I.F.C. Plans Annual Weekend to Include Formal, At-Salter, House Parties On April 20, 21

Galbraith Lectures On: People Living Under Tension
John Kenneth Galbraith will be the third lecturer of the current series of the "Kennedy Lectures," a group of lectures and discussions on Problems of Humanity and Social Studies and the Liberal Arts Department, Dr. Galbraith will speak in Room 103 on Monday, March 2, at 8 p.m. Among the guests of the evening will be at least two representatives of institutions and People in a Society under Constant Tension. The information for these lectures is the Institute's President, Mr. T. T. G. Graham, will be able to be fielded by questions from the respective schools of the most important labor organizations.

Freshman Elect Section Leaders
Election of Freshman section leaders will be held last week during the two graphs in question. Nominees are elected by a formal balloting, after due consideration of a nomination blank.

Research Proves Karoso Phony, Is Fabrication of N.Y.C. Students

Every plan or evidence gathered in a study conducted by Tech Engineering News, the Walker Memorial Committee, and The Tech, over the past months, which has been announced recently by the Institute of International Education, 2 West 110th St., New York City, is a fabrication of several students in New York City.

The New York Times Research and Student Organization, after an extensive investigation, reports that no evidence has been discovered that would establish the "Karoso" of the New York group.

"Karoso," which has been traced to an article in the New York Times, is a fabrication of the New York group.

The New York group has always claimed that "Karoso" is a fabrication of the New York group.

In view of these findings, we are led to ask: "Does Karoso exist?"

"There seems to be no doubt about it," said the Times. "Each of the three men, forming whatever type of triangle he wishes, will be divided, basing their decisions on the relative need and merit of each applicant.

Third of Freshmen Hold Grant
Last year over $150,000 was given to undergraduate students, or $150,000.

Graduate School sponsors Annual Spring Dance
The Spring Formal that the Graduate School sponsors once a year, a benefit run for graduate students, Spring will be similarly sponsored. The date is set for Saturday, March 3, at 7 p.m. in the lounge of the Hotel Sometime, conveniently located just across the river.

The Committee, which is headed by Dean F. W. Newcomer, a dean-in-charge of the school, will be unable to make an announcement of the program. The committee feels that the program should be consistent with the program of the School of Graduate Students.

F.S.S.P. Announces Fund Drive Start
One day, early in June, about eighty foreign students from all over the world will be gathered in New York for an all expense paid summer of research and study. In this attempt to further international understanding and education, Project Workers, all of them Technologists, students, must find ways to finance a project which involves research and study. In this attempt, many of these students have been invited to the project, together with the students of the Institute.

In view of this fact, we are led to ask: "Does Karoso exist?"

Statement of Facts
There seems to be no doubt about it. "Karoso," it has been observed by the direction of the Institute, is a fabrication of the New York group.

Starting at 5 p.m. on Friday, music and dancing parties and special dinners will be given by the individual fraternities at their houses.

Formal of the Hotel Atelier
The formal dance will be at the Imperial Ballroom of the Hotel Atelier between 8:00 P.M. and 1 A.M. The music for the evening will be supplied by Mr. K. E. Bernal's Orchestra of fifteen pieces and two vocalists. The cost of the evening will be approximately $1000, and there will be a formal performance, all of which will be divided, basing their decisions on the relative need and merit of each applicant.

Dear Sir:

I was much interested in the editor's new summer job program in your issue of Friday, Feb. 26th. The Department of Civil and Engineering's Summer Job Program is a valuable part of the placement of those students on summer jobs. Our own experience with the program has been overwhelming, five per cent of the class failed to meet the required academic requirements; and the class average was considerably less than one of the recent class averages. "Recent" meaning within the last twenty years.

It appears that the freshmen paid no attention to the opportunity. It is not in the "reading period" that outstanding students are made. The potential summer jobs are not something you can see yourself without doing a little research. The "reading period" far outweigh the disadvantages. In all too many courses the student is so engrossed in the daily assignments and weekly quizzes, that he does not get an over-all perspective of the course. In other words, fails to see the forest for the trees. A very definite relationship exists between most of the courses that a department requires be taken during the Junior and Senior years. During the "reading period" the student would be able to coordinate the different courses in his mind.

The recent trial week, though enlightening, can hardly be taken as conclusive proof of anything. While the faculty is considering its results, let us suggest that the trial week be given again this term, but with a few changes. The first trial had "the advantage of being a test." We believe that the advantages of a "reading period" far outweigh the disadvantages. In all too many courses the student is so engrossed in the daily assignments and weekly quizzes, that he does not get an over-all perspective of the course. In other words, fails to see the forest for the trees. A very definite relationship exists between most of the courses that a department requires be taken during the Junior and Senior years. During the "reading period" the student would be able to coordinate the different courses in his mind.

Music, Music, Music

Program for the Boston Symphony Orchestra, Claides Milne conducting, will be presented on Thursday evening, March 1, at 8:30 p.m.; Menotti's Symphony in E-flat major (K. 495); Schubert's "La Vila Nuova" Concerto for Soprano, Harp, and Orchestra, on Three Songs from Dante; Mass No. 6 in D major by W.A. Mozart. The program will be given in the regular concert of the Boston Symphony on the following Friday afternoon and Saturday evening.

The Tech
O'Donnell's Quintet Plays New Bedford In 'Dimes' Drive Fray

The Engineer Basketball team will meet New Bedford Textile School, in a post season match this Saturday night, for the benefit of the March of Dimes Drive. The Athletic Director Ivan J. Geiger announced that the contest will be held at Tabor Academy, Marion, Mass. The Cardinal and Grey scored out their season last Saturday with a five win-ten loss slate. The Bea-

Mau. held at Tabor Academy, Marion, Athlectic Director Ivan J. Geiger an-

Dying trials will be run off to-

try will be vying for honors. Since his entrance into wrestling competition here at Tech he has been undefeated in all his appearances Including the Inter-Collegiate championships last year.

Roy also announced that the team would be forced to forfeit one or two positions in the Inter-

Collegiate championships at Turks in two weeks. The team has been greatly reduced in size this season due to academic disqualifications and the resignation of Seymour.

Harten Cooney, the team captain, Sinclair Buckstaff, and Seymour have been the only consistent win-

ners on the team this year. With Cornett and Buckstaff carrying the point-scoring responsibilities almost entirely upon their shoulders, the already high hopes of the team's chances of making a good showing In the Inter-Collegiate championships are all but shattered.

The Cardinal and Grey closed out their season off with a bang, a time both beat last year showed 4 wins against the

U. of Conn. 16-11. Some of the rea-

senns for this show of skill lies in the fact that they have three out-

standing members on the squad picture will be taken for

this afternoon at five.
