Meeting On State Re Scholarships For Study Abroad

There will be a discussion meeting this Tuesday, September 28, at 6:00 p.m. in the John L. Hanlon to be held for those students interested in studying abroad. Applications for Fiskerst, Rhodes, Bache, and Marshall scholarships, on any students interested in foreign study are welcome. For more information, contact the faculty advisor.

WSU Conference Program Weekdays

"Casserole Hour," a program of special interest to seniors, will be inaugurated by WSU Music Association. The program will feature speakers from prominent industrial concern in the country, describing their job opportunities.

Another project being considered by WSU is a "Revolutionary Hymn." This is a dance where records are played instead of having a band. No definite time has been set for this yet as it is still in the planning stage. The station is also planning to play for several festivities' dances.

InsComm Meets Tomorrow, Will Be Open Session

Tomorrow at 9:00 p.m., there will be a meeting of the Institute Committee in the Boston University, Brandeis, Beth schools represented included Simmons, Boston University, Pine, and 12:00. Bob Adams' band will provide entertainment. The fee charged for admission to the dance will be 50 cents. Refreshments will be served. Tickets will be sold at the dormitory counseling centers during the week.

WMIT Career Features Program Weekdays

The committee on the discrimination conference will then submit its report, to be followed by a general discussion concerning the meeting of American music.

T.E.N. SMOKER

On Tuesday, September 28, from 6:00 to 6:30 p.m., Tech Engineering News will hold a smoker in 2,290, presenting general information about the arts. The theme is the evening will be the usual one, with refreshments at the dormitory counseling centers.

New Ideas

Washington-The United States and Russia have come to the conclusion that they cannot agree on a plan for the protection of schools. For six months, both nations have corresponded on the possibility of making such a plan. Now, both nations have decided to publish a 36-page document containing the notes exchanged between them, planning to use them as propaganda.

Washington-Secretary of State Dulles has gone to London to the nine-power conference being held there. It is said he has hopes of reaching an agreement with Premier Menzies-France on the terms of re-arming West Germany and accepting her into NATO. If not, however, it is possible that it may be necessary to return to West Germany against France's disapproval. Included in his measures are plans for an armistice at Berlin--Spits, Britain, Ireland, and the Middle East. However, this is just a theory now.

Washington-The United States has demanded that Russia pay $1,032,006.15 for the shooting down of an American plane over international waters two years ago, or else we shall seize the claims to the International Court of Justice at The Hague. The United States government has reached an agreement with present government to hold an investigation. Leadership. He also gives predictions of the proper use of democratic processes in government.
Varied Religious Activities Present In Boston Region

Many students of the Institute have expressed an interest in relig- ious activities, and find ample opportunity in the area around the Institute to attend church or pursue other religious activities. The following is a list of churches and synagogues convenient for student use:

University Lutheran Church, corner of Boylston and Winthrop Streets, Cambridge: First Church in Cambridge (Unitarian), Harvard Square; First Church in Cambridge (Congregational), Garden and Mason Streets; Church of the New Jerusalem, Kirkland and Quincy Streets, Cambridge; Christ Church Cathedral, Cambridge Common; Religious Society of Friends, 5 Longfellow Park, Cambridge; Harvard-Epworth Methodist Church, 1555 Massachusetts Avenue, Cambridge; Old Cambridge Baptist Church, Massachusetts Avenue and Harvard Street; St. Paul's Church (Roman Catholic), Arrow and DeWolfe Streets, Cambridge; First Church of Christ, Scientist, Massachusetts Avenue and Watertown Street, Cambridge; Temple Ahabe- nas (Orthodox), 8 Tremont Street, Cambridge; Temple Chabi Noar (Reformed), 1997 Beacon Street, President; Congregation Beth Israel (Conservative), 384 Harvard Street, Brookline.

E. Reiley Attends NSA Convention On Student Gov't

This summer, the Institute was represented at the fourth annual Student Body Presidents Conference by Eldon H. Reiley, '55, president of the Undergraduate Association. This conference, held at Ames, Iowa, brought together student leaders from over one hundred colleges for a four-day workshop on campus government problems. It was sponsored by the National Student Association, a representative organization representing more than three hundred colleges.

Religious Services

This year the Hillel Societies of the Greater Boston Area are cooperating in holding three different types of services for the Jewish High Holy Days. A traditional (Orthodox) service will be held at Phillips Brooks House in Harvard Yard; a conservative service at the Boston University Final Room with Bible; 33 Bay State Road; and a liberal (Reformed) service in the First Parish Church in Harvard Yard. The schedule for the Rosh Hashanah (New Year) services is as follows:

- Monday, September 27:
  - Traditional—10:00 a.m.
  - Conservative—7:30 p.m.
  - Liberal—8:00 p.m.
  - Tuesday, September 28:
  - Traditional—10:00 a.m.
  - Conservative—10:00 a.m.
  - Liberal—8:00 p.m.

For the Yom Kippur (Day of Atonement) services for the Jewish High Holy Days the schedule is as follows:

- Wednesday, September 29:
  - Traditional—5:00 p.m.
  - Conservative—10:00 a.m.
  - Liberal—10:00 a.m.

The schedule will be published at a later date.

Meeting On State Re Scholarships For Study Abroad

There will be a discussion meeting this Thursday, September 26, at 9:00 p.m., in the Students' Union. The purpose of the meeting is to inform the students of the possibilities for those students interested in studying abroad in Asia and Australia for those students interested in studying abroad in Asian and Australian countries. Fulbright, Rhodes, and Alcorn scholarships will be awarded to any students interested in foreign study are available.

Former Fulbright and Rhodes scholars will be present to speak briefly and answer questions. Fulbright Committee members, teachers, and alumni will be present to answer questions and fill in the experience of study abroad or are actively engaged in the administration of the various study abroad programs.

MIT Staff Players Plan Busy Season For Coming Year

The Staff Players, a drama organization for the undergraduate student body, will be active this year. The group will be engaged in the administration of these various study abroad programs.

WAII Features Career Program Weekday Nights

"Career Hour," a program of special interest to seniors, will be in attendance next week. The program will consist of speeches from prominent industrial concerns around the country, describing their job opportunities. This new feature will be a half-hour program aired every weekday night from 6:00 to 6:30 p.m. It will replace a program consisting of classical music.

Several other programs being considered by WAII include: "Education Hour," a program consisting of educational programs and "Record Hap." This is a dance where records are played instead of having a band. No definite date has been set for this yet as it is still in the planning stage. The station is also planning to play for several activities.

InsComm Meets Tomorrow, Will Be Open Session

Tomorrow at 8:00 p.m. there will be a meeting of the InsComm Committee in Litchfield Lounge, Walker Memorial. This meeting, which is open to all students, will be the first of the semester. An agenda is to be formed by the committee, which will discuss the committee's functions under the reorganized plan of student government, as well as specific projects to be undertaken this year.

Richard H. Bolt Appointed As E. F. Professor

Dr. Richard H. Bolt has been appointed to the new faculty post of Professor of Sociology in the Electrical Engineering Department. A specialist in the field of sociology, Bolt is one of the most prominent sociologists in the country.

Dr. Bolt has been invited to speak at a number of national and international conferences, and his work has been published in leading journals. He is currently working on a major study of the sociology of education, which is expected to be published next year.

Hilliard Brunch Is Great Success As Many Girls Attend

After last Sunday's (the 16th) Hilliard Brunch in Laidlaw Lounge, East Campus, the Hilliard Brunch Committee was pleased with the turnout. The room was filled to capacity with over 600 people in Baker House, the FBI; the policies and organization of the USSR; the importance of the Soviet Union; and the organization is now in the process of expanding its membership.

Females Flock To Baker House Hop In Great Numbers

Baker House experienced the largest, and most successful, assembly of the year, an organized and greater-than-expected turnout. The event was well attended by students from other colleges. The subcommittee's report on NSA affiliation by colleges for the current year was also presented at the meeting.

Seiler Addresses Girls Conference On Government

Seiler addressed the girls conference on government at the State University of New York, last Saturday, September 21, 1952. The conference was open to all members of the college community, and Seiler discussed the importance of understanding government and its role in our daily lives.

Seiler's lecture was well received, and the audience was enthusiastic about the topic. The girls were impressed with Seiler's knowledge and expertise, and they asked many questions about government and its impact on society.

NEWS BRIEFS OF TODAY

WASHINGTON—The United States and Russia have come to the conclusion that they cannot agree on a plan for the peaceful use of atomic energy. For several months, both nations have been working on such a plan. Now, both nations have decided to publish a 50-page document containing the negotiations exchanged between them, planning to use them as propa-

gandia material. The document will be released to the public in the near future.

WASHINGTON—The radio program " inning the States" has been broadcasting in the United States for the past several months. The program has been well received by the public, and it has been praised for its informative and entertaining content.

WASHINGTON—Secretary of State Dulles has gone to London to the nine-power conference being held there. It is said to have hopes of reaching an agreement as President Kennedy in the same conference. Dulles is expected to start negotiations for the moving of American forces to Spain, Britain, Italy, and the Middle East. This is a big news story.

WASHINGTON—The United States has demanded that Russia pay $1,350,000 in the shooting down of an American plane over international waters two years ago, or else the United States will take action to recover the $1,350,000 in damages.

WASHINGTON—The University of Texas has asked Russia to release information regarding the American citizen who was supposedly picked up by a Russian ship after the crash.

TUESDAY, SEPT. 22

Calendar of Events from September 28 through October 6, 1954

TUESDAY, SEPTEMBER 28
Food Technology Department. Food Industry Seminar: "Problems of Under-water Food Production." Mr. J. Richards Nelson, President of Ellwanger & Dresser Co., American Oyster Institute. Room 16-130, 1:00-4:00 p.m.

WEDNESDAY, SEPTEMBER 29
Young Republican Club. First fall meeting. Room 5-320, 5:00 p.m.
Concert Band. Rehearsal. Mose Hall, Walker Memorial, 7:15 p.m.

THURSDAY, SEPTEMBER 30
Fencing Team. Try for freshmen interested in fencing. Walker Gymnasium, 5:00 p.m.
Glee Club. Rehearsal. Room 2-190, 5:30 p.m.
Lecture Series Committee. Film: "All the King's Men." Room 1-190, 5:00, 7:30, and 9:30 p.m. Admission: $0.25. Censor: 20 certas.
Technology Christian Association. Film: "The Light of the World." Room 2-190, 5:00 p.m.

FRIDAY, OCTOBER 1
Mechanical Engineering Department. Seminar: "Review of Theory and Experiment in Metal Cutting." Prof. Milton C. Shaw. Room 3-370, 1:00-2:00 p.m. Coffee will be served in Room 3-174 from 1:00-2:00 p.m.

SATURDAY, OCTOBER 2
M.I.T. is going to have its first Dormitory Ambulance Service. Speaker: Dr. William B. Adams & Sons clinic. The ambulance will be stationed on the first floor of the new dormitory. Admission: $0.00. Censor: 4 certas.

ENTERTAINMENT
International Student Association. 31 Gard Street. "Our Indian Summer" is going to present "Warwick Fawcett. The Man Outside" at 8:30 p.m. and two plays produced on Saturday, also at 8:00 p.m. Door will be closed at 8:00 p.m. Admission: $0.00. Censor: 0 certas.
Boston Opera House—The New York City Opera will present a production of "La Traviata" beginning November 4 and running through November 7. Two tickets normally for this opera on July 22. The NFA and the T.C.A. for tickets.

SUNDAY, OCTOBER 3
Fifteen lecture series. "Selected Topics in Technology Christian Association. Religious Action Division Smoker. Speaker: Mr. invola.,,, Reader, 9:00 a.m.-5:00 p.m.; Saturday and Sunday, 2:00-5:00 p.m.
Glee Club. Rehearsal. Room 2-190, 5:00 p.m.

LOUNGE, WEDNESDAY, OCTOBER 6
Walker Memorial. "8:00 p.m.-12:00 midnight. Catch the Hotel Commander opposite the Institute as dawn approaches.

TENTATIVE DATES
TECH IS PARADISE LOST
1.00 pm.

The case of the stuck-up salesman

When police arrived at the college restaurant, they found three heads in different stages of being glued and bound, the salesman—actually glued to the floor. They took quick shots of the scene, an empty glue pot. Got stuck up.

"Ugg 'glub," said the salesman, still all stuck-up. "I was so overjoyed, I did a little jig and tripped over the glue pot. Got stuck up."
Football Kicks Off Season: First Sailing Tournament Set

by Jerry Marwell '57

The rackets for intercollegiate football and intramural sailing, full season, are in, and the campus competitions are officially under way.

Leagues Chosen

In football 35 teams have been entered and these have been split up into five leagues. The first league consists of eight teams while the others each contain seven, with one bye given out in the opening round. All choosing was done by picking out of a hat. For this reason one of the leagues appears much stronger than the others.

Opening Games

The leagues shape up something like this. In league one Theta Xi plays Phi Kappa, Delta Tau Delta, Sigma Chi, and Beta Theta Pi to face Burton Student Staff, Phi Delta, and Ashton Stocker '55. These tests will be chosen by two tests, one written and one oral, which will be given on Wednesday at five o'clock by Jack Merkl '56, Dave Foreman '57, and Ashton Stocker '55. These tests will be paid two dollars a game. They are probably the most important phase of the season, so those who do not pay extra will not be considered a threat.

First Sailingy

League four is the big story this season. It consists of seven teams with one bye given out and is considered the weakest of the five leagues. Lambda Chi Alpha, Sigma Phi Epsilon, and newly formed TEP squad, and the remaining two it's Sigma Phi Epsilon vs. Sigma Chi, the 5:15 club against Stuber two it's Sigma Phi Epsilon vs. Sigma Chi, the 5:15 club against Stuber two. For First Drills, Crews are chosen of the next four years.

The heavyweight situation is definitely looking up, since Tech had a field of the top notch squad. Although the freshman footballers should be improved. Phi Mu Delta has the job of meeting them in the rowing year since this is when the fundamentals of the sport are ingrained in the oarsmen.

The size of the Frosh turnout must be considered a threat. The varsity situation is definitely looking up, since Tech had a field of the top notch squad. Although the freshman footballers should be improved. Phi Mu Delta has the job of meeting them in the rowing year since this is when the fundamentals of the sport are ingrained in the oarsmen.

The forgotten Fall sport, crew, has its official Tech start yesterday when the Charles saw the first of the Cardinal and Grey men row through the racing schedule comes almost completely in the spring the fall practices are not probably the most important phase of the season starter. -The last team in the league in East Campus which decides the team with the largest manpower pool on campus to be given on Wednesday at five o'clock by Jack Merkl '56, Dave Foreman '57, and Ashton Stocker '55. These tests will be chosen by two tests, one written and one oral, which will be given on Wednesday at five o'clock by Jack Merkl '56, Dave Foreman '57, and Ashton Stocker '55. These tests will be paid two dollars a game. They are probably the most important phase of the season, so those who do not pay extra will not be considered a threat.

Four lettermen and fragments of the varsity crew of the next four years.

British Scientist To Lecture Here During Fall Term

Sir Alexander Todd, distinguished British scientist and professor of organic chemistry at the University of Cambridge, England, has accepted an appointment as Arthur D. Little Visiting Professor of Chemistry at the Institute for the current fall semester. Starting October 4, he will present a series of twenty lectures dealing with the chemistry of one group of vitamins, their function in enzyme systems, and the general field of nucleotide chemistry. Members of the Chemistry Department and all chemists in the Boston area are invited to attend.

An outstanding educator and research scholar, Sir Alexander is chairman of the British Government’s Advisory Council on Science Policy, and in 1949 was awarded the Davy Medal of the Royal Society of London for the year’s most important European or Anglo-American discovery in chemistry.

He is the author of numerous scientific papers published in chemical and biological journals, and a fellow of the Royal Society and of the Royal Institute of Chemistry.

The Tech

ECHOES FROM THE PAST

by Everett H. Tracy ’37

This is a new venture in an old idea, that of selecting excerpts from past issues of The Tech with either humorous or timely relationships to present-day affairs and sentiments. I sincerely hope that this column will be welcome.

In glancing through the yellowed and time-worn pages written by our predecessors I stumbled upon this stirring speech which was delivered to entering Techmen alone, but is a universal message to every engineer and scientist, carrying universal truth behind it.

Still True Today

Fifty years ago this very day, on September 28, 1896, President Henry F. Pritchett spoke to the Freshmen and addressed them with these words:

"Today the East is a war involving dreadful sacrifices and suffering in progress. Sometimes it has seemed that the applied science of recent years lent itself to the art of destruction rather than to the purposes of construction. All the inventions of modern science have been bent to the destruction of human life and of human property; and, however we may admire the bravery and devotion which both armies show, we cannot but regret the political blindness, the absence of common appreciation of human obligations and the lack of intelligence which was the idea of fighting. If the work of our modern education is to make men simply more efficient in destruction without removing those tendencies which make war possible, then we need to change our method of education. I want to say to you men, half travel to Europe all expenses paid. Interested students who are willing to do a little work during school year may earn $600 or over $1000 each. For details write to Box 996, Framingham, Mass.
