Special Committee Set Up To Study Parking Problem

In response to many complaints, especially by dormitory residents, about the current parking situation on campus, the Institute is establishing a committee, to be represented of composers.

Dean Bowditch Praises Sports Program Here

Dean of Students E. Francis Bowditch spoke to two separate groups last week on the relation of athletics to the over-all activity program at M.I.T. Bowditch, a former Harvard track man, pointed out to the members of the freshman track team Wednesday afternoon that participation in athletics builds body mass physically, mentally, emotionally, and spiritually, fulfilling the objectives of any complete educational system. Particularly important, he continued, are the spiritual values that may be obtained through competition. The Dean expressed special interest in the development of the spiritual side of the Technological man's life.

At a Beaver Key meeting Thursday evening, Dean Bowditch set forth the aims of the activity program at this school, and showed that athletics fit into the program by having independent student administration with a faculty advisory body. The organization of athletics is well adapted to overcoming the problem of inter-group competition, which, according to the Dean, is one of the basic problems in the whole Institute organization. He also emphasized the benefits of an informal and competitive sports. The Dormitory system is a good example of the "professional" society.

Rugger Trip Crimson 11-0

After witnessing the growth of Harvard and Princeton in Germany, Poland, Czechoslovakia, and Austria, Professor Kurt W. Deutsch has now written a book entitled Nationalism and Social Communication. His interests in the development of this subject are so strong that in order to do this, says he, one must understand the problems and pitfalls confronting space and time. Feminism is one of the big difficulties.

Musicals Clubs To Present "Elijah" By Mendelssohn

"Elijah," composed by Felix Mendelssohn, will be presented by the M.I.T. Musical Clubs on December 14th at 8:30 p.m. in Jordan Hall. Jordan Hall, located at 20 Cambridge St., off Huntington Avenue, has a seating capacity of 828 persons. The M.I.T. Musical Clubs, composed of the Philharmonic, Glee Club, and Symphony Orchestra, will charge only $1.20 and $1.40 for tickets. This is made possible by a recent law stating that tickets for a presentation put on by a non-profit organization will be tax exempt.

Professor Klein Liegmann, director of the M.I.T. Musical Clubs, will conduct the orchestra based on the Biblical text of the story of the prophet Elijah and the people of Israel. By displaying the miracles and power of God, Elijah proved that the Israelites' pagan god, Baal, was not real, but that his God was the only true God.

Impractical Football Ends in Three-Way Deadlock

Dr. Fredrich Wyatt Will Lecture On "After Adolescence"

Attitudes toward sex and how they change with maturity will be discussed by Dr. Fredrich Wyatt at 8:00 p.m. Saturday, December 11th in Jordan Hall, Room 10-260, under the auspices of the Lecture Series Committee.

Dr. Wyatt is the chief psychologist at Cushing Veterans Hospital and Assistant Professor of Psychology at Clark University. Dr. Wyatt, who is the "author" of the article, will be a headline speaker at the college's "At the doors" conference on sex, marriage and attitudes toward the over-all activity program at M.I.T. His letter read, "In a word, to make the policy of the Commonwealth more effective, anyone who is responsible for the fitness of any student must support the thirty-two year "the act of bringing cultivation, science and Social Communication."

Three main questions are answered by Professor Deutsch in the book, which will come out in the spring. What constitutes membership in a nation? How can it be measured? In other words, how can a social group be said to speak a language, but do not have a wide range of common ideas, the second question deals with the political and economic significance of a nation. In the third question deals with the extent to which the nation can be measured, trace, and predict the forms of nationalism, and its strength.

Professor Deutsch compares the spread of nationalism in a wide range of common ideas. The important people today are those that have a wide range of common ideas, the second question deals with the political and economic significance of a nation. In the third question deals with the extent to which the nation can be measured, trace, and predict the forms of nationalism, and its strength.

The religions of the world, states Dr. Williams, are full of contradictions. They represent a mixture of aboriginal and alien, of pagan and Christian, of ancient and modern. What constitutes membership in a nation? How can it be measured? In other words, how can a social group be said to speak a language, but do not have a wide range of common ideas, the second question deals with the political and economic significance of a nation. CALENDAR OF EVENTS

NOVEMBER 21 TO NOVEMBER 27, 1951

WEDNESDAY, NOVEMBER 21
Faculty. Meeting, Room 10-250, 3:30 p.m.

Mathematics Department. Lecture: "Reduced Powers of Cosines." Dr. E. Gordon Golinski, 5-232, 4:00 p.m.

Richard C. Macaulin, A.F. and A.M. Meeting, 4:30 p.m.; dinner, 6:30 p.m. Masonic Temple, 355 Massachusetts Avenue, Cambridge.

Aeronautical Engineering Department. Seminar: "Problems of Air Line Aeronautics," Room 33-319, 4:00 p.m. Coffee from 3:45 to 4:00 p.m. in the DuPont Room.

Thursday, November 22
Holiday. Thanksgiving Day.

FRIDAY, NOVEMBER 23
Classes suspended. All other activities remain unchanged.

Aeronautical Engineering Department. Seminar: "Problems of Air Line Aeronautics." Mr. John C. Leslie, Administrative Vice-President of Pan American World Airways, Room 33-319, 4:00 p.m. Coffee from 3:45 to 4:00 p.m. in the DuPont Room.

Monday, November 26

Tuesday, November 27
Metallurgy Department. Colloquium: "Production of High Strength Electric Weld Line Pipe." Dr. Karl Fetter, Youngstown Sheet & Tube Co., Youngstown, Ohio. Room 6-128, 4:10 p.m.

Lectures Series Committee. Recitations by the poet E. K. C. Cummings. Room 7-143, 5:00 p.m.

Hedaya Library Film Program. "Pipes or Cigarette Holders—throw it in the Waste," Room 14-0615, 1:00 p.m.

EXHIBITIONS
A retrospective exhibition of the work of Numa Gobo is on display in the New Gallery, Charles Hayden Memorial Library. Monday to Friday, through November 23, from 10:00 a.m. to 5:00 p.m.
Photographic Salon prints by Bernard G. Sibenreiter of Cincinnati, Ohio, are being shown in the Photographic Service Gallery, Basement of Building 1, through November 25.

THE THECH

THURSDAY, NOVEMBER 22

THREE JOKES

Once in a great while, someone appears on the stage of life who, contrary to human nature, is out of his way to be helpful. Such a person is Peter Stein—Pet, although not connected with The Tech in any way, shows up at almost every make-up, offering to write up notices, type stories, or do any other job that has to be done. He has, on several occasions, saved the day.

**Football All-Stars Picked, Twelve Teams Represented**

With the assistance of twenty men representing twelve of the top teams in the interfraternal football league this year, an all-star team has been chosen. The men selected were recommended by those who saw them in action. Of course many men, particularly those on the weaker teams, may have been passed up, but the two sixteen-man squads listed below represent a consensus of opinion.

**FIRST SQUAD**
- Ends: Ted Uhler, Baker House
- Tackle, Tackle, Delta Chi
- Center: Karl Rapp, Alpha Tau Omega
- Guard, Guard: Ken Childs, Theta Delta Chi
- Fullback: Rich Wilson, Phi Gamma Delta
- Quarterback, Alpha Tau Omega
- Back: Bob Himmel, Sigma Chi
- Back: Larry Garth, Sigma Nu
- End: Dick Beale, Theta Delta
- End: Tex Hinck, Delta Kappa Epsilon
- End: Don Tarlinelli, Baker House
- End: Stetson Wikfield, Alpha Muton

**SECOND SQUAD**
- Ends: Bob Himmel, Sigma Chi
- Tackle, Tackle, Delta Chi
- Center: Arnold Bichler, Alpha Tau Omega
- Guard, Guard: Dick MacCarty, Theta Chi
- Fullback: Ed Dickerman, Sigma Chi
- Quarterback: Jerry Carpenter, Delta Epsilon
- Back: Dick Rapp, Alpha Mu
- Back: Tex Hinck, Delta Kappa Epsilon
- Back: Don Tarlinelli, Baker House
- Back: Stetson Wikfield, Alpha Muton

**Tech Riflers Upset By B. U. Terriers, Beat Worcester Poly**

Tech's winning streak of thirteen varsity rifle matches was brought to an end last Saturday morning as a record-breaking Boston University team won the Beavers in their first match of the season, 1401 to 1396. The defeat came as a surprise to the Tech squad, for, although only two of last year's national championship teams were among the twelve Tech shooters, pre-season practices showed this year's team to have great promise.

The men selected were recommended by those who saw them in action. Of course many men, particularly those on the weaker teams, may have been passed up, but the two sixteen-man squads listed below represent a consensus of opinion.

**GUARDS**
- Jerry Carpenter, Delta Kappa Epsilon
- Fred Perry, Theta Chi

**OFFENSIVE LINE**
- Ed Dickerman, Sigma Chi
- Jerry Carpenter, Delta Kappa Epsilon
- Fred Perry, Theta Chi
- Dick MacCarty, Theta Chi
- Bill Meehan, Sigma Alpha Epsilon
- Pete Courn, Theta Chi

**TEAMS**

** назад***

**TECH**
- John Dawson, Kappa Sigma
- S. Shea, Delta Kappa Epsilon
- Karl Epple, Alpha Tau Omega
- Bob Barlow, Theta Delta
- Ted Uhler, Baker House

**Worcester Poly**
- Ed Dickerman, Sigma Chi
- Jerry Carpenter, Delta Epsilon
- Larry Garth, Sigma Nu
- Dick Beale, Theta Delta
- Tex Hinck, Delta Kappa Epsilon
- Don Tarlinelli, Baker House
- Stetson Wikfield, Alpha Mu

**Contiued on Page 4**

**Symphony Hall**
- the great Mr. "B" BILLY SUN., NOV. 25 ECKSTINE
- the touch of geniuses GEORGE SHEARING and His Quintet
- The All-American All-Stars and exciting jazz groups

**DINNER AT 6 P.M.**
- No Federal Tax Until 9 P.M.

**CONTINUOUS DANCING**
- from 6 P.M. Frigdays and Saturdays Only BALINESE ROOM
BASKETBALL SCHEDULE

All Sunday games and games beginning at 7:15 or 8:30 are to be played in Verster. The others are to be played in this gym.

Barbell Team Loses
On Sunday, Nov. 4, the Springdale College Barbell Club out-lined the Tech Barbell Club by a score of 31-16.

Individual results:

1. Joseph Burton, M.I.T. 250 lb. 4.9100 CAMBRIDGE, MASS.
2. Albert Williams, M.I.T. 277 lb. 4.9100
3. John Barry, M.I.T. 260 lb. 4.9100
4. Tom Smith, M.I.T. 240 lb. 4.9100
5. Bob Bronfen, Baker House 210 lb. 4.9100
6. Chuck Lockerby, Sigma Alpha Epsilon 190 lb. 4.9100

Out of the weakness of the Barbell Club is shortage of men in the light and heavy classes. All men who are in these body-weight classes are urged to contact the club if they are in any way interested.
