Pouring of Auditorium Roof Postponed Until December

Pouring of the concrete roof for Kresge Hall, the new auditorium now in the process of construction on West Campus has been postponed until the middle of December.

The total cost of Kresge Hall will be $1,750,000. It will be completed on the main floor and a smaller auditorium downstairs will accommodate 160 and to whether the auditors' opinions could be used as a theater, since the construction of the roof did not allow room for "doors." Certain on overhead railings will be used on the risers, and the small footlights are thrown by fire lanes. ("Plato" are pieces of scene which are placed on the side of the stage.)

Work on the auditorium is expected to be completed sometime during the summer of 1954, and the building will then be available for use.

Work on the chapel which is to be built next to the auditorium will be started in the spring of 1954. Since the project budget will take care of all the drawings and specifications, bids for the building contract have not yet been called. The plan is for the building to be a large and permanent one which will be used not only for the chapel but also for other purposes.

The Wreck, manager of the Cambridge Music Theatre, explained that the lighting arrangement. A water pipe will assist in the construction, and a novel lighting system.

According to Al Block '54, general manager, arrangements should be completed within a few days to obtain the year's number.

The presentation of this year's Tech Show, entitled "Suspected in Air," has been tentatively rescheduled for March 4, 5, and 6. Originally scheduled for February, the performance was postponed when Andrew Bank '54, musical director, said he was being informed that his songs would have to be rewritten.

As a result of his walk-out, all ads have had to be completely rewritten by John Hsia '53, new music director. The script, however, has remained intact.

According to Al Block '54, general manager, arrangements should be completed within a few days to obtain the year's number.

A Take-off On The Tech Magazine Dies

Word of the action taken by that institution the prisoners were found derogatory facsimile of the magazine has prepared a fictitious standing of this newspaper, said the editors would attempt to disprove that their accuracy is seriously to be questioned. Their admission motives were of sufficient concern to the Group. This type of announcement was prepared by the defendants in the case rather than having personal letters sent to them.

Instituted at Inscomm

The case was first brought against M.I.T. by the Institute of Technology, and it was decided that the group could become a local chapter of the national fraternity, to become a local chapter of the national fraternity. The case was decided that the group could become a local chapter of the national fraternity. The case was decided that the group could become a local chapter of the national fraternity. Calendar of Events
from November 18 through November 25, 1953

WEDNESDAY, NOVEMBER 18
Department of Mathematics and Physics Operations Research Seminar: "Math Theory in the Analysis of Consumer Shopping." Mr. W. W. Alderson, Room 6-219, 5:00 p.m.

Mathematics Department Lecture Series: "Semi-groups of Linear Operators." Professor Ralph Philipp, University of Southern California, Room 2-333, 4:00 p.m.

Catholic Student Association, Room 2-210, 6:00 p.m.

M.I.T. Management Association Lecture by Dr. Edward Land, President of Polaroid Camera Corporation, Room 4-100, 4th floor, 12:30 p.m.

Graduate Student Dinner and address: "Continental Defense." President James Hayden, Jr., Campus Room, Graduate House, 6:00 p.m. Reception at 5:45 p.m. Reservation: Graduate House Desk.

Chemistry Department Colloquium: "Low-Level Radiactivity Measurements." Dr. John S. Wight, Harvard University, Room 6-105, 8:00 p.m.

THURSDAY, NOVEMBER 19
Physics Department Colloquium: "A New Experimental Investigation of Thermoelectric Effects and their Relation to Richardson's Equation." Mr. A. H. Hansen, Room 6-130, 4:15 p.m.

Lecture Series Committee. Films: "Voyage Surprise" (French) and "Tousles Hours." Room 5-138, 1:00, 7:30 and 9:30 p.m. Administered: 20 min.

M.I.T. Club Latin Mexican Film: "Eunomia" (English sub-titles). Room 8-520, 5-50, 7:00 and 9:00 p.m.

Economics Department Seminar: "Current Issues in Anti-Trust Policy." Professor Clark Miller, Professor of Economics, Swarthmore College, Hayden Library Library, 8:00 p.m.

FRIDAY, NOVEMBER 20
Mechanical Engineering Department Seminar: "The Effects of End-Clamped Cylinder Geometry and Temperature on Engine Detonation." Mr. E. F. C. Calk- shaw, Room 5-370, 4:00 p.m. Coffee in Room 3-174 from 3:30- 4:00 p.m.

SATURDAY, NOVEMBER 21
Modern Languages Department Graduate Language Examinations: French and Russian. 10:00 a.m.-12:00 noon, German. 2:00-4:00 p.m. Room 3-440

SUNDAY, NOVEMBER 22

MONDAY, NOVEMBER 23

Catholic Club Meeting, Room 2-100, 5:00 p.m.

RED CROSS BLOOD DRIVE
A Red Cross Blood Mobile Unit will be at Tyler Lounge, Walker Memorial, from Monday, November 16, through Wednesday, November 18, from 9:30 a.m.-12:00 noon; German. 2:00-4:00 p.m. Room 3-440

TUESDAY, NOVEMBER 24
Electrical Engineering Department. Sophomore Smoker. E. P. C. Calkshaw, Room 5-370, 4:00 p.m. Refreshments will be served.

Metallurgy Department Colloquium: "Deformation of Metals at Elevated Temperatures." Professor Nicholas I. Grass, Room 5-275, 4:00 p.m.

Christian Science Organization. Subject: "Never Neglect God." Tyler Lounge, Wilber Memorial, 5:15 p.m.

WEDNESDAY, NOVEMBER 25
Catholic Club Meeting, Room 2-100, 5:00 p.m.

When you know your beer
...IT'S BOUND TO BE BUD

You know you'll please everybody when you serve Budweiser... the beer produced by the coolest brewing process known. There is no other way to create the distinctive taste that has pleased more people, by far, than any other beer in history.
Marksmen Win Trench Harvard Breaking Record

In a shoulder-to-shoulder match with Harvard last Saturday, the Beaver Rifle team broke the Harvard rifleman by a score of 1408 to 1377. At the same time they set a new record for the Harvard range, breaking the old score of 1366, also set by J.J.R. Publishing the team to victory with five scores of 280 or better were: Phil Rane '54, 283; Dick Oman '55, 282; John Stem '55, 281; Dick Tolley '54, 280 and Arnold Sams '56, 280.

Before the match it was announced by Herb Voelcker, adviser and former member of the "Order of the Derby," an exclusive group of shooters who are outstanding in marksmanship and sportsmanship.

WHAT DID HE SAY?

A very fastidious college senior decided to add a few colored shirts to his wardrobe. So one afternoon, he strolled down to the local shirt shop. "I'd like to see your smartest colored shirts," he said to the clerk.

"The blue ones are our best sellers," he said. "They're tailored for fine, highcount broadcloth that's very smooth and drapes beautifully. Take your pick of eight different collar styles— including Van Heusen's new short collars that are the rage of the college set.

"They're really terrific," replied the clerk. "Just look at that magic ownership—Van Heusen's finest. Why, even the buttons are top quality, gradeless ocean pearl. And Vanahue broadcloth come in every color of the rainbow—from soft, subtle shades to rich tones. What's more, they're only $5.95 apiece."

"Do you have henna color?" asked the young man.

"That's just what I got when telling you," answered the clerk. "You can have henna color you want!"
M.I.T. Debaters Defeat 6 Others In First Tourney

On the first scheduled tourney of the season was won by the M.I.T. Debating team at Emerson College last Saturday. The entire team was undefeated in the debate on the topic "Resolved that the United States Adopt a Policy of Free Trade."

Arguing victoriously in the affirmative were Vangl Brumit '55 and DeWane Fawco '57. The winning debaters on the negative side of the question were Edward Roberts '57 and Lowell Wilson '57.

The other teams to the tourney finished in the following order: Emerson, Bemson, Boston University, Northeastern, Eastern Nazerene College, and Tufts.

The nexet's next tournament will be held at the University of Vermont next weekend.

Football Playoffs Continue Through Another Weekend

on the ATO five yard line. In the next play, Hazard hit Hess in the Mechanicals' end zone with the game deciding score. Brunicardi kicked the ATO's extra points in the game as he entered the Kappa Sig secondary to papier after making a 35 yard pass from Bruce Murray.

The last two games of the round robin will see Phi Gamma Delta clash with once-beaten Kappa Sigma and SAE meeting twice-beaten ATO. The intramural basketball season starts with a bang next week as five intramural basketball teams will be added to the hundred members of last year's six finalists see action.

M.I.T. Chorale Presents Concert

On Friday evening the M.I.T. Glee Club combined with the M.I.T. Choral Society and Symphony Orchestra at Jordan Hall on December 12. The spring concert schedule will include trips to Pembroke, Lasell Junior College, and Mount Holyoke. Arrangements are now being made for a five day tour in the East during Spring Vacation, and the season will close as usual with the "Tech Night at the Pops."

Following the concert a dance was held for the members of the chorus and their guests in the 555 club room, with music provided by the Technicians.

The concert was the second in this year's Glee Club concert program, which began with a joint concert at Storrow last month. The next event will be a joint Christmas concert with the M.I.T. Choral Society and Symphony Orchestra appearing at Jordan Hall on December 12. The spring concert schedule will include trips to Pembroke, Lasell Junior College, and Mount Holyoke. Arrangements are now being made for a five day tour in the East during Spring Vacation, and the season will close as usual with the "Tech Night at the Pops."

Professor Klaus Liepmann, director of the M.I.T. Glee Club expects to have the M.I.T. Choral Society and Symphony Orchestra appearing at Jordan Hall on December 12. The spring concert schedule will include trips to Pembroke, Lasell Junior College, and Mount Holyoke. Arrangements are now being made for a five day tour in the East during Spring Vacation, and the season will close as usual with the "Tech Night at the Pops."
