Tech Weightlifters New E. Champs

M. I. T. became the first New England Intercollegiate Weightlifting champions Friday, April 25th, by breaking unprecedented weight records and setting all new records for their team. Tom Alexander and Larry Golden displayed powerful feats, and broke all records for their class. Golden, usually a middleweight trained down to the lightweight class and proceeded to break the former club record with a 193 lb. press, 195 lb. snatch, 255 lb. clean and jerk, and a 320 lb. total. Alexander broke the featherweight club record with a 135 lb. press, 165 lb. snatch, 220 lb. clean and jerk, and a 290 lb. total.

Freshman Coordination Program

Outline of the freshman coordination program for the fall was discussed in the light of increased cooperation between the ICU Committee and the Freshman Coordination Committee, whose chairmen, Gilbert D. Gardner '53 was present at the meeting.

The question of "coffee hours" for freshmen and the system of freshmen registration officers were also considered.

Light Frosh Come Close But Crimson Sweep Regatta

Last Saturday the M.I.T. crew suffered its first defeat of the season at the hands of a well trained, more experienced Harvard crew team.

In the greuling mile and three-quarter race the Crimson varsity overcame an initial Tech lead to win by two boatlengths. In the heavy 4-Y. race the Harvard oarsmen easily overpower the Beavers and won by more than three boatlengths. The Freshman events saw the M.I.T. lightweights give Harvard its closest meet of the afternoon. The Crimson just managed to win by about two feet over the 150 lb. anchored the Freshman indoor mile relay team. His present goal is the 1:15.6 Institute Freshman half-mile record.

On dates they have no conversation other than science and its problems; they forget all manners and etiquettes, and fall to treat their girls as such. Besides this they have an air of superiority which keeps form from mixing with students out of their own category.

Chamberlain are also slow in making dates, very often calling the same day and slamming the door on school work. This may be justified sentimental, but the line is used too much to suit these ends.

Another complaint is that Tech- men lack initiative — to suggest some form of entertainment besides a party and/or Memorial Drive. They very rarely think of a play, picnic, or movie (other than a science fiction). They also fail to tell their dates beforehand when definite plans are made.
