Fire Extinguishers

To Be Demonstrated

On Field Wednesday

A demonstration of the proper use of fire extinguishers is being sponsored tomorrow by the M.I.T. Safety Committee, it was announced by Mr. Mark J. Dondero, Safety Engineer at the Institute.

The demonstration will be held 10 a.m. on Briggs Field. It is expected to last approximately one hour.

In accordance with the Institute's policy of keeping students and faculty informed, the demonstration will be in progress at the same time on Thursday.

Mr. Francis R. Brannigan, from the Atomic Energy Committee, will serve as master of ceremonies. The demonstration will be handled by Mr. Daniel MacKay, of the General Equipment Company, and Mr. T. P. Sanders, of the Atlanta Committee.

Included in the exhibition will be demonstrations on the correct procedure for extinguishing different types of fires, including wood, paper, trash fires, kerosene and oil fires, a running stream of burning gasoline, and trash fires. Following the show, there will be a question and answer period.

Egyptian Tours Also Offer View Of The Middle East

A series of tours to the centers of ancient civilization will be offered to M.I.T. students. The courses are organized by the Egyptian government.

An extension tour also provides an opportunity to visit the ancient lands of Egypt, Lebanon, Israel, and other countries of the Middle East. The tour is being arranged and sponsored by the Egyptian government.

The first stop will be in Syria and Jordan before arriving in Egypt. Those who wish to spend additional time abroad may take an extension tour through Spain and Portugal, or a trip to Athens before September 15, 1953.

Several American professors will be appointed to assist in conducting the courses. These include the following:
