, 1951 at 8 p.m. in the Student Center. The game is the last of the regular season, with the top four teams, Baker, Phi Lambda Epsilon, Phi Mu Delta, and Theta Delta Chi, all possessing identical records of 10-10-1.

In League II Sigma Nu seems to have the title sewn up, with games this Tuesday, January 9, at 8 p.m. in the Student Center between Sigma Nu and Sigma Chi. If Sigma Nu wins, they will finish with a perfect record of 24-0-3, while Sigma Chi will finish with a 16-7-3 record, ensuring them a tie for second place.

Freshman Basketball Near End

In League III Sigma Nu seems to have the title sewn up, with games this Tuesday, January 9, at 8 p.m. in the Student Center between Sigma Nu and Sigma Chi. If Sigma Nu wins, they will finish with a perfect record of 24-0-3, while Sigma Chi will finish with a 16-7-3 record, ensuring them a tie for second place.

Beaver Basketball Teams Losing Tall Men To Crew

The Cardinal and Grey colors of Technology have long been prominent in the sports world on the flailing cars of our powerful crew teams, not so with the basketball team. Crew is a team sport. The ability to work in unison without the slightest fault is the mark of a good crew — a winning crew. It takes long hours of practice here at Technology to develop the teamwork necessary to represent us year in and year out. Our crew team, although small, is one. Because of this fact — and the traditional style in which we have displayed the skills that comprise a championship crew — we have made it a point to develop the team into one. This year the loss of height has been particularly felt. Starting with the Harvard Soph Lionettes’ 33 point exhibition, tall pined men have been the Tech Pistol’s nemesis. Coach O’Connell, a former Crimson player, appreciates the accuracy. Cobbs, Garthe and Nacey of Fresh fame and diminutive but deadly senior and Captain, Leon Hong, into a five that could break them. After the first shaky start they pulled together and with帮助 of the workhorse of the squad, setting up a deliberate system. It just didn’t click, and they may lose more than they win, of fancy ball handling, and though outside and Nacey driving in, they work in unison without the slightest fault on any team member’s part. The team has one more season to work in the sports world on the flashing oars of our powerful crew teams, not in the sports world on the flailing cars of our powerful crew teams.

Lecture at SPRUCE MOUNTAIN LODGE

This Saturday, January 5, 1951, at 8 p.m., Dr. Albert C. Herring, Jr., will give a lecture on the subject of "The Appreciation of the American Indian" at the Spruce Mountain Lodge in Jackson, N. H. The lecture will be held at the lodge, which is located at the junction of Routes 16 and 302, approximately 15 miles from the town of Jackson. The lodge offers accommodations for 80 guests, and is situated in the heart of the White Mountain National Forest. The lecture will be open to the public, and admission will be free. The lecture will be followed by a Q&A session and a reception.

Pershing Rifles Initiate Two Honorary Members

Lieutenant Col. James E. Foster, Field Officer in Charge of the Field Artillery School, and Major Thomas U. Linhart, Assistant Chief of the Air Corps, will be initiated as honorary members of the National Society of Pershing Rifles. Following a banquet in the Campus Room, the newly initiated honorary members will be held, and 33 new members will be added to their membership card and insignia.

Chevrolet

The Chevrolet is America's greatest and finest low-priced car!

It has that longer, lower, wider big-car look!

NEW CHEVROLET

AMERICAN BEAUTY DESIGN—Brilliant new styling... featuring new grilles, cleaner moldings and a new-nose design... giving Chevrolet the larger, lower, wider big-car look!

AMERICAN PERFORMANCE—Roses by Fisher—With strikingly beautiful lines, contours and detailing... plus extra-stiff Fisher United construction and Curved Windshield with Panoramic Visibility.

MODERN-MODE INTERIORS—With, neatness and appointments of outstanding quality... and with extra generous room for driver and all passengers to get in, get out... get more comfort.

MODERNIZED ENGINE—Standard on all models, more efficient with overhangs upper crown to eliminate reflections in windshield... and with plenty, easy-to-read instruments in two large areas.

MORE POWERFUL JUMBO-DRUM BRAKES with Dubl-Dash rivetless brake linings—Jumbo brakes for the biggest stopping power—up to 25% more effective and longer brake life.

IMPROVED CENTER-POINT STEERING (and rear-end design)... giving Chevrolet the easier handling, the safer ride, and the more efficient with overhangs upper crown to eliminate reflections in windshield... and with plenty, easy-to-read instruments in two large areas.

PLUS MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!
Preparation of Food

"How well prepared is the food at Walker? Let me ask you this. Have you ever heard a complaint from an individual, who was served food cooked to order at Walker? The objection here comes from the fact that the variety of foods we serve, and the number of people we serve, does not allow us to accurately estimate the exact amounts of each item that will be asked for at a given time. We are forced to buy large quantities of many items hot for a period as long as two and one-half hours, in some cases.

Under a new contract feeding program, it will be possible—for everyone is eating the same thing. To estimate quite accurately, the number of men requiring a dish, and the number of people we serve, does not allow us to accurately estimate the exact amounts of each item that will be asked for at a given time. We are forced to buy large quantities of many items hot for a period as long as two and one-half hours, in some cases.

Dormitory Doings

"If, in an effort to prepare the food so that it will be hot and fresh at the time it is to be served, we experience a delay, we always get some complaints. Generally, cooperation of the student body is good.
