Class Of '38 Seeks Educated
Initial Impression Of Institute

Men of the Institute, attention! Here's the information you've all been waiting for! The National Association of American college students. This is the organization before the evolvement of the DEAR', the Department of Defense, and the National Educational Associations of the Administrators of many other national groups concerned with the educational welfare of their institutions. The opinions expressed by the Association are not of national significance, but are important decisions of an educational nature that every college regardless of its affiliation with N.S.A. udział was forestalled largely due to the efforts of the national staff. The appointment of the Editor for broader coverage of collegiate news was an important decision of an educational nature that every college regardless of its affiliation with N.S.A.

The appointment of Dr. Billy E. Goetz as Professor of Course XV (Continued on page 2)

Electronic Labs Dedicated
To Dr. Karl T. Compton
Will Soon Be Constructed

New laboratories dedicated to the fundamental research which will exploit the vast potentialities of electronic and nuclear science will be built as a memorial to the Institute's late chancellor, Dr. Karl Taylor Compton. The dedication of the buildings for the Institute's first electronic and nuclear science laboratory will be the occasion of an opening ceremony of the dedication of the new laboratories. Preliminary drawings for a $30,000,000 building have already been made by Skidmore, Owings and Merrill, architects of New York. In addition, Dr. Killian announced, a fund of $25,000,000 will be provided for state support of the Institute in these fields.

Mr. Killian said that, since the science and professional contributions of Dr. Compton, "he was George B. Harrison of the School of Science pointed out that Dr. Compton's "genius" was to recognize the tremendous importance of the frontiers of space exploration and of nuclear science. He supported the institution's work in these fields, and one of his great hopes was that the Institute would give the nation an extension of the fine research quarters of the George Eastman Music Laboratory in Physics and Chemistry.

This year, in the women's dormitory at 120 Bay State Road. These girls have come from all parts of the country, and have taken advantage of the educational opportunities offered at the Institute, and are well impressed with Tech and Tech men.

Two of the freshmen girls, Elizabeth Mertz and Helen Johnson, are from Indiana. Elizabeth was born at Logan, in Vermont, New England Symposium. Betty lives in Palo Alto, California. The other aspired to underclassmen. This series is dedicated three meetings of special interest to they are about to be completed in the new lecture auditorium. Rehearsals are on Monday nights from 7:30 to 9:30 in Room 2-44. This season's program includes a palette of Bach cantata, and a work

Diving Squads

The Tech will hold from 4:00 to 5:00 p.m. in November. The Tech will hold from 4:00 to 5:00 p.m. in November.
Calendar of Events
from October 6 through October 13, 1954

WEDNESDAY, OCTOBER 6

Chemistry Department. Second of lecture series on "Selected Topics in Nat-
ural Product Chemistry." Sir Alexander R. Todd, Arthur Little-
ington. Visiting Professor in Chemistry. Room 6-120, 1:00-2:00 p.m.

Mathematics Department. Colloquium: "Galois Groups of Local Fields." Profes-
sor Knut Kneser, University of Munich. Room 5-110, 4:30 p.m.

Inter-Varsity Press. "What is our Mission?" Dr. Francis Steele, North African Mission. Room 5-108, 5:00 p.m.

Concert Band. Rehearsal. Music Hall, Walker Memorial, 7:30 p.m.

THURSDAY, OCTOBER 7

American Society of Civil Engineers—Student Chapter. Introduction to Civil Engineering. Professors John B. Willard and Rolf Blaisdell.

Physics Department. Colloquium: "The Fermi Interactions." Professor R. W. Gurney. Room 6-105, 4:15 p.m.

Glee Club. Rehearsal. Room 3-160, 5:00-7:00 p.m.

Lecture Series Committee. Film: "The Maltese Falcon." Room 1-102, 1:00 p.m.

School of Humanities and Social Studies. Lecture: "Hong Kong—Its Impor-
tance in the Free World." Dr. Alexander II. Shen, Governor of Hong Kong. Room 10-250, 8:30 p.m. Admission fee, 50 cents.

FRIDAY, OCTOBER 8

Freshmen Soccer Team. Match with Medford High School. Briggs Field, 3:30 p.m.

Mechanical Engineering Department. Seminars: "Theory of the Regenerative Turbine-Pump." Professor William A. Wilson. Room 3-370, 3:30 p.m. Coffee in Room 3-174 from 3:00-3:30 p.m.

SATURDAY, OCTOBER 9

Freshman Compete. Match with Tufts College. Franklin Park, 3:00 p.m.

Varsity Soccer Team. Match with Boston University. Briggs Field, 2:30 p.m.

Varsity Crew Company. Meet with Tufts College. Franklin Park, 7:30 p.m.

Choir Society. Rehearsal. Room 3-105, 7:30 p.m.

SUNDAY, OCTOBER 10

Holiday.

Varsity Soccer Team. Match with Brandeis University. Briggs Field, 4:00 p.m.

Inter-Varsity Christine Fellowship. Lectures: "Quiet Time." Mr. J. Thacher. Room 5-108, 5:00-5:30 p.m.

Symphony Orchestra. Rehearsal. Music Hall, Walker Memorial, 7:30 p.m.

ASEE—NEW ENGLAND SECTION

32nd Annual Fall Meeting will be held at M.I.T. on Saturday, Oc-
tober 9. Registration in main lobby of Building 3. From 8:30 to 10:00 a.m.;
opening—10:00 a.m.—12:15 p.m.; Luncheon—12:45-1:15 p.m.; Afternoon con-
ferences—2:30-4:15 p.m.; Inspection and social hour—4:30-6:00 p.m.; Roundtable—6:00-8:15 p.m.

**Intramural Football Starts; Kappa Sigs Upset Phi Gam**

by Jerry Maxwell '57

A pouring rain, an upper-cohesion upset and a bold of games according to Star marked the opening weekend of intramural football. Fifteen games were played and of these only six were won by the winning team.

Kappa Sig Wins

The upset occurred in League One when the kappa Sig's huge line, spearheaded by Tom Hoffman '56, who stood out all day on both offense and defense, stopped itself on the one yard line; Kappa Sig's huge line, spearheaded by Ben O'Brien '56 and John Duane '56.

In the rest of League One Delta Tau Delta lost 13-7 at 11-0 mostly on the twisting of Mike Tyn '55 and the receiving of "Lanky Style" 59. DU loved to TFP four in a tight battle, and Theta Xi dropped a secondwin 26-25 to Phil. John Cordes.

He scored the winning touchdown. The shutout are remarkable when you DKE squad 8-0. Both the victory and an upset. The upset was Five final scores and one of them was men, and Bernie Benson '56 back.

The perennially powerful ATO eight still be regarded as a championship threat despite this loss.

In the other League Four contest

Bush League (Continued from page 4) still be regarded as a championship threat despite this loss.

In the other League Four contest the perennially powerful AFO eight soundly beat New Delta, 26-0. The first score, prophetically came on a blocks-and-sweep which Todd Sandell, '58 fell on. Standout performers are Tony Verdecia, '55, Don Bush, '56, and Benno Benson '56 back.

Three shutouts composed the League Five real scores and one of them was an upset. The upset was pulled off by supposively weak Baker House "B" team which upset a much heavier DKE squad 8-4. Both the victory and the shutout are remarkable when you realize that the heaviest man on the Baker squad weighed only 175 pounds. Don Bush '58 was Baker's top player. He scored the winning touchdown.

LaMs have already won the quickest, most enthusiastic nation-wide acceptance a cigarette ever had. Now, LaM comes to your city, too... the same great cigarette — at the same low price as regular.

In either size — only LaM Filters give you real full-flavored smoking enjoyment-plus the Miracle Tip — the effective filtration you need. You get much more flavor — much less nicotine — better time — a lighter and milder smoke. Remember, it's the filter that counts... and L&M has the best!

Buy LaM king-size or regular. JUST WHAT THE DOCTOR ORDERED!
